Maker the Village Voice and NME and presents case studies of bands including Wire PiL Joy Division the Raincoats and Pere Ubu By positioning post punk in relation to genres such as punk new wave dub and disco Haddon explores the boundaries of post punk and reveals it as a community of tastes and predilections rather than a stylistically unified whole Haddon diversifies the discourse around post punk exploring both its gender and racial dynamics and its proto industrial aesthetics to restore the historical complexity surrounding the genre s terms and origins **All Ages** Mark Sten,2015-10-01 A Wailing of a Town Craig Ibarra,2024 This book is a detailed oral history of early San Pedro punk from 1977 to 1985 told through countless interviews with artists locals and fans all of whom lived there or lived through it Topics include iconic gigs by bands the Minutemen Black Flag the Descendents and lesser known but highly original and fascinating artists personal interviews with the major players friends and families and descriptions of the nightlife haunts and hangouts all told through never before published thoughts memories and opinions from that seminal time The interviews are woven together in a firsthand narrative of this innovative music and arts scene often dismissed as too remote too artsy and too experimental for the prevailing hardcore and rock scenes of the time Years later this book provides fascinating details of the iconic scene now sought after by music and history fans and those interested in the hidden gems of Los Angeles culture of the 70s and 80s Page 4 of book cover **England's Dreaming** Jon Savage,1991 The influence of The Sex Pistols has stretched way beyond their short violent and notorious career not only did they define punk through the vision of their manager Malcolm McLaren and lead singer Johnny Rotten but by the time of the Jubilee in 1977 they had initiated an explosion of angry music graphics fashion and media This book is full of research interviews plus a discography of The Sex Pistols that provides a historical perspective of the group It follows the group s development over the course of a decade that began with a small shop in the King s Road to their tour circuit of America
