

A person stands in a dark, misty forest, looking up at two large, glowing, oval-shaped portals that resemble galaxies or nebulae. The portals are filled with vibrant colors like blue, orange, and purple, and are surrounded by a soft, ethereal light. The person is silhouetted against the bright light of the portals. The overall atmosphere is magical and dreamlike.

The Path to God's Heart Bernard Huber,2011 Bernard Huber was born in France in 1954 and is today pastor in the Reformed Church of Switzerland He has been deeply involved in development aid in India and with the Bartimaeus Project for many years He spends part of his time in India every year He discovered very soon that people in great material need are also in need of spiritual help So he introduced the Prayer of Stillness amongst Indian Christians many years ago and has been able to see incredible changes taking place in the lives of those who faithfully practise this form of prayer The Prayer of Stillness leads us to a place where we can rediscover our own hearts and learn to use our innate strength and energy in a more healthy way Many individuals in the vast ocean of mankind have feelings of insecurity and become aware of the fact that a person needs a retreat they can retire to whenever they feel the need We need to find our innermost selves and to rediscover God the Prayer of Stillness will help us along the path to the ultimate goal The time has come for the Christian world to realise that changing anything of any importance is going to demand a sacrifice and that we are the ones who will have to make that sacrifice

Rediscovering Values Jim Wallis,2010-01-05 When we start with the wrong question no matter how good an answer we get it won't give us the results we want Rather than joining the throngs who are asking When will this economic crisis be over Jim Wallis says the right question to ask is How will this crisis change us The worst thing we can do now Wallis tells us is to go back to normal Normal is what got us into this situation We need a new normal and this economic crisis is an invitation to discover what that means Some of the principles Wallis unpacks for our new normal are

Spending money we don't have for things we don't need is a bad foundation for an economy or a family. It's time to stop keeping up with the Joneses and start making sure the Joneses are okay. The values of commercials and billboards are not the things we want to teach our children. Care for the poor is not just a moral duty but is critical for the common good. A healthy society is a balanced society in which markets, the government, and our communities all play a role. The operating principle of God's economy says that there is enough if we share it. And much, much more. In the pages of this book, Wallis provides us with a moral compass for this new economy, one that will guide us on Wall Street, Main Street, and Your Street. Embracing a New Economy. Getting back to the way things were is not an option. It is time we take our economic uncertainty and use it to find some moral clarity. Too often we have been ruled by the maxims that greed is good, it's all about me, and I want it now. Those can be challenged only with some of our oldest and best values: enough is enough, we are in it together, and thinking not just for tomorrow but for future generations. Jim Wallis shows that the solution to our problems will be found only as individuals, families, friends, churches, mosques, synagogues, and entire communities wrestle with the question of values together. Worship: Rediscovering the Missing Jewel Ronald B. Allen, Gordon Borrer, 2000-02-04

What makes for a successful worship service? In this book, the authors consider variables that make a worship service successful or unsuccessful. They explore how moods, settings, and procedures can effect the worship experience despite the purpose for worship's true aim: a heartfelt celebration of God and His worthiness. **The Inner Heart of Reiki (NEW EDITION)** Frans

Stiene, 2025-08-26. An unique journey into the inner heart of the system of Reiki for practitioners and teachers to rediscover their True Self. Rediscover Your Unique Timeless Value Audie Casiguran, 2017-09-28. Rediscover Your Unique Timeless Value talks about the keys, timeless principles built in through the message of our King, Eshua Jesus, a long time ago about his government, country, the kingdom of heaven. Rediscovering his timeless message means we need to go back again from time and study and learn from his timeless teaching and realign ourselves through the value of his message. In this book are the nine reasons why right values, specifically kingdom values, gives us purpose and meaning in our existential life. Reason no 1: right values drive right behavior. Reason no 2: right values give right destination. Reason no 3: right values correct priorities and organize. Reason no 4: right values inspire dedication. Reason no 5: right values interpret vision. Reason no 6: right values support acceptance. Reason no 7: right values enable continuous learning. Reason no 8: right values purge old habits to unlearn. Reason no 9: right values empower us to engage. Also here you will find out the purpose, priority, and the power of kingdom values which empower you yourself, values and concepts and influence your idea of who you are and what you can do to the world and for the better of humanity. This book helps you find your own unique timeless value which will determine your significance and meaning of your life. This book is also constituted of my personal autobiography stories and the corresponding keys of the kingdom of God that I personally understand. *Humility* Michael W. Austin, 2024-03-12.

Amid culture wars and church division, Michael W. Austin calls us back to the authentic Way following Christ in humility and love.

American Christians have lost the Way We chase power and comfort and coat our self righteousness in a Christian veneer We comfort ourselves that we follow the rules and go to church so life will work out for us But we have forgotten what it means to truly follow Christ Michael Austin brings us back to basics of the Christian life humility and love Drawing on Philippians and 1 Corinthians Austin reminds us how Jesus in love poured himself out for others This other centeredness stands contrary to vainglorious affirmation in our lives online and off and it is the key to healing the deep divisions in our communities Austin guides the reader through spiritual disciplines to aid in the formation of this virtue from praying the Psalms to building healthy communities For Christians seeking transformative union with God in their souls and society Humility is the ideal companion Martin Institute and the Dallas Willard Research Center at Westmont College Dallas Willard Research Center Book Award Finalist 2025 *Following Jesus in a Fallen World* Robert M. The Top Books of the Year Rediscovering Our Heart The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous captivating novels enthralling the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the fascinating narratives that have enthralled audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This touching tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Rediscovering Our Heart : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and thrilling novel that will keep you guessing until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
