The Present Status of the Revolutionary Movement in the United States ..., Together with Descriptions of Numerous Connections and Associations of the Communists Among the Radicals, Progressives and Pinks. [Introd. by R.M. Whitney]. R. M. Whitney,1924 *Reds in America* Richard Merrill Whitney,1924 **Red America** Kostis Karpozilos,2023-02-10

Historians of immigration and ethnicity in the United States have typically devoted little attention to Greek Americans while popular narratives depict them as indifferent or hostile to political and social radicalism From acclaimed historian Kostis Karpozilos *Red America* provides an alternative narrative of the Greek American experience Focusing on the history of the Greek American Left from the beginning of the twentieth century to the Cold War this volume uncovers the threads that bound notions of radical social change to everyday immigrant life tracing ethnic radicalism from the boundaries of a specific community to the epicenter of American social and political history *Reds in America* Peter Beckwith,1924 **Red Scare** Robert K. Murray,1955-01-01 *Red Scare* was first published in 1955 Minnesota Archive Editions uses digital technology to make long unavailable books once again accessible and are published unaltered from the original University of Minnesota Press editions Few periods in American history have been so dramatic so fraught with mystery or so bristling with fear and hysteria as were the days of the great Red Scare that followed World War I For sheer excitement it would be difficult to find a more absorbing tale than the one told here The famous Palmer raids of that era are still remembered as one of the most fantastic miscarriages of justice ever perpetrated upon the nation The violent labor strife still makes those who lived through it shudder as they recall the Seattle general strike and Boston police strike the great coal and steel strikes and the bomb plots shootings and riots that accompanied these conflicts But exciting as the story may be it has far greater significance than merely that of a lively tale For just as American was swept by a wave of unreasoning fear and was swayed by sensational propaganda in those days so are we being tormented by similar tensions in the present climate of the cold war The objective analysis of the great Red Scare which Mr Murray provides should go a long way toward helping us to avert some of the tragic consequences that the nation suffered a generation ago before hysteria and fear had finally run their course The author traces the roots of the phenomenon relates the outstanding events of the Scare and evaluates the significant effects of the hysteria upon subsequent American life **America's Game** Bryan Soderholm-Difatte,2018-06-08 This comprehensive survey of major league baseball looks at the national pastime s legendary figures major innovations and pivotal moments

from the beginning of the twentieth century through World War II In *America's Game: A History of Major League Baseball through World War II* Bryan Soderholm Difatte provides a comprehensive narrative of the major developments and key figures in Major League Baseball during a time when the sport was still truly the national pastime Soderholm Difatte details pivotal moments including the founding of the American League the 1919 Black Sox scandal and navigating the Great Depression and two World Wars and concludes with a chapter examining the exclusion of black ballplayers from the major leagues Central personalities covered in this book include baseball executives Judge Landis and Branch Rickey managers John McGraw and Joe McCarthy and iconic players such as Babe Ruth and Ty Cobb *America's Game* isn't simply about celebrating the exploits of great players and teams it is just as much about the history of Major League Baseball as an institution and the evolution of the game itself With significant changes taking place in baseball in recent times this book will remind baseball fans young and old of the rich history of the game

Country Life in America, 1905 **American Poultry Advocate**, 1914 *American Poultry Journal*, 1921 Reds Ted Morgan, 2004-11-09 In this landmark work Pulitzer Prize winning author Ted Morgan examines the McCarthyite strain in American politics from its origins in the period that followed the Bolshevik Revolution to the present Morgan argues that Senator Joseph McCarthy did not emerge in a vacuum he was rather the most prominent in a long line of men who exploited the issue of Communism for political advantage In 1918 America invaded Russia in an attempt at regime change Meanwhile on the home front the first of many congressional investigations of Communism was conducted Anarchist bombs exploded from coast to coast leading to the political repression of the Red Scare Soviet subversion and espionage in the United States began in 1920 under the cover of a trade mission Franklin Delano Roosevelt granted the Soviets diplomatic recognition in 1933 which gave them an opportunity to expand their spy networks by using their embassy and consulates as espionage hubs Simultaneously the American Communist Party provided a recruitment pool for homegrown spies Martin Dies Jr the first congressman to make his name as a Red hunter developed solid information on Communist subversion through his Un American Activities Committee However its hearings were marred by partisan attacks on the New Deal presaging McCarthy The most pervasive period of Soviet espionage came during World War II when Russia as an ally of the United States received military equipment financed under the policy of lend lease It was then that highly placed spies operated inside the U S government and in America's nuclear facilities Thanks to the Venona transcripts of KGB cable traffic we now have a detailed account of wartime Soviet espionage down to the marital problems of Soviet spies and the KGB's abject efforts to capture deserting Soviet seamen on American soil During the Truman years Soviet espionage was in disarray following the defections of Elizabeth Bentley and Igor Gouzenko The American Communist Party was much diminished by a number of measures including its expulsion from the labor unions the prosecution of its leaders under the Smith Act and the weeding out under Truman's loyalty program of subversives in government As Morgan persuasively establishes by the time McCarthy exploited the Red issue in 1950 the battle against

Communists had been all but won by the Truman administration In this bold narrative history Ted Morgan analyzes the paradoxical culture of fear that seized a nation at the height of its power Using Joseph McCarthy s previously unavailable private papers and recently released transcripts of closed hearings of McCarthy s investigations subcommittee Morgan provides many new insights into the notorious Red hunter s methods and motives Full of drama and intrigue finely etched portraits and political revelations Reds brings to life a critical period in American history that has profound relevance to our own time Standard-bred Rhode Island Reds, Rose and Single Comb Dwight Edward Hale,1911 *Congressional Record* United States. Congress,1979 The Congressional Record is the official record of the proceedings and debates of the United States Congress It is published daily when Congress is in session The Congressional Record began publication in 1873 Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States 1789 1824 the Register of Debates in Congress 1824 1837 and the Congressional Globe 1833 1873 *Tumultuous Times in America's Game* Bryan Soderholm-Difatte,2019-06-26 In Tumultuous Times in America s Game From Jackie Robinson s Breakthrough to the War over Free Agency Bryan Soderholm Difatte provides a comprehensive examination of major developments and key figures in Major League Baseball from the integration of Jackie Robinson in 1947 to the owners instigated catastrophic players strike of 1994 95 While many fans will recall those decades with fond remembrances of the baseball stars who played then from Joe DiMaggio Ted Williams Mickey Mantle and Willie Mays to Roberto Clemente Pete Rose Reggie Jackson and Cal Ripken they were also a time of substantial challenges that upended more than half a century of tradition that was the backbone of the major leagues Tumultuous Times in America s Game includes histories of each of the major league franchises presented alongside Soderholm Difatte s detailed examination of the controversies developments and innovations from these significant decades in professional baseball Recaps of several of baseball s most exciting pennant races round out the narrative making this book a valuable read for fans and historians of the national pastime **A**
