My Father His Daughter:

My Father, His Daughter Yaël Dayan, 2015-04-07 A life of one of Israel's greatest heroes as seen through his daughter's eyes Moshe Dayan was one of the greatest military leaders in Israel's short history A child of the first kibbutz movement in British Palestine he went on to lead Israel to victory in the 1948 War of Independence and to liberate Jerusalem in the 1967 Six Day War Dayan was not only a soldier but a politician an archaeologist and a larger than life figure who helped shape the state of Israel In *My Father His Daughter* Yaël Dayan who herself served in the Israeli Parliament shares an uncensored look into her father's life and her own conflicted relationship with him With poignancy and candor Dayan creates a profound yet nuanced profile of her father She relates his strong national pride his boldness in dealing with other world leaders and his troubles at home to his disintegrating marriage and multiple affairs As revealing as *My Father His Daughter* is of the man behind the myth it is also a snapshot of a loving relationship between Yaël and Moshe Dayan and of a daughter's admiration and respect for a complicated but loving father

My Father's Daughter Jenese Busch, 2008-05-29 *My Father's Daughter* is a heart warming epic about a loving and nurturing relationship between the author and her father Filled with pictures and memorabilia from her life as a child Jenese Busch really sends a strong message while sharing the love and dedication she was blessed to have growing up This wonderful touching work tells of the struggle to maintain a home growing up in times of war and hardships and of her father's dedication to ensure she had a better life Her father was devoted to providing stability and support throughout her life Yet Jenese found out just how much he had sacrificed after his death when she discovered he had left her wealthy in more than the monetary sense All those struggles and hardships were for her In today's world most children are lucky to have a single parent It seems as though everyone is too busy for their children This book is so refreshing the reader is able to look back in time when family mattered The photos alone are like traveling through time and will remind many readers of days gone by So come along on this lovely walk past the picket fences down the cobbled walkway of Jenese's life as she shares her fondest memories of her father About the Author Jenese Busch is an adventurer and world traveller with the heart of a poet She's dedicated to her family and her community This is her first book [My Father's Daughter](#)

Tina Sinatra, 2012-12-11 Frank Sinatra seemed to have it all genius wealth the love of beautiful women glamorous friends from Las Vegas to the White House But in this startling and remarkably outspoken memoir his youngest daughter reveals to us an acutely restless lonely and conflicted man Through his marriages and front page romances and the melancholy gaps between Frank Sinatra searched for a contentment that eluded him For the first time Tina writes candidly about the wedge his manipulative fourth wife Barbara Marx drove between father and daughter *MY FATHER'S DAUGHTER* with its unflinching account of Sinatra's flaws and foibles will shock many of his fans At the same time it is a deeply affectionate portrait written with love and warmth a celebration of a daughter's fond esteem for her father and a respect for his great legacy The world remembers Frank Sinatra as one of the giants of the show business In this book from someone

inside the legend Tina Sinatra remembers him as something more a father and a man **My Father's Daughter** Eleanor Ramsay Williamson, Sterling Williamson, 2008-06 What doth the lord require of man but to act justly to love mercy and to walk humbly with thy God Micah 6 8 When Eleanor Ramsay Williamson was ten her father Kerr Craige Ramsay died of a heart attack Her idyllic life in North Carolina was shattered Eleanor lost not only a parent who adored her but her whole world In this memoir Eleanor explores the effects her father s death had on her as she grew up Her experiences were similar to that of others who had also lost their fathers as youngsters she cared for her alcoholic mother and tried to be strong but found it difficult at best In exploring her relationships Eleanor recognized much of her father in her his smile energy and self confidence Relying on these qualities Eleanor unshackled the restraints placed on women of that era and blazed her own trail She even married a Yankee Sterling Rudolph Williamson and later developed her passions for literature foreign cultures and teaching This insightful memoir follows Eleanor s emotional journey from life as a youngster through the loss her father and the subsequent upheaval to her own experiences as a mother and wife and finally her blossoming into a passionate teacher of international students With My Father s Daughter you will experience the events of Eleanor s life as she plucks the strings of your subconscious emotions with her keen observations My Father's Daughter Annette Roberts-Murray, 2022-11-03 We sometimes allow our circumstances to hinder us from moving forward and achieving our goals in life Sometimes we lack the confidence and the faith to go forth and try new things Sometimes we can be our own worst enemy by accepting defeat before we even begin to fight There were so many things that had happened to Cynthia that could have prevented her from moving forward She could have given up but she kept on fighting and moving forward She did not allow her past hurt and disappointments to paralyze her and keep her from pursuing her dreams She had a close relationship with her Father and He looked after her and He always reminded her of who she really was She wasn t the failure that the world was trying to tell her that she was she was a phoenix that was fighting to rise from the ashes that were all around her All of the rejection and broken relationships that she had endured had left scars on her heart She had been molested as a young child and she buried her pain because it was too great for her to deal with She learned valuable lessons from the things that she experienced in her life and she grew stronger and wiser She began to realize that her Father had poured some gifts in her and she knew that she was destined to do something important with her life She knew that she had been bruised by some of the bad things that had happened to her but she was not broken There was a fire that burned on the inside of her that drove her to want to accomplish more and more Cynthia struggled to feed the fire even though it seemed that she could never satisfy it She fought her way out of the lowest valleys always striving to reach the mountaintop and her Father was always right there with her She found peace in His presence through prayer She learned a lot of lessons in her life but the most valuable thing that she discovered was that she was her Father s daughter **My Father's Daughter** Katherine Goertz Thompson, 2016-07-04

My Father's Daughter Sheila Fitzpatrick, 2014-09-12 How does a daughter tell the story of her father Sheila Fitzpatrick

was taught from an early age to question authority She learnt it from her father the journalist and radical historian Brian Fitzpatrick But very soon she began to turn her questioning gaze on him Teasing apart the many layers of memory Fitzpatrick reveals a complex portrait of an Australian family against a Cold War backdrop As her relationship with her father fades from girlhood adoration to adolescent scepticism she flees Melbourne for Oxford to start a new life But it s not so easy to escape being her father s daughter *My Father s Daughter* is a vivid evocation of an Australian childhood a personal memoir told with the piercing insight of a historian

My Father's Daughter Carol Caloro,2019-02-25 This book began as a series of hand scribbled notes never intended to be seen by anyone but me In March of 2018 I made a discovery that rocked me to my very core and in searching for a way to cope I began to write just random thoughts jotted down in no particular order I wrote about my childhood my wonderful dad my emotionally abusive mother the small town where we lived I wrote about my father s love of the military what my family was like and what my siblings and I did as kids in the 40s and 50s I became obsessed Sometimes up until 3am other times sleeping a few hours and waking in the middle of the night to write until daylight arrived I could think of nothing else Often I cried as I wrote After a while I became completely exhausted I put it all away and let it sit for a month then started again a little less emotionally distraught I began to think it made a good story perhaps even a book so I gathered all of the random messy notes together and began the difficult task of putting them in some kind of sensible order Some were in a notebook others on separate pieces of paper of all different sizes Some were scribbled upside down or along the edge of a page or on the back of an envelope and some were vague thoughts of just a word or two That s how it began Once it started to take form I expanded the scope of it describing my strange and unsuccessful marriage and the difficulty of becoming a single parent of four on my own both emotionally and financially There s lots more but I don t want to give it all away And yes it s all true I hope you enjoy reading it
