[Saints: The Story of the Church of Jesus Christ in the Latter Days, Volume 3](#) The Church of Jesus Christ of Latter-day Saints, 2022-04-22

After decades of opposition, the Latter-day Saints have dedicated the Salt Lake Temple, a mighty symbol of their industry and faith. Now, with a new century on the horizon, the Saints are optimistic about the future and ready to spread the Savior's message of peace across the globe. But the world is rapidly changing. Advances in transportation and communication allow people and information to cross vast distances in record time. And young people are venturing far from home as never before, seeking educational and professional opportunities their parents and grandparents could hardly imagine. As the Church begins to take root in Europe, South America, and Asia, the Saints rejoice in the rise of the global Church. Yet many are wary of the challenges the changing world poses to the cause of Zion. While the promise of the new century is bright, it comes with dire economic hardships, brutal global wars, and other unprecedented trials.

Boldly, Nobly, and Independently is the third book in the *Saints* series, a new four-volume narrative history of The Church of Jesus Christ of Latter-day Saints. Fast-paced, meticulously researched, and written under the direction of the First Presidency, *Saints* recounts true stories of Latter-day Saints across the globe and answers the Lord's call to write a history for the good of the Church and for the rising generations.

Doctrine and Covenants 69:8 **Maud's Story** Charlotte K. LeBaron, 2014-03-24

Maud's Story: A Modern Cain and Abel Story. A life she termed half joy and half sorrow. Born to parents who had childhood memories of the Civil War, Maud's life began in 1892, just two years after the Mormon Church Manifesto had forbidden plural marriage. Educated in the LDS High School in Salt Lake City, she paradoxically gained a love for that controversial principle. In Salt Lake, Maud read newspaper reports telling that President Joseph F. Smith had paid a \$500 fine for a son who was born years after the Manifesto, yet the church continued to deny its practice. She married Dayer LeBaron, helped him get a plural wife, fled to Mexico to avoid his arrest, and continued giving birth to children. Dayer's family lived nearly twenty years in Colonia Juárez, ostracized for living plural marriage in a town that early Mormons had made as a place of refuge for polygamists. With grown sons, Maud and Dayer left the Mormon colony to pioneer a remote area on homestead land. There, her son Joel began a church and became the beloved leader of a new community. Ervil, a younger brother, enraged at Joel's success, no longer supported him, and a modern Cain and Abel story ensued, breaking Maud's heart.
