collaring in the bush and invites a group of friends to join him for this last African adventure Around the campfire at night he and his friends openly discuss his plans The polarized reactions of Tucker s confidants range from vehement denial to vehement support as he advises them that his suicide date is rapidly approaching In January 2011 he returns home to England his deadline the end of February Irving Tucker is a complex character with great attributes and glaring faults This is a story of love friendship and caring of laughter fun sadness and tragedy It is the story of a man determined to leave this world at a time of his choosing **The Living Age** ,1923 **For Love and Country** Patrick J. Gallo,2003 During World War II resistance movements arose in all countries occupied by fascist and Nazi forces Many people are startled to learn that there was a resistance movement in Italy Most accounts by American scholars concentrate on the resistance in Central and Northern Italy and summarily dismiss the South For Love and Country has as its focus the resistance movement in Lazio and in particular Rome The author Patrick Gallo argues that a well organized and mass based resistance movement developed in Lazio He contends that the Rome based resistance not only undermined German morale but also achieved important strategic objectives This study is based on a series of in depth interviews with the men and women who took part in the resistance in Lazio Gallo analyzes the motivation of those who joined the resistance and their political military and strategic roles in the movement With the drama of war and Nazi occupation as a backdrop the author paints a vivid picture of the life of a partisan Love's Duty L.S.
