The Best in Children's Books University of Chicago. Center for Children's Books, 1986-08 Designed to aid adults parents teachers librarians in selecting from the best of recent children's literature this guide provides 1 400 reviews of books published between 1979 and 1984 This volume carries on the tradition established by Zena Sutherland's two earlier collections covering the periods from 1966 to 1972 and 1973 to 1978 Her 1973 edition of The Best in Children's Books was cited by the American School Board Journal as one of the outstanding books of the year in education **Armed and Dangerous - This is the True Story of How I Carried Out Scotland's Biggest Bank Robbery** James Crosbie, 2007-05-31 Within half an hour the place was buzzing The airport's been shut down Bank robbers have dumped a car They've taken hostages They're trying to get out of the country The gossip ranged wide and wild as rumours spread I got a lift back to the main terminal buildings and spotted our getaway car highlighted by a ring of police and their colourful vehicles Born into poverty in a Glasgow tenement James Crosbie went on to become Scotland's most notorious bank robber the man behind the biggest heist in the country's history Fearless adventurous and mischievous he saw success as a businessman and a traveller But the lure of the next great job always proved too much particularly when on one occasion he was mistakenly given bail following a serious robbery Eccentric and high spirited Crosbie became famed for escaping the scene of his crimes on a bicycle But he didn't always get away free and has spent much of his life behind various grim sets of bars from the notorious Barlinnie to the forbidding walls of Peterhead Determined persistent witty and charismatic James Crosbie is one of Scotland's most charming robbers His story is enthralling and his escapades are gripping **Statewide Audiovisual Service ... Catalog** Florida. Statewide Audiovisual Service, 1995 **The Way We Write** Barbara Baker, 2006-07-30 This book is a unique collection of interviews with award winning writers Each writer discusses their process why they write whom they write for where and how often they write recurring themes problems and achievements The interviews are intimate honest informative and often humorous Together they offer a fascinating insight into the experience and hard work behind successful writers This engaging collection is sure to appeal to anyone who loves reading or has ever wanted to be a writer The Two Tigers Brian McNeill, 1977 Explores the relationship between Katherine Mansfield and John Middleton Murry **Chronicle of the Horse**, 1979-10 Slow Horses (Deluxe Edition) Mick Herron, 2020-11-24 Welcome to the thrilling and unnervingly prescient world of the slow horses This team of MI5 agents is united by one common bond They've screwed up royally and will do anything to redeem themselves This special tenth anniversary deluxe edition of a modern classic includes a foreword by the author discussion questions for book clubs and an exclusive short story featuring the slow horses London England Slough House is where washed up MI5 spies go to while away what's left of their failed careers The slow horses as they're called have all disgraced themselves in some way to get relegated there Maybe they botched an Op so badly they can't be trusted anymore Maybe they got in the way of an ambitious colleague and had the rug yanked out from under

them Maybe they just got too dependent on the bottle not unusual in this line of work One thing they have in common though is they want to be back in the action And most of them would do anything to get there even if it means having to collaborate with one another When a young man is abducted and his kidnappers threaten to broadcast his beheading live on the Internet the slow horses see an opportunity to redeem themselves But is the victim really who he appears to be Bad Vespers Stephen Schnitzer,2011-08-03 The deadly assassin known as the Hun is a stone cold killer He has his own set of rules and he reserves the right to change them whenever he pleases He doesn't torture He doesn't steal art or papers He simply kills and for him that is enough The Hun's past has shaped him into the lethal instrument he is today He trained under his father and his extreme intelligence made him a quick study He learned how to survive in the wild how to hunt how to kill When he joined the US Marine Corps they turned him into a machine Eventually he became the personal bodyguard of the President of the United States but still remained most comfortable out in the field The successful assassination of Congressman Blackwell one of the president's close friends forces the Hun out of minder mode and back into killer mode He embarks on a journey of intrigue to find the culprits and to mete out his perfect brand of justice This time though new technologies and ruthless enemies may make the difference between his life and his death **A Catalog of 16mm Films, 1/2 Inch Video Cassettes and Other Media** State Library of Iowa.
