Richard Velleman, Jim Orford

Resilient Marriages From Alcoholism And Adversity To Relationship Growth:

Resilient Marriages Karen J. Shirley, 2000 Resilience has come to rival insight as a fundamental therapeutic goal in bettering the lives of individuals in distress And it is increasingly an important topic in fields as diverse as education sociology and family studies Yet despite all the recent interest up to now few in depth studies have appeared This book is a moving ethnography of five couples whose marriages survived over many years and ultimately transcended a partner s alcoholism The couple s stories are poignant full of wisdom and carrying important lessons The author s insightful analysis sheds light on three recurring themes residual resources moments of choice and building trust This book makes a significant contribution to our understanding of what makes relationships last over a course of many years or a lifetime while serving as an engaging supplementary text for courses in family studies psychology and sociology *Subject Guide to Books in Print*, 1997 **American Book Publishing Record**, 2000 **The British National Bibliography** Arthur James Wells, 2001

Resilience and Vulnerability Suniya S. Luthar, 2003-05-05 Integrated in this book are contributions from leading scientists who have each studied children s adjustment across risks common in contemporary society Chapters in the first half of the book focus on risks emanating from the family chapters in the second half focus on risks stemming from the wider community All contributors have explicitly addressed a common set of core themes including the criteria they used to judge resilience within particular risk settings the major factors that predict resilience in these settings the limits to resilience vulnerabilities coexisting with manifest success and directions for interventions In the concluding chapter the editor integrates evidence presented through all preceding chapters to distill a substantive considerations for future research and b salient directions for interventions and social policies based on accumulated research knowledge **Resilient Relationships** Christian Heim, Caroline Heim, 2023-04-14 Christian and Caroline Heim have written a wise and valuable book on how to make marriages last Roy Baumeister President of International Positive Psychology Association Designed to be used as a companion to couple therapy this book is based on a trailblazing study of over 1400 individuals It presents over 75 techniques to help relationships thrive in the long term and provides insights into the challenges faced by contemporary couples Through in depth interviews this book takes pertinent questions from young couples and puts them to couples who have been together for decades The time tested secrets of thriving couples are presented in a new guise for a new generation Capturing the effects of the COVID 19 pandemic the study includes people from 52 countries and is the largest cross sectional multi national study on long term relationships to date It highlights the dynamic and protective factors that lead to relationship longevity as well as societal pressures to guide therapists on how to manage these with their clients The authors uncover how long term relationships promote resilience emotional mental and physical health and protect against loneliness and harmful behaviours Therapists and couples need to know what goes right in long lasting relationships Providing essential data and practical skills for psychologists counsellors and other professionals this book is a must read for anyone working

with couples to explore and understand what leads to resilient relationships in a harsh complex world *Resilience in Action* Michael Ungar, Linda Liebenberg, 2008-01-01 Mental health specialists and researchers contend that the development of resilience in youth is facilitated at several levels Relational cultural individual and governmental factors all have a strong influence over the mental well being of young people Resilience in Action looks at youth interventions with a view to fostering resilience in those living in adverse situations and conditions In order to provide a practical approach to the issue the essays in this volume explore the components of successful interventions encouraging the transmission of effective practices from one community to another across borders It is organized into four sections each dealing with a different aspect of work with at risk youth The first section focuses on individual health and the ways in which intervention and therapy strengthen personal resources The second section explores the dynamics of interventions in relation to specific contexts and localized relationships emphasizing holistic approaches to youth work A review of the cultural relevance of resilience follows in section three and the fourth considers ways of increasing the accessibility to resources that encourage healthy development Featuring contributors from a variety of academic and cultural backgrounds Resilience in Action offers diverse answers to many of the persistent questions mental health professionals ask regarding how to enhance resilience Linking Health and Education for African American Students' Success Nadine M. Finigan-Carr, 2017-03-16 The linkages between a student s health and a student s ability to learn have been well established Children who are sick stay home and children at home cannot learn if they are not in school leading to increased dropout rates among other educational outcomes However an understanding of this concept is just the beginning of understanding how education and public health are inextricably linked In light of this Linking Health and Education for African American Students Success examines health disparities and education inequities simultaneously and moves beyond a basic understanding of health and education in K 12 school programs The structural inequalities which lead to reduced academic attainment mirror the social determinants of health Education is one of the most powerful determinants of health and disparities in educational achievement as a result of structural inequalities closely track disparities in health These disparities lead to both sub standard healthcare and reduced academic attainment among children from underserved minorities in the United States especially African Americans This book discusses how this may result in children with poorer mental health outcomes higher school dropout rates increased risks of arrests and incarceration higher rates of chronic diseases and mortality and overall diminished opportunities for success while providing suggestions as to how to address these issues This results in an insightful read for researchers academics and practitioners in the fields of healthcare and education **Books In Print 2004-2005** Ed Bowker Staff, Staff Bowker, Ed, 2004 **Risk and Resilience** Richard Velleman, Jim Orford, 2013-01-11 Risk and Resilience looks at the issue of young adults who grew up in families where a parent and sometimes both had a drinking problem Alcohol related problems are now recognized as being near the very top of the world league table of health and social problems Since the large

majority of problem drinkers are adults aged between 22 and 55 many are parents with children or adolescents in their care In the USA alone there are estimated to be over six million children under the age of 18 living with a parent with a drinking problem and over 22 million adults one in every eight American adults who were brought up with a parent who had a drinking problem Clearly many children who grow up in this sort of environment have a difficult childhood Velleman and Orford examine the question of what happens to such children when they grow up Risk and Resilience focuses on three main themes What is the likelihood of such young adults developing drinking problems themselves Wha

Counseling Individuals Through the Lifespan Daniel W. Wong, Kimberly R. Hall, Cheryl A. Justice, Lucy Wong Hernandez, 2015-01-06 Anchored in the CACREP accreditation standards this third book in the Counseling and Professional Identity series provides counselors and human service professionals with a solid foundation to understand lifespan developmental theory and apply these constructs to clients in counselling at various stages Each chapter in the book is divided into a 3 step method starting with a description of the theoretical content followed by clinical illustrations and finishing with a complex case study with the distinctive counselor thinking feature accompanied by guided practice exercises The book will also emphasize self reflection to help students learn experientially as they move through the text

The Resilient Self Steven J. Wolin, M.D., Sybil Wolin, Ph.D., 2010-05-19 An informative and inspiring guide to rebounding from childhood hardships to find uncommon strength and courage The Resilient Self reminds us all of the importance of being aware of and building on the strengths of our young people whatever their early life experiences We must work to give them hope and to craft services and programs that are respectful of the resiliencies so thoughtfully characterized by the Wolins This guide although based on the experiences of adults offers extremely useful insights too for those working on behalf of children and adolescents Marian Wright Edelman president Children s Defense Fund This book offers a strong sense of hope for everyone who has grown up in a troubled family I salute the authors for their masterful synthesis of research clinical experiences and insights gleaned from the voices of poetry The Wolins book cautions the reader that no one emerges from troubled childhood without some scars but it challenges us to find ways in which we can transform pain into joy in our lives Emmy E Werner Ph D author of Vulnerable But Invincible and Overcoming the Odds This marvelous book can turn the tide for people injured during their childhoods not by ignoring the ashes of the past but by winnowing out the precious elements from which the phoenix can triumphantly rise It is a book that has been badly needed and for which many will long be grateful Timmen L Cermak M D former chairman National Association for Children of Alcoholics At last a compassionate and realistic challenge to abandon the idea that one is a passive object of an unhappy childhood The Resilient Self encourages readers to recognize and appreciate their strong insightful and creative survival Barbara Mathis author of Between Sisters Secret Rivals Intimate Friends The Resilient Self shows adult children of dysfunctional families that they can escape a painful past and become resilient survivors It describes the strategies which have been used successfully by those who grew up in troubled homes but who managed to work well

play well and love well as adults I recognized myself in this book with a survivor's pride Anonymous survivor *Young Adult Mental Health* Jon E. Grant, Marc N. Potenza, 2010 Book title provides researchers and clinicians with a clear understanding of the developmental clinical and socio cultural features of mental health unique to young adults and how this developmental period influences clinical assessment and treatment Book jacket *The SAGE Encyclopedia of Marriage, Family, and Couples Counseling* Jon Carlson, Shannon B. Dermer, 2016-10-11 The SAGE Encyclopedia of Marriage Family and Couples Counseling is a new all encompassing landmark work for researchers seeking to broaden their knowledge of this vast and diffuse field Marriage and family counseling programs are established at institutions worldwide yet there is no current work focused specifically on family therapy While other works have discussed various methodologies cases niche aspects of the field and some broader views of counseling in general this authoritative Encyclopedia provides readers with a fully comprehensive and accessible reference to aid in understanding the full scope and diversity of theories approaches and techniques and how they address various life events within the unique dynamics of families couples and related interpersonal relationships Key topics include Assessment Communication Coping Diversity Interventions and Techniques Life Events Transitions Sexuality Work Life Issues and more Key features include More than 500 signed articles written by key figures in the field span four comprehensive volumes Front matter includes a Reader's Guide that groups related entries thematically Back matter includes a history of the development of the field a Resource Guide to key associations websites and journals a selected Bibliography of classic publications and a detailed Index All entries conclude with Further Readings and Cross References to related entries to aid the reader in their research journey *The Science of Romantic Relationships* Theresa DiDonato, Brett Jakubiak, 2023-08-31 Why do people fall in love Does passion fade with time What makes for a happy healthy relationship This introduction to relationship science follows the lifecycle of a relationship from attraction and initiation to the hard work of relationship maintenance to dissolution and ways to strengthen a relationship Designed for advanced undergraduates studying psychology communication or family studies this textbook presents a fresh diversity infused approach to relationship science It includes real world examples and critical thinking questions callout boxes that challenge students to make connections and researcher interviews that showcase the many career paths of relationship scientists Article Spotlights reveal cutting edge methods while Diversity and Inclusion boxes celebrate the variety found in human love and connection Throughout the book students see the application of theory and come to recognize universal themes in relationships as well as the nuances of many findings Instructors can access lecture slides an instructor manual and test banks **Paths to Successful Development** Lea Pulkkinen, Avshalom Caspi, 2002-04-04 The influence of the lifespan approach has been an important feature of recent research in developmental psychology as has a growing interest in the relationship between personality and development This important new book edited by two distinguished psychologists explores the relationship between personality and development from a life course perspective The book presents current

theoretical approaches and new empirical findings from ongoing studies conducted by leading researchers in North America and Europe It is unique in focussing on successful personality development where developmental psychology in the past seems to have focussed almost entirely on problem behaviour and risk of maladaptation The book has a multidisciplinary appeal and will be of interest to students and researchers in the fields of developmental psychology adult development and aging and personality and social psychology *Well-being in Asia* Martijn Burger, Nicholas Pang, 2025-09-18 Over the past decades the literature on happiness and well being has been booming Whereas the first studies in the field predominantly focused on Western nations nowadays an increasing number of studies address happiness and well being in other countries This Research Topic focuses on the determinants of happiness and well being and their consequences in the Asian context The collection is associated with the The International Society for Quality of Life Studies ISQOLS and will focus on the 2024 conference being held in Malaysia and the central theme of Well Being in Asia The International Society for Quality of Life Studies ISQOLS aims to promote research on quality of life well being and happiness as well as to provide evidence based support for designing and implementing well being policies Annual conferences constitute a central instrument in attaining the Society's goals ISQOLS looks for organizing highly productive but friendly and relaxed conferences that allow for scholars and practitioners to enrich their own research and practices by meeting and exchanging ideas findings and experiences ISQOLS conference participants usually come from all corners of the world and from many disciplines

Handbook of Early Childhood Intervention Jack P. Shonkoff, Samuel J. Meisels, 2000-05-22 Eighteen new chapters have been added to the 2000 edition of this valuable Handbook which serves as a core text for students and experienced professionals who are interested in the health and well being of young children It serves as a comprehensive reference for graduate students advanced trainees service providers and policy makers in such diverse fields as child care early childhood education child health and early intervention programs for children with developmental disabilities and children in high risk environments This book will be of interest to a broad range of disciplines including psychology child development early childhood education social work pediatrics nursing child psychiatry physical and occupational therapy speech and language pathology and social policy A scholarly overview of the underlying knowledge base and practice of early childhood intervention it is unique in its balance between breadth and depth and its integration of the multiple dimensions of the field

Sourcebook of Family Theory and Research Vern L. Bengtson, 2005 Now available in paperback for classroom use This comprehensive text provides a rich source of perspectives on theorising about the family for scholars researchers and students Another of the book's strengths is the emphasis on multimethod approaches in family research The book covers an impressive range of topics and issues marital happiness adjustment of children in divorce marriages gay marriage sibling ties ethnic families of colour stepfamilies aggression culture work and family religion and social policy to name a few In summary this superb volume is highly recommended and amply reflects the many contemporary perspectives on the family Philip

Siebler Monash University Victoria Sponsored by the National Council on Family Relations the Sourcebook of Family Theory and Research is the reference work on theory and methods for family scholars and students around the world This volume provides a diverse eclectic and paradoxically mature approach to theorizing and demonstrates how the development of theory is crucial to the future of family research The Sourcebook reflects an interactive approach that focuses on the process of theory building and designing research thereby engaging readers in doing theory rather than simply reading about it An accompanying website offers additional participation and interaction in the process of doing theory and making science Editors Vern L Bengtson Alan C Acock Katherine R Allen Peggye Dilworth Anderson and David M Klein have brought together a prominent group of diverse contributors ranging in race and ethnicity age and seniority and gender and sexual orientation The Sourcebook begins with a section that sets the context for future family research The subsequent sections explore changing family patterns changing family interactions within and across generations and families and larger social forces A concluding section discusses issues of teaching family theories and research Key Features Focuses on the process rather than the outcomes of family theory and research methods Emphasizes the value of multi methods approaches in family research by integrating theory development with the development of research methods Differs from many other publications on family research by describing the development of new ideas rather than just summarizing existing findings The interactive Web site and the special feature boxes within the chapters engage readers with theory and methodology Boxed features include Case Studies Spotlights on Theory Spotlights on Methods and a Discussion and Extension sections Represents a Who's Who of family researchers with contributions from many of the best researchers in the family realm The Sourcebook will be an excellent addition to any academic library It is an authoritative reference for scholars and researchers in Human Development and Family Studies Sociology Social Work and Psychology In addition the Sourcebook can also be used in graduate courses on family theory and methodology

Strengthening Family Resilience, Second Edition Froma Walsh, 2011-09-16 This informative clinical resource and text presents Froma Walsh's family resilience framework for intervention and prevention with clients dealing with adversity Drawing on extensive research and clinical experience the author describes key processes in resilience for practitioners to target and facilitate Useful guidelines and case illustrations address a wide range of challenges sudden crisis trauma and loss disruptive transitions such as job loss divorce and migration persistent multistress conditions of serious illness or poverty and barriers to success for at risk youth New to this edition reflects research and practice advances chapter on resilience oriented approaches to recovery from major disasters chapter on applications in community based programs and international contexts
