*Narcoepics* Hermann Herlinghaus, 2013-02-14 *Narcoepics* Unbound foregrounds the controversial yet mostly untheorized phenomenon of contemporary Latin American narcoepics Dealing with literary works and films whose characteristics are linked to illicit global exchange informal labor violence bare life drug consumption and ritualistic patterns of identity it argues for a new theoretical approach to better understand these narratives of intoxication Foregrounding the art that has arisen from or seeks to describe drug culture Herlinghaus comparative study looks at writers such as Guti rrez J J Rodr guez Reverte films such as *City of God* and the narratives surrounding cultural villains heroes such as Pablo Escobar *Narcoepics* shows that that in order to grasp the aesthetic and ethical core of these narratives it is pivotal first to develop an aesthetics of sobriety The aim is to establish a criteria for a new kind of literary studies in which cultural hermeneutics plays as much a part as political philosophy analysis of religion and neurophysiological inquiry

**Commodifying Violence in Literature and on Screen** Alejandro Herrero-Olaizola, 2021-10-18 This book traverses the cultural landscape of Colombia through in depth analyses of displacement local and global cultures human rights abuses and literary and media production Through an exploration of the cultural processes that perpetuate the darker side of Latin America for global consumption it investigates the condition that has led writers filmmakers and artists to embrace purposefully or not the incessant violence in Colombian society as the

object of their own creative endeavors In this examination of mass marketed cultural products such as narco stories captivity memoirs gritty travel narratives and films Herrero Olaizola seeks to offer a hemispheric approach to the role played by Colombia in cultural production across the continent where the illicit drug trade has made significant inroads To this end he identifies the Colombian condition within the parameters of the global economy while concentrating on the commodification of Latin America s violence for cultural consumption The Open Access version of this book available at <http://www.taylorfrancis.com> has been made available under a Creative Commons Attribution Non Commercial No Derivatives 4.0 license

*Narrating Narcos* Gabriela Polit Dueñas, 2013-10-18 *Narrating Narcos* presents a probing examination of the prominent role of narcotics trafficking in contemporary Latin American cultural production In her study Gabriela Polit Dueñas juxtaposes two infamous narco regions Culiacan Mexico and Medellin Colombia to demonstrate the powerful forces of violence corruption and avarice and their influence over locally based cultural texts Polit Dueñas provides a theoretical basis for her methods citing the work of Walter Benjamin Pierre Bourdieu and other cultural analysts She supplements this with extensive ethnographic fieldwork interviewing artists and writers their confidants relatives and others and documents their responses to the portrayal of narco culture Polit Dueñas offers close readings of the characters language and milieu of popular works of literature and the visual arts and relates their ethical and thematic undercurrents to real life experiences In both regions there are few individuals who have not been personally affected by the narcotics trade Each region has witnessed corrupt state police and paramilitary actors in league with drug capos Both have a legacy of murder Polit Dueñas documents how narco culture developed at different times historically in the two regions In Mexico drugs have been cultivated and trafficked for over a century while in Colombia the cocaine trade is a relatively recent development In Culiacan characters in narco narratives are often modeled after the serrano highlander a romanticized historic figure and sometime thief who nobly defied a corrupt state and its laws In Medellin the oft portrayed sicario assassin is a recent creation an individual recruited by drug lords from poverty stricken shantytowns who would have little economic opportunity otherwise As Polit Dueñas shows each character occupies a different place in the psyche of the local populace *Narrating Narcos* offers a unique melding of archival and ground level research combined with textual analysis Here the relationship of writer subject and audience becomes clearly evident and our understanding of the cultural bonds of Latin American drug trafficking is greatly enhanced As such this book will be an important resource for students and scholars of Latin American literature history culture and contemporary issues
