Book Reviews ,1900 *The Era Magazine* ,1905 *Tristram Lacy* William Hurrell Mallock,1899 **The Chap-book**
Herbert Stuart Stone,1896 **The Trail of the Goldseekers** Hamlin Garland,1899 *The Significant* Hamlin Garland
Donald Pizer,2014-10-15 The *Significant* Hamlin Garland collects the best of Donald Pizer s essays dealing with Garland s
early work and activities in an effort to re establish the importance of this formative stage in his career The essays in the first
part of the book are devoted to Garland s radical economic and artistic beliefs and activities while those in the second half
concentrate on his most permanent work of the period *Main Travelled Roads* his novel *Rose of Dutcher s Coolly* and his
autobiography *A Son of the Middle Border* **The Reference Catalogue of Current Literature** ,1902 **The Literary**
World ,1896 **Encyclopedia of the Chicago Literary Renaissance** Jan Pinkerton,Randolph H. Hudson,2009 The
Chicago Renaissance began in the early 1900s and lasted until approximately 1930 The leading writers of the period
including Theodore Dreiser *Sister Carrie* **The works of G.J. Whyte-Melville, ed. by H. Maxwell** George John
Whyte-Melville,1901 **Patriarchy in Eclipse** Patrick J. Quinn,2015-10-05 There can be little doubt that after the American
Civil War a significant number of largely urban American women s relationships with men began to change This transition
was brought about through many changing conditions in American society that were predicated by socio economic
considerations such as female education large scale immigration from Europe which challenged traditional American values
the onset of large scale consumerism and the erosion of the narrow religious moralism which previously restricted the female
role in a burgeoning urban landscape This book examines one particular manifestation of upheaval in American society the
appearance in literature and art of two distinct types of women who challenged the dominant patriarchal culture from the
Civil War to just after the conclusion of World War One The book looks primarily at the literary depiction of the femme fatale
and the New Woman and also dedicates chapters to their influences in fine art and music The question as to why these two
female types precipitated so much intellectual and artistic angst in their educated male readers is further considered The
book traces these two distinct categories of heroines as they make inroads into the preserve of male domination and
examines the various defenses male writers and artists used to slow down the pace of female emancipation both sexually and
socially Along the way the book looks at the way in which the 1893 Columbian Exhibition in Chicago unexpectedly
encouraged further female advancement how Wagner s operas gave women greater confidence toward self fulfillment and
how Otto Weininger s outrageous teachings managed to stem the tide of American female emancipation for a short time The
book surveys how the appearance of the Gibson Girl the bicycle and even the advent of bloomers were depicted in literature
and supported the advent of this New Woman until she was grudgingly accepted despite philosophical warnings that the
female agenda included a plan to destroy masculinity and make men subservient to the female rule The book concludes with
a discussion of F Scott Fitzgerald s *The Beautiful and the Damned* where the reader observes the complete destruction of the

decadent inclined Anthony Patch by a siren with no heart or introspection of Iowa,1897 **Walt Whitman of Mickle Street** Geoffrey M. Sill,1994 **WLA** ,1999 Biennial Report State Library

Spears,1997-01-01 Drawing on sources such as diaries advice manuals and autobiographies this work shows how travelling salesmen from the early 18th century to the 1920s shaped the customs of life on the road and helped to develop the modern consumer culture in the United States *Historical Records of the XIII Madras Infantry* ,1898 **Lockhart's Advance**
