Armenian Legends and Poems Zabelle C. Boyajian, 2020-09-28 **Vogue**, 1929 The It Girl and Me Laini Giles, 2017-03-25 Daisy DeVoe has left her abusive husband her father has been pinched for bootlegging and she is embarrassed by her rural Kentucky roots But on the plus side she is climbing the ladder in the salon of Paramount Pictures styling hair for actress Clara Bow Clara is a handful The It Girl of the Jazz Age personifies the new woman of the 1920s onscreen smoking drinking bootleg hooch and bursting with sex appeal But her conduct off the set is even more scandalous Hoping to impose a little order on Clara's chaotic life Paramount persuades Daisy to sign on as Clara's personal secretary Thanks to Daisy Clara's bank account is soon flush with cash And thanks to Clara Daisy can finally shake off her embarrassing past and achieve respectability for herself and her family The trouble begins when Clara's newest fiancé cowboy star Rex Bell wants to take over and he and Daisy battle for control Torn between her loyalty to Clara and her love for her family Daisy has to make a difficult choice when she ends up in the county jail Here Daisy sets the record straight from her poverty-stricken childhood to her failed marriage from a father in San Quentin to her rollercoaster time with Clara leaving out none of the juicy details **Fair Tomorrow** Emilie Loring, 2022-08-01 In *Fair Tomorrow* Emilie Loring intertwines themes of romance and personal growth within the richly textured backdrop of early 20th century America The narrative follows the journey of its protagonist who navigates the complexities of love ambition and societal expectations Loring's fluid prose and vivid characterizations draw readers into a world where emotional resilience triumphs over adversity The book reflecting the post World War I era's hopeful ethos is marked by its optimistic outlook exploring the interplay of fate and free will in the shaping of one's destiny Emilie Loring a pioneer in American women's literature wrote during a time when women's roles were evolving Her personal experiences including traveling and engaging with diverse social circles provided rich material for her characters development Loring's affinity for crafting strong independent female leads showcases her commitment to exploring women's agency during a period of societal transition Her novels often infused with her own philosophies on love and life resonate strongly with readers seeking both inspiration and escapism *Fair Tomorrow* is a compelling read for those who appreciate character-driven narratives steeped in emotional depth Loring's masterful storytelling invites readers to reflect on their own experiences of love and hope making it a timeless addition to the literary canon This book is a heartfelt reminder that the future is always ripe with possibilities *The Collected Novels Volume One* Taylor Caldwell, 2017-09-05 A collection of New York Times bestselling novels about wealth power ambition and the American Dream from a wonderful storyteller A Scott Berg From one of the most prolific and widely read authors of the twentieth century these three mesmerizing turn of the century sagas are now available in one volume *Captains and the Kings* Joseph Francis Xavier Armagh is twelve years old when he gets his first glimpse of the promised land through a dirty porthole on an Irish immigrant ship In America his long journey will eventually catapult him from the bigoted small town of Winfield Pennsylvania to the

highest echelons of society and grant him entry into the most elite political circles And even as misfortune follows the Armagh family like an ancient curse Joseph will exact his revenge against the uncaring world that once took everything from him settling for nothing less than the pinnacle of glory the crowning of his son as the first Catholic president of the United States Sweeping from the 1850s through the 1920s this spellbinding tale was the basis for the 1976 Emmy Award winning television miniseries Hartford Courant Testimony of Two Men Hambleton Pennsylvania is still reeling from the sensational murder trial that shattered the peace of the bucolic hamlet less than a year ago Accused of killing his beautiful young wife Dr Jonathan Ferrier hired the best attorneys money could buy and was acquitted Many townspeople believe he bought his freedom but Robert Morgen a young idealistic doctor is determined to make up his own mind about the accused s innocence or guilt Is Dr Ferrier a cold blooded murderer or a brilliant physician unjustly accused and wrongly maligned This powerful story touches on faith religion and the then new field of mental health as it explores the evolution of modern medicine The Sound of Thunder The son of a socialist German shopkeeper Edward Enger has one dream to turn his father s modest delicatessen into an empire With an astute head for business he achieves success beyond his wildest imagination Yet something is keeping him from enjoying his extraordinary good fortune As a boy Edward thought he would love Margaret Proster all the days of his life until she moved away Now she is engaged to another man someone very close to Edward He vows to take on this latest challenge along with more mortgages more debt and speculative investments on Manhattan s burgeoning Wall Street As his family life begins to unravel a day of reckoning nears Soon Edward will have to confront a painful event from his boyhood a secret buried deep inside that he has never told another living soul

eighties a doughty warrior against creeping modernity and mediocrity She has the warmest of hearts She is the coolest of strategists It is a joy to see her do battle Secure in her Victorian mansion in her Pennsylvania town flying her flag in defense of principle and old time decorum she takes on and outclasses the mighty coal company she s caught them cheating on taxes civilizes her roughhewn young doctor good character is no license for crudity copes patiently family obligations are sacred with the poor old cousin who is a tidal wave of garrulous idiocy stands firm against the poisonous cousin who is a knot of destructive envy puts herself gently at the service of a sweet young cousin who cannot decide among her eligible beaux All around her in her house in her memories the past swirls But Miss Alexandria lives in the now She hopes out of courtesy to her heirs to die when her stocks are up She tells the truth to those who can bear it most especially to herself She has learned from the Southern belle who was her mother to love the graces of life and from the mining potentate who was her father to give no quarter to foolish circumstances Even on her deathbed Miss Alexandria who has warned the officious clergyman that she won t have anyone praying aloud over her wins a gallant victory Like her dear ones and her adversaries her servants and her fellow townspeople the reader will take his hat off to the Aristocrat She is the last of her kind *Keith's Magazine for Home Builders* ,1924 **Keith's Magazine on Home Building** ,1925 **The Sound of Thunder** Taylor Caldwell,2016-11-15
