Beauty's Curse C. S. Johnson, 2016-01-20 I have better things to do Like what Rose asked Waste your life on a fool's journey under a silly girl's orders I have never considered saving your life to be the same as wasting mine Rosary He came and stood in front of her the ease of his presence replaced by an unusual heat rather than familiar warmth Rose had never before been bothered by the six inches he stood taller than her but all of a sudden the shadow of his strength imposed itself on her The cursed beauty of the moonlight revealed the clarity and sharpness of his eyes as she gazed up at him What if you did waste your life though What if If I have wasted my life I have wasted it on you Willingly For four years Princess Aurora of Rhone Rose to her friends has searched the world for a way to break the curse placed on her by Magdalina the wicked ruler of the fairies at war with her kingdom Under the curse Rose is doomed to die on her eighteenth birthday after pricking her finger on the spindle of a spinning wheel And time is running out On the eve of her seventeenth birthday Rose makes the journey home with her friends Theo a priest with a penchant for revenge Mary a young and talented fairy and Ethan and Sophia siblings with a troubled past as pressure from her father King Stefanos leaves her with two equally unsatisfying options Abdicate the throne or get married Enjoy this novella series retelling of the Sleeping Beauty with new characters new plot twists and plenty of action and adventure Perfect for teen and young adult historical fantasy readers and check out Part II Beauty's Quest as the story continues

Wilmington Records of Births, Marriages and Deaths, from 1730 to 1898 Wilmington (Mass. : Town),James Edward Kelley,1898 The River of Shadows Robert V. S. Redick,2011-04-19 In the gripping sequel to Robert V S Redick s acclaimed epic fantasy novels The Red Wolf Conspiracy and The Ruling Sea the crew of the vast ancient ship Chathrand have reached the shores of the legendary southern empire of Bali Adro Many have died in the crossing and the alliance of rebels led by the tarboy Pazel Pathkendle and the warrior Thasha Isiq has faced death betrayal and darkest magic But nothing has prepared them for the radically altered face of humanity in the South They have little time to recover from the shock however For with landfall the battle between the rebels and centuries old sorcerer Arunis enters its final phase At stake is control of the Nilstone a cursed relic that promises unlimited power to whoever unlocks the secrets of its use but death to those who fail And no one is closer to mastering the Stone than Arunis Desperate to stop him Pazel and Thasha must join forces with their enemies including the depraved Captain Rose and the imperial assassin Sandor Ott But when a suspicious young crewmember turns his attentions to Thasha it is the young lovers themselves who are divided most conveniently for Arunis As the mage s triumph draws near the allies face a terrible choice to break their oaths and run for safety or to hunt the world s most dangerous sorcerer through the strange and deadly dream kingdom known as the River of Shadows and to face him a last time among the traps and horrors of his lair Brimming with high adventure dark enchantment and unforgettable characters The River of Shadows deftly secures Redick s place in the ranks of epic fantasy s most original and enthralling storytellers **Moving Difference** Angelo Martins Junior,2020-07-21 Moving Difference demonstrates how differences

between migrants who share the same nationality travel with them and can impact on every aspect of their mobile lives. Analysing the lived experiences and narratives of Brazilians in London it adds an in depth ethnographic understanding of the specific contours of difference to studies of migration by demonstrating how social differences rooted in colonial legacies are constantly being re created and negotiated in the everyday making of the global world. By using ethnographic observations and in depth interviews in addition to historical and contextual analyses the book allows us to understand how people speak of engage with and negotiate difference in their everyday lives and how this is shaped by the macro political and social contexts of immigration and emigration. Giving attention to the complex interrelations between here and there past and present this book allows us to go beyond the proliferated homogenised stereotypes of the migrant and the migrant community often reproduced by academics as well as by the media and politicians whether with a view to pathologising or romanticising the migrant other. This title will appeal to students scholars community workers and general readers interested in migration social class gender race and ethnicity colonialism and slavery social exclusion globalisation and urban sociology.
