Rose Without Thorns:

The Rose Without Thorns Juwairiyah Kashif, 2023-08-18 A mysterious island is brought into chaos when a unique presence is gone missing Who has taken it And why are the islanders distraught Follow the islanders as the chaos unfolds and see if there s any hope for redemption Will they have a saviour or are they doomed Open the book and see what secrets the mysterious island holds and how the unique presence that was keeping them afloat truly is one in a gazillion This Gothic thriller has all the punchiness to keep you breathless And all the mystery to keep you on your toes The whole world chaos of 2019 s Covid situation and that year s Halloween inspired the author to portray her feelings and thoughts about the world around her within her own fictional setting and scenario Don t be fooled into thinking it s a medical emergency themed book because it s anything but

Early American Proverbs and Proverbial Phrases Bartlett Jere Whiting, 1977 p B J Whiting savors proverbial expressions and has devoted much of his lifetime to studying and collecting them no one knows more about British and American proverbs than he The present volume based upon writings in British North America from the earliest settlements to approximately 1820 complements his and Archer Taylor s Dictionary of American Proverbs and Proverbial Phrases 1820 1880 It differs from that work and from other standard collections however in that its sources are primarily not literary but instead workaday writings letters diaries histories travel books political pamphlets and the like The authors represent a wide cross section of the populace from scholars and statesmen to farmers shopkeepers sailors and hunters Mr Whiting has combed all the obvious sources and hundreds of out of the way publications of local journals and historical societies This body of material because it covers territory that has not been extracted and compiled in a scholarly way before can justly be said to be the most valuable of all those that Whiting has brought together according to Albert B Friedman What makes the work important is Whiting s authority a proverb or proverbial phrase is what BJW thinks is a proverb or proverbial phrase There is no objective operative definition of any value no divining rod his tact feel experience determine what s the real thing and what is spurious

The Imperial Script of Catherine the Great Vera Proskurina, 2022-06-23 Empress Catherine II produced a body of written material so vast and diverse that it seems impossible to provide a general characterization of the works contained in the authoritative twelve volume collection assembled by A N Pypin from handwritten source material This book does not attempt an all embracing review of Catherine s entire literary output which consists of works in multiple genres and languages The Russian empress s writings have been the repeated subject of serious analysis for nineteenth and twentieth century researchers all of these in one way or another demonstrate that across a variety of genres and formats with a greater

or lesser degree of independence and originality the literary works of Catherine II always express her politics and ideology These texts were carefully prepared their publications and stage productions executed magnificently As a rule the most significant works were translated into French German and in some cases English European readers as well as the Russian public were expected to be attentive witnesses to and happy consumers of the monarch's compositions Amongst rulers the literary productivity of the Russian empress has no analogue in history This volume is the first study in English of the vast literary output of Catherine the Great
