Klekovkina, 2017-07-28 *Entre Textes* introduces advanced students of French to the richness of the Francophone world through literature from the Middle Ages to the 21st century The course anthology is divided into fourteen modules each of which pairs a classical text with a modern one Students are guided to read works from different periods of time and cultural origin and consider how these echo complement or question each other Through comparing and contrasting the texts students will develop a new approach to reading literature while simultaneously reinforcing linguistic and cultural

competencies Suitable for advanced students of French and featuring texts from across the French speaking world *Entre Textes* is an innovative course anthology with a flexible structure and versatile methodology *The Concise Dictionary of Foreign Quotations* Anthony Lejeune, 2001 First Published in 2002 Routledge is an imprint of Taylor Francis an informa company Diary of the Dark Years, 1940-1944 Jean Guéhenno, 2014-05-28 Winner of the French American Foundation Translation Prize for Nonfiction Jean Guéhenno's *Diary of the Dark Years 1940-1945* is the most oft quoted piece of testimony on life in occupied France A sharply observed record of day to day life under Nazi rule in Paris and a bitter commentary on literary life in those years it has also been called a remarkable essay on courage and cowardice Caroline Moorehead *Wall Street Journal* Here David Ball provides not only the first English translation of this important historical document but also the first ever annotated corrected edition Guéhenno was a well known political and cultural critic left wing but not communist and uncompromisingly anti fascist Unlike most French writers during the Occupation he refused to pen a word for a publishing industry under Nazi control He expressed his intellectual moral and emotional resistance in this diary his shame at the Vichy government's collaboration with Nazi Germany his contempt for its falsely patriotic reactionary ideology his outrage at its anti-Semitism and its vilification of the Republic it had abolished his horror at its increasingly savage repression and his disgust with his fellow intellectuals who kept on blithely writing about art and culture as if the Occupation did not exist not to mention those who praised their new masters in prose and poetry Also a teacher of French literature he constantly observed the young people he taught sometimes saddened by their conformism but always passionately trying to inspire them with the values of the French cultural tradition he loved Guéhenno's diary often includes his own reflections on the great texts he is teaching instilling them with special meaning in the context of the Occupation Complete with meticulous notes and a biographical index Ball's edition of Guéhenno's epic diary offers readers a deeper understanding not only of the diarist's cultural allusions but also of the dramatic historic events through which he lived *Pascal and Theology* Jan Miel, 1969 Originally published in 1970 The question of man's freedom to exercise his will as active an issue among twentieth century philosophers and theologians as it was in the Jesuit and Jansenist camps known to Pascal is basic to this study Pascal's theological thinking which Professor Miel demonstrates to be the source of unity and coherence in virtually all phases of his thought is preoccupied by a concern for man's limitations In his analysis of Pascal's theology Miel is concerned not only with characterizing Pascal's theological position but also with evaluating it in terms of the history of the church In a concise and lucid review of the Christian doctrine of grace from the pre-Augustinians through the Renaissance the author identifies the intellectual theological atmosphere that created the need for Pascal's strong defense of Augustinian theology Miel considers Pascal's *crits sur la gr ce* *Lettres provinciales* and *Pensées* as well as shorter compositions and correspondence He establishes the content of Pascal's vision of grace and free will noting both its originality and its sense of history Most importantly he asserts that Pascal's affirmation of Jansenism predated his association with Port Royal and indeed was basic to all his adult

thought and work The author finds in the writings of Pascal a style that anticipates twentieth century theology a sophistication that belies charges of Pascal's theological naiveté and a concern to uphold rather than to undermine doctrinal traditions of the church     The Grove Companion to Samuel Beckett Chris Ackerley, S.
