Fragile Diplomacy Maureen Cassidy-Geiger,2007-01-01 While imported Chinese porcelain had become a valuable commodity in Europe in the seventeenth century local attempts to produce porcelain long remained unsuccessful At last the secret of hard paste porcelain was uncovered and in 1710 the first European porcelain was manufactured in Saxony Meissen porcelain still manufactured today soon ranked in value with silver and gold This thorough and lavishly illustrated volume explores the early years of Meissen porcelain and how the princes of Saxony came to use highly prized porcelain pieces as diplomatic gifts for presentation to foreign courts An eminent team of international contributors examines the trade of Meissen with other nations from England to Russia They also investigate the cultural ambience of the Dresden Court varying tastes of the markets the wide range of porcelain objects and their designers and makers Individual chapters are devoted to gifts to Denmark other German courts the Holy Roman Empire Italy France and other nations For every Meissen collector or enthusiast this book will be not only a treasured handbook but also a source of visual delight Rosenborg Palace Jørgen

translated by Charles Shaw. With the original Danish edition, containing 52 large wood-cuts Rosenborg Slot (COPENHAGEN),1868 *Anna of Denmark* Jemma Field,2020-06-11 Approaching the Stuart courts through the lens of the

queen consort Anna of Denmark this study is underpinned by three key themes translating cultures female agency and the role of kinship networks and genealogical identity for early modern royal women Illustrated with a fascinating array of objects and artworks the book follows a trajectory that begins with Anna s exterior spaces before moving to the interior furnishings of her palaces the material adornment of the royal body an examination of Anna s visual persona and a discussion of Anna s performance of extraordinary rituals that follow her life cycle Underpinned by a wealth of new archival research the book provides a richer understanding of the breadth of Anna s interests and the meanings generated by her actions associations and possessions The Deformation Susanna Berger,2025-07-29 A fascinating account of the use and meaning

of visual and spatial distortions in seventeenth century art and architecture During the Catholic Reformation patrons artists architects and viewers especially in Rome were strongly drawn to visual and spatial distortions or deformations works of art and architecture that were designed to be visually incomprehensible at least initially From Borromini s San Carlo alle

Quattro Fontane in Rome to the attention grabbing prospettiva in the city's Palazzo Spada and the anamorphoses that define the corridors and walls of Minim and Jesuit buildings The Deformation explores what this intriguing phenomenon reveals about contemporary religious belief optics and the natural sciences as well as wider questions about attention and discernment Failing to conform to an established ideal deformations required a reformation to achieve that ideal Anamorphic deformations for example could only be reformed into clarity when viewed from a particular angle or through a special mirror Susanna Berger examines how deformations were experienced by beholders and how they were embraced or opposed by critics The book shows how deformations and related works whether altar tabernacles ephemeral religious architecture churches monumental sundials colonnades with accelerated perspective illusionistic frescoes turned ivories or painted anamorphoses focused observers attention on theological mysteries and the social power and sophistication of patrons The book's rich illustrations include two gatefolds and some anamorphic images that can be seen without distortion by using an included reflective insert as a mirror Looking at writings as well as visual works in multiple artistic media not typically considered in relation to each other The Deformation offers a new interpretation of deformation that highlights the delay between perception and discernment

French Rococo Ébénisterie in the J. Paul Getty Museum Gillian Wilson, Arlen Heginbotham, 2021-03-30 The first comprehensive catalogue of the Getty Museum's significant collection of French Rococo ébénisterie furniture This catalogue focuses on French ébénisterie furniture in the Rococo style dating from 1735 to 1760 These splendid objects directly reflect the tastes of the Museum's founder J Paul Getty who started collecting in this area in 1938 and continued until his death in 1976 The Museum's collection is particularly rich in examples created by the most talented cabinet masters then active in Paris including Bernard van Risenburgh II after 1696 ca 1766 Jacques Dubois 1694 1763 and Jean-François Oeben 1721 1763 Working for members of the French royal family and aristocracy these craftsmen excelled at producing veneered and marquetry pieces of furniture tables cabinets and chests of drawers fashionable for their lavish surfaces refined gilt bronze mounts and elaborate design These objects were renowned throughout Europe at a time when Paris was considered the capital of good taste The entry on each work comprises both a curatorial section with description and commentary and a conservation report with construction diagrams An introduction by Anne Lise Desmas traces the collection's acquisition history and two technical essays by Arlen Heginbotham present methodologies and findings on the analysis of gilt bronze mounts and lacquer The free online edition of this open access publication is available at www.getty.edu/publications/rococo and includes zoomable high resolution photography Also available are free PDF EPUB and Kindle MOBI downloads of the book and JPG downloads of the main catalogue images

Early Professional Women in Northern Europe, c. 1650-1850 Johanna Ilmakunnas, Marjatta Rahikainen, Kirsi Vainio-Korhonen, 2017-07-06 This book focuses on early examples of women who may be said to have anticipated in one way or another modern professional and/or career oriented women The contributors to the book discuss women who may at least in some respect be seen as

professionally ambitious unlike the great majority of working women in the past In order to improve their positions or to find better business opportunities the women discussed in this book invested in developing their qualifications and professional skills took economic or other kinds of risks or moved to other countries Socially they range from elite women to women of middle class and lower middle class origin In terms of theory the book brings fresh insights into issues that have been long discussed in the field of women s history and are also debated today However despite its focus on women the book is conceptually not so much focused on gender as it is on profession business career qualifications skills and work By applying such concepts to analyzing women s endeavours the book aims at challenging the conventional ideas about them

Sculpture Collections in Europe and the United States 1500-1930 ,2021-04-26 Exploring the variety of forms taken by collections of sculpture this volume presents new research by twelve internationally recognized scholars The essays delve into the motivations of different collectors the modes of display and the aesthetics of viewing sculpture bringing to light much new archival material The book underscores the ambiguous nature of sculpture collections variously understood as decorative components of interiors or gardens as objects of desire in cabinets of curiosity or as autonomous works of art in private and public collections Emphasizing the collections and the ways in which these were viewed and described this book addresses a significant but neglected aspect of art collecting and contributes to the literature on this branch of art and cultural history This book evolved from a symposium Sculpture Collecting and Display 1600 2000 organized by the Center for the History of Collecting that was held at The Frick Collection on May 19 and 20 2017 Both the book and the symposium were made possible through the generous support of the Robert H Smith Family Foundation The book is published in association with The Frick Collection
