Roses are Forever Lucy Carter,2002-11-01 Escaping Shadows Kathleen Brooks,2023-04-25 Kordell King might act as if nothing ever bothers him but this small town sheriff s deputy knows something isn t right and it s eating him up The cute bartender he s longed for since she first moved to town is hiding something something she doesn t want anyone to know Georgina Grey wasn t who she said she was Her real last name was Greyson As much as her family ruled Martha s Vineyard and the world of pharmaceuticals she was just Georgie here in Shadows Landing And that was how she was going to stay until her family found her Trusting Kord with the truth gave Georgie more than an assurance that her potential death wouldn t be in vain It gives her a partner someone to help protect her as she stands against the storm However it also puts a target on Kord s life when he refuses to leave her to fight alone **Demorests' Monthly Magazine** ,1882 *Escaped* Kathleen Brooks,2025-10-24 Deep in the Amazon danger grows wilder than the jungle Forrest Townsend has engineered a revolutionary water filtration system that could solve global water shortages for the most rural populations To test it he heads into the heart of the Amazon Rainforest to help a remote tribe He expected the usual dangers of the jungle but he never expected bullets Jordana Alves came to the Amazon searching for more samples of a rare vine to make life saving medicine Instead she s kidnapped by a criminal group using their rainforest for their own illegal gains The daughter of the politician in charge of saving the Amazon Jordana is the perfect pawn Until she escapes straight into Forrest s arms One moment Forrest was celebrating the success of his new system The next a shoeless woman runs into him with gunfire close behind Now Jordana and Forrest have to dodge deadly wildlife angry criminals and their growing attraction to each other But the danger is far from over even when Forrest and Jordana make it to the small town of Shadows Landing Because some threats don t stay in the Amazon and sometimes things aren t what they seem **Rescued** Kathleen Brooks,2024-10-18 Kane Townsend was with the FBI Behavioral Analysis Unit until one case changed everything Hampered by the red tape preventing him from saving an innocent life Kane left the FBI and started his own private contracting company Kane was called in to rescue people all over the world when the government couldn t or wouldn t get involved Now headquartered in the small town of Shadows Landing Kane was called in to rescue a woman Little did he know this case would once again change everything Waverly Davenport was a Chief Science Officer in Charleston South Carolina She d developed a new technology that would disrupt the criminal world Waverly decided to take a well earned vacation before starting the long process of patenting and selling her technology The last thing Waverly expected at the five star resort was to be kidnapped and held for ransom while out on an excursion or to fall for the man sent to rescue her Kane thought the case would be over once he rescued Waverly Now they were on the run trying to make it back to South Carolina as the kidnappers pursued them As Kane and Waverly s hearts become involved so does the mystery of who is after Waverly and why Can Kane and Waverly discover the truth before it s too late **Shattered Lies** Kathleen Brooks,2017-10-19 The time has come to step out of the

shadows Valeria McGregor was a better shot a better fighter and smarter than everyone she'd ever gone up against as an agent for the DEA Then she'd uncovered illegal activity within her own organization and was fired as part of a cover up Valeria is offered a chance to get back in the game as part of a secret elite group reporting only to the president Valeria fully plans to find the men and women hell bent on ruling the world from the shadows but she also has revenge on the mind Valeria secretly left her new team thinking she could go undercover to get to the bottom of how the shadow group was funded Valeria discovered too late that when it comes to true evil it's best to face it with your team at your back Alone and on the run Valeria finds herself being hunted by some of the most dangerous people on the planet She has learned how the shadow group has been funded and what they have planned next but she still has to find out where before it's too late If the shadow group pulls off their next move then there may be no stopping them Grant Macay would do anything for his former Air Force Pararescue team leader Dalton Cage So when Dalton calls and invites Grant into the fold he doesn't hesitate to drop everything to rescue Valeria With her past at the DEA threatening her survival and the world's most vicious drug lord hunting her a feisty Valeria and Grant must make their way back to the team to prepare for the battle of their lives This woman is unlike anything he's experience before and it doesn't take long for the sparks to fly as well as bullets With time running out Grant could only hope he and Valeria would be the ones left standing

Heated Kathleen Brooks,2025-05-09 Wilder Townsend was just a small town guy when he left home for college in New York City He got a weekend job as a bouncer at the hottest nightclub in the city The rest is history He now owned a chain of the hottest most luxurious and exclusive nightclubs all over the world Everything was going great Wilder had moved to the small town of Shadows Landing to be closer to his family his new clubs were thriving and his family was happy until a phone call changed everything Someone was trying to ruin his clubs and Wilder had to find out who before he lost everything he's worked so hard to build Bexley Moretti had just been promoted to detective when she received her first undercover assignment Wilder Townsend's clubs were under investigation for serious crimes Her mission was to get close to the enigmatic boss of WET nightclubs a man who exuded charm and danger in equal measure and bring him to justice Only Bex's first undercover investigation wasn't what she expected She didn't expect to fall for Wilder She didn't expect the investigation to take a turn that landed her and Wilder in a

heated battle for their lives the clubs and their love And she certainly didn't expect what she found in Shadows Landing As they navigate the dangerous waters of their feelings and the investigation they find themselves in a struggle that tests their love their loyalty and their very lives Can Wilder and Bex discover the source of the danger or will they all get burned

Targeted Kathleen Brooks,2024-04-26 Hunter Townsend loves his new home in the small town of Shadows Landing It's his sanctuary when he comes home from a mission as part of his Special Forces team Maggie the infuriating monogram loving bright color wearing cuter than she should be woman who loves to tease him was the only issue in Shadows Landing Until a mission goes wrong Maggie Bell is an Olympic sharpshooter and is getting ready to go for the gold once again She loved nothing more than letting the handsome yet cocky Hunter put his foot in his mouth over and over again by not telling him she was a better shot than he was He just kept digging that hole and she just kept smiling While everyone groaned when Maggie and Hunter started verbally sparring Maggie loved it She'd earn Hunter's respect when he saw her win gold That is if anyone finally tells him she's in the Olympics But that all seems inconsequential when Shadows Landing becomes a target Now will Hunter and Maggie put their verbal sparring aside and find the threat before they end up in the crosshairs

Face-Off Kathleen Brooks,2023-10-24 Stone Townsend is the center for the pro hockey team in Charleston There are just a few things he's concerned with bringing his large family together again leading his new team to a championship and doing a lot of scoring on and off the ice Which is why it was the worst time to get an injury under new team management and a new coach Natalie Novak owns a new sports academy that trains and rehabilitates athletes She's also a former prima ballerina and daughter of Charleston's new hockey coach though no one knows it But there was a lot more going on behind her pretty costumes and flawless leaps including being thrown into the spy world when she was dancing in London She thought it would be simple enough to leap back out but her past is about to find her All Stone cared about was getting back into skating shape for the tournament But when the paradox of Natalie gets his attention he realizes there's a lot more to her than meets the eye including someone who wants to kill her With his heart and career in Natalie's hands he vows to protect her with his life

Lies Kathleen Brooks,2017-05-16 The secret is out Tate Carlisle had been the most popular up and coming television journalist until she'd been unfairly fired Now she'd been recruited to join an elite and well trained team to fight the secret group aiming to rule the world from the shadows Tate uses her own talents to uncover the true story Major pieces of the puzzle begin to fit together as more culprits are identified As she works through the investigation she quickly discovers the people in the shadows will stop at nothing to stay anonymous Birch Stratton's unlikely rise to be the most powerful man in

the country has placed him in a unique position to stop an anonymous group from stealing control of the government Birch was never meant to be president Instead the increasingly popular former Army Officer offering a new vision had been neutralized by those he believed to be his political allies when he was nominated and elected Vice President When the elected president unexpectedly dies Birch assumes the presidency and is thrust into the secret world of bribes extortion affairs and a battle for the soul of the United States Tate s new job as White House Press Secretary puts her in the line of fire from all sides When she and Birch find themselves falling for each other they are torn between their jobs duty and their hearts Split second decisions are now a matter of life and death but will the next lead story be about her death or those she cares about

The Shamrock ,1880 **Life Laughter Love** Rose Hart,2011-06-23 Trials and tribulations sometimes get in the way of life experiences This book of poetry describes my experiences in life with love laughter joy and tears Since my father was in the Army we had the chance to travel the world and see places that some people have only dreamed about Our travel took us through the United States in a car to Europe on a plane During my time in Germany I had the chance to meet a remarkable girl who took me on a tour of Europe one summer Following my father s retirement we had the opportunity to live on a big farm where we took care of the day to day challenges of dairy life Follow my life as I take you on a journey that will leave you with a mixture of the emotions I have felt my entire life

Guarding My Heart N.R.Hall , I lived with my head in the clouds I had who I thought was the man of my dreams I was getting the fairytale ending But then he broke me He smashed my heart into a million pieces My fairytale become a nightmare and now I wonder if I can ever get out of the darkness Katrina is getting everything she has ever wanted and about to marry the love of her life until she has a devastating wake up call Three years on and it all still effects her deeply Now only keeping men at arms length and only having one night stands so no one can get close Until Ryan bumps into her life the universe clearly having other ideas Katrina is taken back by his dazzling smile and cheeky personalty all the while she fears he is going to break down the things she has been guarding for years Will the troubles from her past keep Katrina from her happily ever after Or is she destined to repeat her past
