Socha, 2010-12-20 In spite of the relatively small number of people passing through its ranks the Marine Corps produce a disproportionate share of this country's leaders It is because Marines are different from the rest of the population They have a different mindset and handle problems in a different manner Above Beyond Former Marines Conquer the Civilian World profiles 87 former Marines who took that attitude and successfully applied it to the civilian sector As you read the stories collectively you will see a camaraderie of many ethnicities ages and personalities some you already know that make up the U S Marine Corps Read these pages and discover why Jim Lehrer of PBS NewsHour says There has never been a better testimony to the value of service in the Marine Corps than Above Beyond **Of Roses and Poets** J. Franklin Willis, 2006-06-16 *Of Roses and Poets* is a collection of photographic rose portraits and vintage poems The portraits are the work of J Franklin Willis and the poems date from the mid sixteenth century to the early twentieth century Also included is a brief exploration of rose mythology Greek Roman Hindu Arab Jewish and Christian Why roses and poems now In a time otherwise shattered by violence messages of beauty love and honor are whispered to the very soul of humanity through the presence of roses and the words of poets When images of terrorism flood the media we may find comfort in these verbal and visual images Some roses speak of beauty some of pride or even honor while others hold a mischievous quality that flirts with our essence Some

roses remind us of romances and lovers while poets gift us with words that bring to life emotions the vapors that inhabit the soul and the very spirit of humanity that can lift us above a sometimes cruel world This collection of poems has only two common qualities I like each poem and each poem speaks to something within me I hope these images and poems speak to something within you and you find your private conversation with this volume adds to your peace of mind **The Pacific**

Welch offer a personal in depth and entertaining account of some of the great stories gathered during their years as participants in one of the most important plant hunting efforts of the twentieth century the quest to save antique roses that disappeared from the market in a notoriously trend driven business By the 1950s almost exclusively modern roses those with one compact bloom at the top of a large stem were grown for the cut flower market The large rounded shrubs and billowy fence climbers known to our grandparents and great grandparents in the nineteenth and early twentieth centuries had been

reduced to this rather monotonous single style of plant Yet those roses of old still grew tough and persistent in farmyards cemeteries vacant lots and abandoned fields The rediscovery of these antiques and the subsequent movement to conserve them became the mission of rose rustlers dedicated rosarians who studied sought cut and cultivated these hardy survivors Here the authors chronicle their own origins adventures and discoveries as part of a group dubbed the Texas Rose Rustlers They present tales of the many efforts that have helped restore lost roses not only to residential gardens but also to commercial and church landscapes in Texas Their experiences and friendships with other figures in the heirloom rose world bring an insider's perspective to the lore of rustling the art of propagation and the continued fascination with the world's favorite flower
