André Carrel, 2011-02-25 Based on years of practical experience in small towns Carrel argues for municipal autonomy for turning what are now colonies of the federal and provincial orders of government into independent mature and fully democratic entities For Carrel the citizen is the sole legitimate source of political power and the best tool for citizen empowerment is the controversial tool of the referendum This is the story of how a small municipality broke the rules of local government It also recounts the author's irreverence for the status quo and his ideas on the rebuilding of citizenship at the community level British Columbia 100 Years Ago Fred Thirkell, Bob Scullion, 2002 In an era when picture postcards became a unique new way to call home they quickly established a role in enticing an ongoing parade of tourists to British Columbia This book features an impressive collection of black and white lithograph images that were sold to the public in the early twentieth century Documenting life in British Columbia during this period of time each image has a story to tell Collectively they define the state of affairs in B C a century ago The book is divided into geographic regions with an introductory article and map for each Fred Thirkell and Bob Scullion's previous book of postcard images *Postcards From the Past* 1996 won a City of Vancouver Heritage Award *Annual Report of the Minister of Mines for the Year Ending ...* British Columbia.
