## Rosss Girl:

The Gun Alley Tragedy: Record of the Trial of Colin Campbell Ross T. C. Brennan, 2022-07-21 The title of the book explains it all for this is in an account of what was called The Gun Alley Murder The incident is precipitated by the rape and murder of 12 year old Alma Tirtschke in Melbourne Australia in 1921 She was a schoolgirl who attended Hawthorn West High School and had last been seen alive close to a drinking establishment the Australian Wine Saloon under these circumstances her murder caused a sensation In the 2000s the case has become well known as a miscarriage of justice since Colin Campbell Eadie Ross the Australian wine bar owner convicted of the murder of a child was executed despite evidence of his innocence a perspective that this book s author concurs with even though it was published in 1922 *Iain Ross's Woman* Emilie Richards, 2016-12-12 Iain Ross s *Woman* by Emilie Richards Men of Midnight series New to e book a classic romance from USA Today bestselling author Emilie Richards Iain Ross has spent his life alone as the laird of a small Highland community Alone that is until he rescues a soaked half drowned Billie Harper from an icy loch Before he knows what s happening this earthy and utterly irresistible woman has turned his carefully guarded world upside down But Iain and Billie have history they don t even realize until it s almost too late An age old family curse threatens their love and even their lives Can they remain apart if it means saving themselves Or are they willing to face their fates as long as they re together Don t miss the other two books in the Men of Midnight series Duncan s *Lady* and MacDougall s *Darling* Originally published in 1995 **Catalog of Copyright Entries** Library of Congress. Copyright Office, 1969 Bad Girls at Samarcand Karin L. Zipf, 2016-04-04 Of the many consequences advanced by the rise of the eugenics movement in the early twentieth century North Carolina forcibly sterilized more than 2 000 women and girls in between 1929 and 1950 This extreme measure reflects how pseudoscience justified widespread gender race and class discrimination in the Jim Crow South In *Bad Girls at Samarcand* Karin L Zipf dissects a dark episode in North Carolina s eugenics campaign through a detailed study of the State Home and Industrial School in Eagle Springs referred to as Samarcand Manor and the school s infamous 1931 arson case The people and events surrounding both the institution and the court case sparked a public debate about the expectations of white womanhood the nature of contemporary science and medicine and the role of the juvenile justice system that resonated throughout the succeeding decades Designed to reform and educate unwed poor white girls who were suspected of deviant behavior or victims of sexual abuse Samarcand Manor allowed for strict disciplinary measures including corporal punishment in an attempt to instill Victorian ideals of female purity The harsh treatment fostered a hostile environment and tensions boiled over when several girls set Samarcand on fire destroying two residence halls Zipf argues that the subsequent arson trial which carried the possibility of the death penalty represented an important turning point in the public characterizations of poor white women aided by the lobbying efforts of eugenics advocates the trial helped usher in dramatic policy changes including the forced sterilization of female juvenile delinquents In addition to the interplay between gender ideals and the

eugenics movement Zipf also investigates the girls who were housed at Samarcand and those specifically charged in the 1931 trial She explores their negotiation of Jazz Age stereotypes their strategies of resistance and their relationship with defense attorney Nell Battle Lewis during the trial The resultant policy changes intelligence testing sterilization and parole are also explored providing further insight into why these young women preferred prison to reformatories A fascinating story that grapples with gender bias sexuality science and the justice system all within the context of the Great Depression era South Bad Girls at Samarcand makes a compelling contribution to multiple fields of study **Here to There** Dr.

EMMANUEL ANTHONY DAS,2021-08-30 The only difference was that he was HERE first and then travelled THERE he was unaware of the change What began as a pleasant journey ended up with him meeting her she offered him to spend the night which he did only to be found in the same position in a cemetery as he was sleeping close to her this time he was next to her grave In vain he wandered about looking for her He eventually lost his senses and life only to join her in eternal sleep A storey about terror murder haunting and strange encounters among other things **Job Corps Staff Newsletter** Job Corps (U.S.),1967 When We Have Sufficiently Tortured Each Other Martin Crimp,2019-01-31 Go on then lock the doors and see what happens Show me how much power you really have When We Have Sufficiently Tortured Each Other breaks through the surface of contemporary debate to explore the messy often violent nature of desire and the fluid complicated roles that men and women play Using Samuel Richardson s novel Pamela as a provocation six characters act out a dangerous game of sexual domination and resistance When We Have Sufficiently Tortured Each Other premiered at the National Theatre London in January 2019 *Leslie Stuart* Andrew Lamb,2020-10-28 Leslie Stuart 1864 1928 was a British songwriter best remembered as the composer of the hit show Florodora He began writing popular songs as a teenager first for blackface and vaudeville performers and eventually for more legitimate shows and revues Florodora 1899 written in collaboration with London s most fashionable librettist Owen Hall was a musical comedy sensation Its combination of the traditional slow love ballads and waltzes with more rhythmic and long lined numbers made it a worldwide success He continued to compose through the first decade of the 20th century laying the groundwork for the coming innovations in British and American musical theater The Jailer of Souls and Other Weird Tales Various,2023-07-10 The Jailer of Souls and Other Weird Tales is a compelling anthology that weaves together stories of psychological horror existential dread and the uncanny reflecting the literary traditions of early 20th century weird fiction Each tale delves into the depths of the human psyche exploring themes of isolation madness and the supernatural through a richly evocative prose style The collection draws from a multitude of voices capturing the zeitgeist of an era when literature began to question the boundaries of reality and the human condition pushing the reader towards a chilling understanding of what lurks beneath the surface of ordinary life The diverse group of authors featured in this anthology each with their unique backgrounds and influences creates a tapestry of narratives that echo the anxieties of their time Many were influenced by the rapid societal changes and the philosophical

questions posed by emerging modernist thought Their experiences from the turmoil of war to the disillusionment of civilization inform the dark imaginings that populate this collection transforming personal fears into universal tales of the uncanny I highly recommend *The Jailer of Souls and Other Weird Tales* to both aficionados of horror and newcomers to weird fiction This anthology not only provides a rich exploration of the genre but also serves as a mirror reflecting our deepest fears and curiosities These tales beckon readers to confront their own souls while navigating the eerie corridors of imagination
