Roswell The Next Chapter:

Open Your Eyes Drew Ryan Maras, 2010-05 The Apocalypse Armageddon Judgment Day Doomsday cataclysmic disasters on a Biblical scale the End of Days as we know it This book is your guide to navigating the revelation and the Rosetta Stone for deciphering this once every 25 800 year galactic alignment cycle set to commence on December 21 2012 Open Your Eyes To 2012 and Beyond will lay the foundation and build a framework around 2012 to help you ascertain the answers to the question that s synonymous with ambiguity When will the world as we know it end Open Your Eyes will literally do just that open your eyes and release you from your programmed mind in order to shed light and truth on controversial subjects bound together by fate not coincidence Part self help part current affairs this book provides an investigation of a myriad correlating prophecies and events that synergistically corroborate one another Each piece of the End of Days puzzle comes into view by the book s end to reveal a crystal clear picture of what is about to occur with our fragile world This complete picture will manifest an epiphany within you Many topics discussed here have remained undisclosed to the public are sensitive and not publicly indoctrinated Trained for war by the U S Marines Corps infantry and then turned pacifist author Drew R Maras raises the flag of awareness on the duality of man and the importance of peace So if you want some answers or just a provocative powerful ride this book is just for you **Vermejo Ranch** United States. Congress. Senate. Committee on Agriculture and Forestry. Subcommittee on Environment, Soil Conservation, and Forestry, 1972 **Intimate Alien** David J. Halperin, 2020-03-24 A voyage of exploration to the outer reaches of our inner lives UFOs are a myth says David J Halperin but myths are real The power and fascination of the UFO has nothing to do with space travel or life on other planets It s about us our longings and terrors and especially the greatest terror of all the end of our existence This is a book about UFOs that goes beyond believing in them or debunking them and to a fresh understanding of what they tell us about ourselves as individuals as a culture and as a species In the 1960s Halperin was a teenage UFOlogist convinced that flying saucers were real and that it was his life s mission to solve their mystery He would become a professor of religious studies with traditions of heavenly journeys his specialty With Intimate Alien he looks back to explore what UFOs once meant to him as a boy growing up in a home haunted by death and what they still mean for millions believers and deniers alike From the prehistoric Balkans to the deserts of New Mexico from the biblical visions of Ezekiel to modern abduction encounters Intimate Alien traces the hidden story of the UFO It s a human story from beginning to end no less mysterious and fantastic for its earthliness A collective cultural dream UFOs transport us to the outer limits of that most alien yet intimate frontier our own inner space [The Eastern Star](#), 1905 **The Psychology and Science of Pseudoscience** Terence Hines, 2025-03-12 This book provides a comprehensive review of numerous areas of pseudoscience and related pathological science It not only describes the factual bases for rejecting pseudoscientific claims but also emphasizes the psychological processes that lead to the acceptance of such claims This book is timely given the increase in misinformation over the past decade Using three

principles of cognitive psychology this book helps explain why people are hard wired to accept and continue to believe in pseudoscientific claims It provides up to date discussions of numerous paranormal and pseudoscientific topics including the usual suspects UFOs and alien abductions astrology cryptozoology and more but also belief in conspiracy theories laboratory parapsychology bogus forensic science techniques the pseudopsychologies of Freud medical fraud and the unethical practices of Big Pharma Older research that was foundational in the critical examination of several topics is woven throughout to situate them in a historical context

seek hypnotherapy encouragement from MUFON eventually inspired her to reclaim her lost memories What she uncovered was both extraordinary and unsettling vivid recollections of otherworldly beings invasive medical procedures and a deeper connection to ancient knowledge tied to her Rh negative blood and Basque ancestry These revelations unearthed profound questions about humanity s origins and our place in the cosmos Ali s experiences began to illuminate the intricate threads linking her soul to the wisdom of her ancestors and the greater truths hidden within the universe Through this journey she found herself confronting not only the unknown but also the resilience of faith and the interconnectedness of all life More than a memoir Sawubona is a call to reflect on the extraordinary hidden within the ordinary The title derived from the Zulu greeting meaning I see you is a reminder to look deeper into ourselves our history and the universe Ali s story is both a testament to courage and a warning the universe holds secrets that may reshape everything we think we know For those intrigued by the unexplained the enduring strength of the human spirit and humanity s shared destiny Sawubona offers an unforgettable journey into the mysteries of existence

The Great Prostate Hoax Richard J. Ablin, Ronald Piana, 2014-03-04 Every year more than a million men undergo painful needle biopsies for prostate cancer and upward of 100 000 have radical prostatectomies resulting in incontinence and impotence But the shocking fact is that most of these men would never have died from this common form of cancer which frequently grows so slowly that it never even leaves the prostate How did we get to a point where so many unnecessary tests and surgeries are being done In The Great Prostate Hoax Richard J Ablin exposes how a discovery he made in 1970 the prostate specific antigen PSA was co opted by the pharmaceutical industry into a multibillion dollar business He shows how his discovery of PSA was never meant to be used for screening prostate cancer and yet nonetheless the test was patented and eventually approved by the FDA in 1994 Now doctors and victims are beginning to speak out about the harm of the test and beginning to search for a true prostate cancer specific marker
