The Mermaid Beside the Stream Stephen David Eteng,2015-07-29 The Mermaid beside the Stream is a philosophical fiction that depicts an uncommon characteristic of a fledgling entity too soon given to the pursuit of independence It is a tale about a stripling who desires to be allowed to do things on his own at an age when most children are still totally dependent on their mothers for everything including blowing their noses The young one finally got what he was looking for an opportunity to enjoy a couple of hours of freedom free of adult monitoring But as almost always happens albeit in disparate forms and shapes to those stubbornly striving for yet unattainable heights he would encounter a mermaid beside the stream a terror inflicting meeting that complicated his world and doomed him and his relatives and friends to a lifetime of adversity It seeks to look in depth into family values the troubles faced by parents in the upbringing of children it exposes the mistake inherent in the modern trend of not whipping children when they go astray with an underlying criticism of embracing the white mans culture at the expense of pure tradition handed down by our African forefathers It exposes the debilitating effects of fear and seeks to educate and liberate those who have allowed themselves to be shackled by it This book will appeal to all classes for like the stages of life it unfolds with bloodcurdling suspense life from cradle to early adulthood with each stage underscored by lively original poetry

The Telling: One Family, Two Centuries Daniel Tabor,2024-10-18 The Telling is a story of European Jewish identity set against the backdrop of the chronicles of one family going back through history as far as Napoleonic times Author Daniel Tabor tracks the experiences and changing perceptions of his family as they find themselves having to move locations often needing to flee oppression but also to take up new opportunities The approach to the writing is based on the time honoured Jewish tradition of older family members passing on their life stories and insights to younger ones as one way of keeping the family culture alive The book looks back at those who lived many years ago during the nineteenth century in the days when the family was establishing itself in Europe particularly in the Russian Pale and in

Germany These stories are combined with those of his more recent relatives who travelled in Europe but also as far away as Israel and Australia to find safe havens from oppression or to make better lives for themselves How all these changes affected their perceptions of their identity is a central theme running through the book as are the influence of the places they lived in and how they remembered their life stories The book focuses heavily on the author's parents David and Hanna and their individual families But Daniel Tabor brings in the life stories of other relatives on both sides of his family too Overall the author has brought together the stories of twenty members of his family While there are tales of sadness there are also many tales of joy as the family members set about making the most of their lives dealing with numerous challenges thrown in their path displaying perseverance resilience courage and determination along the way The book is written in an engaging anecdotal style and includes many evocative family testimonies and photos providing a vivid picture of life in times gone by The Telling will appeal to those interested in Jewish history in general Jewish family histories the Holocaust the formation and development of the modern state of Israel the topic of people migration and also those interested in how others have overcome significant adversity to make a better life for themselves

Finding a Life Partner Rajendra Gour, 2011-04 **For the Love of a Man** Amrinder Bajaj, 2016-08-31 Amrita is forced to submit to an arranged marriage though she loves another As long as she remains the image of glorified Indian womanhood she blends into the background She grows corns standing on the pedestal and steps down to do what pleases her A few breaths of unfettered air were all she could take before her virtue is irrevocably stained by an unsuitable lover All too soon the price of illicit love exceeds its pleasures Her parents condemn her her sons despise her and her husband tightens the net of matrimony despite her infidelity There is shame and blame and a devouring isolation In an attempt to retain her sanity she flees to the Himalayas In those lofty reaches she finds a startlingly simple solution to her problems she has to look inwards for the peace that eluded her No one else could give her that Filled with rich imagery beautiful prose and an occasional poem to more fully express overwhelming emotional moments this is the story of a woman torn between fulfilling the ideals she was raised to believe in and answering an internal need to experience life to greater depth When one is choked of all joy and possibility in life is it better to grab for the oxygen mask or allow oneself to die In presenting her story the narrator here poses these questions without apology or justification

Recommended reading by US Review of Books Semi autobiographical this novel pulls on the author's experiences to build a rich wholly developed character in Amrita She is a protagonist we see grow from the start of the novel all the way to the last page Her journey feels unique to her particular circumstances but at the same time there are bits and pieces most women could pull examples from their own lives understand and relate to and learn from This is a book which will be remembered long after finishing Pacific Book Review a heart rending story of love and strife Bajaj arrestingly evokes the splendors and deprivations of India in the second half of the 20th century and makes a penetrating case for women forced into marriage and who can't even spend the salary that they earn Although Rosy too often finds neither sympathy nor understanding from

the men in her life including eventually her own son Bajaj all but guarantees that she'll find sympathy from readers as she struggles with both her desires and the potential collapse of her family A passionate absorbing story of love rejection and the burden of tradition Kirkus Reviews

Love Faith Death Tara Shah,2014-09-29 Cancer sucks death sucks even more But we humans don't have the power to stop either of them from messing with our lives They enter our lives whenever and wherever they choose to Cancer is so common that each one of us have known someone who has dealt with the disease some of us have lost a loved one to cancer Common does not always mean simple and it also does not mean we know everything about it The diagnosis of cancer regardless of the disease's curability is almost always nerve wracking even for healthcare providers like the main character of this book who is a veteran nurse This book is written in first person the subject is a middle aged woman who had been separated from her boyfriend some thirty years ago and then after three decades when she searches for an oncologist for treatment of an aggressive cancer that she was recently diagnosed she finds her ex boyfriend's name and decides to see him That brings back the memory of their past together and she starts going through her old diary she had written some thirty years in the past Part of the story is set in Nepal from the diary and the other part is set in the USA this takes place after her cancer diagnosis The main character of the story was born with Manglik cosmic influencer meaning that the planet Mars mangal Graha was in such position in the solar system at the time of her birth that it would have strong negative effect on her husband if she married a man who was non Manlik a person born at the time when the planet Mars was not in such position What happens next changes the lives of the main characters
