Rouault Cameo:

Rouault Cameo Georges Rouault, Jose Maria Faerna, 1997-02 The artist Georges Rouault 1871-1958 was one of the greatest expressionist painters of the twentieth century. A devout Christian, Rouault envisioned his work not as an end in itself but as a means to explore great human truths. With over seventy illustrations, this book not only illustrates the figurative paintings on which Rouault's reputation is based but also his less well-known but charming landscapes and still lifes, as well as a selection of his finest prints.

The Image of Christ in Modern Art Richard Harries, 2016-03-03 The Image of Christ in Modern Art explores the challenges presented by the radical and rapid changes of artistic style in the 20th century to artists who wished to relate to traditional Christian imagery. In the 1930s David Jones said that he and his contemporaries were acutely conscious of the break by which he meant the fragmentation and loss of a once widely shared Christian narrative and set of images. In this highly illustrated book, Richard Harries looks at some of the artists associated with the birth of modernism such as Epstein and Rouault, as well as those with a highly distinctive understanding of religion such as Chagall and Stanley Spencer. He discusses the revival of confidence associated with the rebuilding of Coventry Cathedral after World War II and the commissioning of work by artists like Henry Moore, Graham Sutherland and John Piper before looking at the very testing last quarter of the 20th century. He shows how here and even more in our own time fresh and important visual interpretations of Christ have been created both by well-known and less well-known artists. In conclusion, he suggests that the modern movement in art has turned out to be a friend not a foe of Christian art. Through a wide and beautiful range of images and insightful text, Harries explores the continuing challenge present from the beginning of Christian art as to how that which is visual can in some way indicate the transcendent.
