Rough Rider:

The Rough Rider (House of Winslow Book #18) Gilbert Morris, 2005-11-01 House of Winslow Book 18 Stepping off the train at New York's Grand Central Station Aaron Winslow left the numbing cold of the Klondike gold fields far behind But he could not shake the bitter sting left by the death of his cousin Jubal Winslow who had died to save Aaron's life No words had been able to touch the guilt and disillusionment he carried When Aaron arrives in New York City he finds his younger brother Lewis passionately determined to enlist in Teddy Roosevelt's Rough Riders and fight the Spanish in Cuba Unable to stop Lewis Aaron decides to join him and try to protect him He's also considering the high powered offer of going in as a war reporter for William Randolph Hearst and the New York Journal For reasons all her own Gail Summers is also volunteering as an army nurse to serve at the side of Dr David Burns a man to whom she is greatly indebted But will her friendship with the godly physician stand in the way of what she eventually comes to feel about Aaron Could something good come out of this war

Rough Rider Dale L. Walker, Buckey O'Neill was famous in Arizona Territory as a gambler lawyer newspaperman miner sheriff and politician This fast moving narrative takes him from the streets of Tombstone all the way to Cuba where he won Theodore Roosevelt's admiration as the wildest and bravest of the Rough Riders The Rough Riders Theodore Roosevelt, 1922 The Rough Riders was written immediately after Roosevelt returned from his volunteer service in Cuba during the Spanish American War First published in 1899 the book offers Roosevelt's viewpoint of the campaign in Cuba including the famous charge up San Juan Hill

Rough Rider in the White House Sarah Watts, 2003-10-15 In this book Sarah Watts probes this dark side of the Rough Rider presenting a fascinating psychological portrait of a man whose personal obsession with masculinity profoundly influenced the fate of a nation Drawing on his own writings and on media representations of him Watts attributes the wide appeal of Roosevelt's style of manhood to the way it addressed the hopes and anxieties of men of his time Like many of his contemporaries Roosevelt struggled with what it meant to be a man in the modern era He saw two foes within himself a fragile weakling and a primitive beast The weakling he punished and toughened with rigorous manly pursuits such as hunting horseback riding and war The beast he unleashed through brutal criticisms of homosexuals immigrants pacifists and sissies anyone who might tarnish the nation's veneer of strength and vigor With his unabashed paeans to violence and aggressive politics Roosevelt ultimately offered American men a chance to project their longings and fears onto the nation and its policies In this way he harnessed the primitive energy of men's desires to propel the march of American civilization over the bodies of anyone who might stand in its way **BOOK JACKET** Napa Lauren Coodley, 2007 With roots set deep in California history Napa's story reaches back to the Bear Flag Rebellion and earlier to the first contact between Spanish explorers and the Wappo Indians Through the founding of Spanish missions and the grants of ranchos by the Mexican government Napa flourished under the various cultures that helped it become one of the west coast's most dynamic cities As it bloomed into one of the most recognizable names on the American landscape Napa's

residents confronted issues of war and peace of open space and sprawl Roosevelt's Rough Riders Andrew Santella,2006 Discusses the unique group of men known as the Rough Riders and the role they played in the Spanish American War

Theodore W. Miller, Rough Rider Theodore W. Miller,1899 *Lost Napa Valley* Lauren Coodley,2021 Napa Valley once known for its cattle and silver mines has grown into an international wine destination On the way many buildings and institutions have vanished Join author and historian Lauren Coodley as she celebrates those once beloved landmarks in California's Wine Country Speaking American Zevi Gutfreund,2019-03-07 When Lyndon B Johnson signed the Bilingual Education Act of 1968 language learning became a touchstone in the emerging culture wars Nowhere was this more apparent than in Los Angeles where elected officials from both political parties had supported the legislation and where the most disruptive protests over it occurred The city with its diverse population of Latinos and Asian Americans is the ideal locus for Zevi Gutfreund's study of how language instruction informed the social construction of American citizenship Combining the history of language instruction school desegregation and civil rights activism as it unfolded in Japanese American and Mexican American communities in L A this timely book clarifies the critical and evolving role of language instruction in twentieth century American politics *Speaking American* reveals how for generations language instruction offered a forum for Angelino educators to articulate their responses to policies that racialized access to citizenship from the national origins immigration quotas of the Progressive Era through Congress's removal of race from these quotas in 1965 Meanwhile immigrant communities designed language experiments to counter efforts to limit their liberties Gutfreund's book is the first to place the experiences of Mexican Americans and Japanese Americans side by side as they navigated debates over Americanization programs intercultural education school desegregation and bilingual education In the process the book shows these language experiments helped Angelino immigrants introduce competing concepts of citizenship that were tied to their actions and deeds rather than to the English language itself Complicating the usual top down approach to the history of racial politics in education *Speaking American* recognizes the ways in which immigrant and ethnic activists as well as white progressives and conservatives have been deeply invested in controlling public and private aspects of language instruction in Los Angeles The book brings compelling analytic depth and breadth to its examination of the social and political landscape in a city still at the epicenter of American immigration politics **Teddy Roosevelt at San Juan** Peggy Samuels,Harold Samuels,1997 Termed a Southern gothic musical *Ghost Brothers of Darkland County* was scripted by novelist Stephen King with the music coming from maverick heartland rocker John Mellencamp a collaboration a bit left field for both artists This set includes Mellencamp's songs interspersed with key dialogue from King's libretto and while the story might be too complex essentially it's the tale of two brothers involved in a murder suicide whose ghosts haunt an isolated cabin and whose tragic deeds and consequent fate seems about to be repeated by their living nephews to be truly appreciated in single disc form like this so it's Mellencamp's songs sung by the likes of Elvis Costello Neko Case Sheryl Crow Dave and Phil Alvin real

life brothers whose estrangement with each other ended while working on this project Taj Mahal Ryan Bingham Clyde Mulroney Rosanne Cash and Kris Kristofferson Mellencamp only sings on one song here the summing it up last track Truth that are really left to carry things They certainly work as songs and may well be among the best Mellencamp has ever written while the overall sound of the whole musical suite crafted by T Bone Burnett is kind of like a sparse and shined up version of a late period Tom Waits album due in part to the presence of multi instrumentalist Marc Ribot on most of the tracks and the tight spare rhythm section of Jay Bellerose on drums and David Piltch on bass The performances Elvis Costello sounds gleeful and sinful on That s Me identity and fulfillment are key themes of Ghost Brothers of Darkland Country that and history s tendency to repeat itself Neko Case is sassy and sure on That s Who I Am Kris Kristofferson sounds old wise and weary on How Many Days Taj Mahal rages through Tear This Cabin Down and Sheryl Crow is confident and cocky on Jukin while Rosanne Cash turns in a delicately worn and wise reading of You Don t Know Me and for a story that spans decades and generations it s obvious that everyone is singing about who they are who they ought to be and who they ended up becoming It s difficult to say how good this musical is just from the songs and pieces of dialogue presented here but the songs have a weary inevitable flow to them as if fate forced them into a dark room with little light or air or chance of redemption Redemption comes with acceptance of who one is the songs and story here seem to say and only then can the real truth about what has happened to anyone really be revealed It s a ghost story after all Steve Leggett **Loyal to the Land** Billy Bergin, 2006-08-31 This heartfelt and often personal work continues the story of the Big Island s Parker Ranch one of the largest and most beautiful cattle ranches in the United States It begins with the dynastic transition in ranch management from the formidable A W Carter to his son Hartwell who would be responsible for bringing the ranch effectively into the twentieth century Although supervision of the ranch officially changed hands in 1937 A W s wide ranging influence continued to be felt for at least another decade Later Hartwell Carter would also have to contend with the whims of ranch owner Richard Smart who returned to the Islands in 1959 eager to take direct control of his estate Under Carter s stewardship Parker Ranch raised its cow herd size by fifty percent and through its subsidiary Hawaii Meat Company converted its beef marketing from a range finished animal to a feedlot confined corn fed marbled carcass acceptable to the modern housewife Hartwell Carter was followed by his assistant Richard Dick Penhallow as ranch manager in 1960 Penhallow s tenure is given a detailed overview that illuminates his ambitious goals for improvements in water land livestock personnel development and the economics of the beef industry Although Penhallow s grand scheme for reorganizing an inefficient and divided industry into a single cooperative using state of the art facilities ultimately failed the subsequent history of beef marketing in the Islands bears out the soundness and wisdom of his ideas In 1962 Smart selected Radcliffe Rally Greenwell as Penhallow s successor The new ranch manager arrived with strong traditional values of stewardship handed down from generations of Kona ranchers Greenwell s initiatives were clear to further enhance water development and increase the cow herd by thirty

percent He also instituted research to determine the cause of a scourge among young cattle called yellow calf syndrome As the nine year management of Greenwell unfolds the book offers a close look at the leadership team of the era which included Harry Kawai John Kawamoto Willie Kaniho Yutaka Kimura John Lekelesa and Harry Ah Fong Ah Sam The author who became ranch veterinarian in 1970 also provides personal insights in the later sections of the book into the use of the element copper to greatly enhance the growth and health of cattle and the birth and expansion of the ranch s Animal Health Program The work concludes with the introduction of the mainland management team of Rubel and Lent whose attempt to return to a pyramidal management structure took Parker Ranch by storm **Footlights in the Foothills** Edwina Portelle Romero,2011 Romero provides an overview of the amateur theatrical companies the players the plays and the venues in addition to stories of the social ties formed by the people who offered their talents and bared their egos to audiences in Las Vegas one of the hottest towns in the country between 1871 and 1899 Library of Congress Subject Headings Library of Congress,2009

Library of Congress Subject Headings Library of Congress. Cataloging Policy and Support Office,2009 HSA Historical Americana Auction Catalog #6006 Marsha Dixey,2008-10 Environmentally Sustainable Leadership Benjamin W. Redekop,2024-03-14 Benjamin Redekop expertly presents a comprehensive overview of the rise and evolution of environmentally sustainable leadership from the early 19th century to the present day Redekop not only assesses the approaches of various historical and contemporary leaders but also provides a foundation for understanding the challenges dilemmas and opportunities for sustainable leadership today The Rough Rider Jack Cummings,J Cummings, Dr,1991-02

Team of Giants Matthew Bernstein,2024-12-17 If not for an unlikely alliance among a bespectacled cowboy a former Confederate general and a millionaire newspaper publisher the Spanish American War might never have been How these three outsize characters Theodore Roosevelt Joseph Fighting Joe Wheeler and William Randolph Hearst helped ignite the war that established the United States offshore empire is the rousing tale that Matthew Bernstein tells in Team of Giants From his days as a Dakota deputy sheriff Theodore Roosevelt had dreamed of leading a cowboy regiment into battle With a little help from his friends in 1898 he got his wish While Roosevelt raised the Rough Riders in San Antonio Congressman Wheeler delivered bellicose speeches from the US Capitol and Hearst pulled out all the stops in the San Francisco Examiner and New York Journal With the destruction of the USS Maine in Havana Harbor and President William McKinley s call for war the two greatest star reporters of the era rivals Richard Harding Davis and Stephen Crane headed for Cuba to do their part In Bernstein s sweeping history these towering figures come to life as they set in motion events that would put a period on the Civil War era transform the global media landscape and alter geopolitics for the twentieth century with the plight of the Cuban people serving as a backdrop for a world class contest of wills and wiles A stirring narrative built on rigorous research Team of Giants is a fresh account of the role the martial ambitions of these men played in a war that would launch the American Century and set each man on the path to his own place in history Theodore Roosevelt and the Making of

American Leadership Jon Knokey, 2015-10-27 The epic story of how one man shaped events people and himself to forever change a country President Theodore Roosevelt forever transformed America ushering the country into the arena of world supremacy His brand of leadership is entirely American confident compassionate energetic diverse visionary But Roosevelt was not a born leader his ascent to the apex of power was not a foregone conclusion He made himself a leader of consequence and it is his epic journey to the White House a road filled with terrific failures intimate introspection and self made luck will inspire readers anew While a graduate student at Harvard author Jon Knokey a Roosevelt historian and business leader unearthed hundreds of unpublished letters and interview notes from Roosevelt contemporaries These long forgotten documents provide a fresh and stunning ringside seat along the 26th President's journey to 1600 Pennsylvania Avenue The stories from Harvard chaps idealistic political reformers coarse cowboys from the Badlands and rough and tumble Rough Riders from the nation's interior all combine to illuminate the maturation process of a man learning to lead at every stage of his life Fast paced and written as a biographical narrative Theodore Roosevelt and the Making of American Leadership places the reader alongside a young Theodore Roosevelt as he learns what he stands for and how he will lead Skyhorse Publishing as well as our Arcade imprint are proud to publish a broad range of books for readers interested in history books about World War II the Third Reich Hitler and his henchmen the JFK assassination conspiracies the American Civil War the American Revolution gladiators Vikings ancient Rome medieval times the old West and much more While not every title we publish becomes a New York Times bestseller or a national bestseller we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home **The Rough Riders** Theodore Roosevelt, 1919 The Rough Riders was written immediately after Roosevelt returned from his volunteer service in Cuba during the Spanish American War First published in 1899 the book offers Roosevelt's viewpoint of the campaign in Cuba including the famous charge up San Juan Hill
