**Humility** George Hovis, 2007 This is an inviting look at the influence of the yeoman's small farm on six modern southern

writers In a deft analysis of works by Doris Betts Reynolds Price Fred Chappell Lee Smith Clyde Edgerton and Randall Kenan Vale of Humility explores the lives of the plain folk white and black who populate the worlds of contemporary North Carolina fiction Hovis explains that a wealthy planter elite was significantly less prominent in North Carolina than in neighboring regions and as such the state's plain folk did not develop a class identity based as deeply in relation to a superior planter class Instead the identification of the yeoman's small farm rather than the plantation as necessary to the ideal life has been a distinguishing feature of the state's literature In this first full length study of North Carolina's contemporary fiction Hovis examines the work of six representative writers from the state's three geographic regions Lee Smith and Fred Chappell from the mountains Doris Betts and Clyde Edgerton from the Piedmont and Reynolds Price and Randall Kenan from the coastal plain The work of these six writers is explored within the broader southern literary tradition with attention to how they have revised such modes as pastoral family saga and southwestern humor in order to portray their own regional experiences Although these writers celebrate the egalitarianism at the heart of the yeoman ideal they also expose the forms of racism sexism and classism that have also marked the state's history

Bargains in the Real World Elizabeth Cox,2001-05-15 In this finely crafted collection acclaimed writer Elizabeth Cox examines the lives of common people and how they deal with life when uncommon things happen to them how they accept their fate sometimes choosing to move on sometimes not The stories many set in the South deal with questions of loyalty betrayal discovery sexuality death birth and the inner dynamics that drive the choices we make The characters struggle with a complex mixture of kindness and violence and their final choices reveal a flawed but finally compassionate humanity Elizabeth Cox has an extraordinary talent for inhabiting her characters and capturing place sense and time This commanding group of stories will prove unforgettable

**The Drum Is a Wild Woman**

Patricia G. Lespinasse, 2022-01-04 In 1957 Duke Ellington released the influential album A Drum Is a Woman This musical allegory revealed the implicit truth about the role of women in jazz discourse jilted by the musician and replaced by the drum Further the album s cover displays an image of a woman sitting atop a drum depicting the way in which the drum literally obscures the female body turning the subject into an object This objectification of women leads to a critical reading of the role of women in jazz music If the drum can take the place of a woman then a woman can also take the place of a drum The Drum Is a Wild Woman Jazz and Gender in African Diaspora Literature challenges that image but also defines a counter tradition within women s writing that involves the reinvention and reclamation of a modern jazz discourse Despite their alienation from bebop women have found jazz music empowering and have demonstrated this power in various ways The Drum Is a Wild Woman explores the complex relationship between women and jazz music in recent African diasporic literature The book examines how women writers from the African diaspora have challenged and revised major tropes and concerns of jazz literature since the bebop era in the mid 1940s Black women writers create dissonant sounds that broaden our understanding of jazz literature By underscoring the extent to which gender is already embedded in jazz discourse author Patricia G Lespinasse responds to and corrects narratives that tell the story of jazz through a male centered lens She concentrates on how the Wild Woman the female vocalist in classic blues used blues and jazz to push the boundaries of Black womanhood outside of the confines of respectability In texts that refer to jazz in form or content the Wild Woman constitutes a figure of resistance who uses language image and improvisation to refashion herself from object to subject This book breaks new ground by comparing the politics of resistance alongside moments of improvisation by examining recurring literary motifs cry and response the Wild Woman and the jazz moment in jazz novels short stories and poetry comparing works by Ann Petry Gayl Jones Toni Morrison Paule Marshall Edwidge Danticat and Maya Angelou with pieces by Albert Murray Ralph Ellison James Baldwin and Ellington Within an interdisciplinary and transnational context Lespinasse
