## Round Rock:

**Round Rock** Bob Brinkman,2008-08-04 Named for a distinctive rock formation that marks a natural picturesque ford Round Rock is a reflection of the past Nomadic people lived here for countless ages leaving clues of their existence for future generations Explorers and frontier travelers visited the area bounded by rolling hills to the west and fertile fields to the east The location became a permanent name on the map when settlers made the site their home in 1851 These pioneers established the traditions that defined the community Positioned near the state capital Round Rock has prospered through transportation and commerce Horseback paths stagecoach routes military roads and cattle trails have yielded to railroads and highways Within a few generations the community once known for education and agriculture is now equally renowned for technology and trade A common thread through it all has been the citizens pride of place in their hometown This is the story of a once quiet village that evolved into a vibrant city *Round Rock* Bob Brinkman,2008-07 **Walk Historic**
