

Round the Horne

Series 1 Episode 1

Round The Horne 1

Barry Took

Round The Horne 1:

Polari - The Lost Language of Gay Men Paul Baker, 2003-09-02 Polari is a secret form of language mainly used by homosexual men in London and other cities during the twentieth century. Derived in part from the slang lexicons of numerous stigmatised and itinerant groups, Polari was also a means of socialising, acting out camp performances and reconstructing a shared gay identity and worldview among its speakers. This book examines the ways in which Polari was used in order to construct gay identities, linking its evolution to the changing status of gay men and lesbians in the UK over the past fifty years.

British Rock Guitar Mo Foster, 2021-12-20 The guitar has become the most emotive musical instrument of the last 50 years of rock and roll. From the early days when wannabee stars fashioned homemade guitars out of old tea chests to today's sophisticated instruments, the impact has been phenomenal. In this book, Mo Foster, one of the industry's most prestigious bass guitarists and renowned producer, composer and session musician, draws upon his own recollections and those of some of the greatest exponents of the rock guitar from Hank Marvin to Eric Clapton and Brian May. Once managed by Ronnie Scott, Foster has recorded and toured with many of the world's biggest musical icons, including Jeff Beck, Phil Collins, Eric Clapton, Gerry Rafferty, Van Morrison and George Martin. In this insightful, passionate and humorous book, Mo Foster has written the definitive history of the importance of the guitar in the development of British music over the last 50 years.

Not Guilty Sue Elliott, Steve Humphries, 2017-06-22 Only fifty years ago, sex between men was a crime. The Sexual Offences Act 1967 changed that, in part sparking a chain of social reforms that altered the face of British society for ever. But it was only the beginning of the long fight for equality in the eyes of the law, in society and in millions of private lives. This vital new oral history, to accompany a Channel 4 documentary of the same name, tells that story through the lives of gay men who lived through those years. Built around the intimate testimonies of some exceptional but largely unknown characters, it gives voice to previously untold stories of denial, deceit and subterfuge, public pain and secret pleasure through the ten tumultuous decades before and since that watershed Act. The human variety of gay experience is all here: lives lived in joyous defiance of the law and a repressive society; others always in fear of a prurient tabloid press; those committed to love and others to licence, lifelong affairs alongside casual sex. Young gay men may now take for granted the equal treatment denied those who went before. This vibrant celebration of past achievements and hardwon freedoms offers a powerful reminder of how much has changed in the past fifty years and a warning that hardwon freedoms can so easily be eroded in uncertain times.

Seize the Day Mike Read, 2014-09-30 A fascinating romp through the life of a broadcasting legend, Mike Read's autobiography offers an exciting insight into his three decades in showbiz. From ventures in radio, television and music to tales of sport, romance and the royals, Mike writes with candour and humour in equal measure, including tangential stories of famous friends, near-death experiences and extraordinary happenings along the way.
