The Columbia Anthology of Modern Japanese Literature J. Thomas Rimer, 2011-11-15 Featuring choice selections from the core anthologies *The Columbia Anthology of Modern Japanese Literature From Restoration to Occupation 1868 1945* and *The Columbia Anthology of Modern Japanese Literature From 1945 to the Present* this collection offers a concise yet remarkably rich introduction to the fiction poetry drama and essays of Japan s modern encounter with the West Spanning a period of exceptional invention and transition this volume is not only a critical companion to courses on Japanese literary and intellectual development but also an essential reference for scholarship on Japanese history culture and interactions with the East and West The first half covers the three major styles of literary expression that informed Japanese writing and performance in the late nineteenth and early twentieth centuries classical Japanese fiction and drama Chinese poetry and Western literary representation and cultural critique Their juxtaposition brilliantly captures the social intellectual and political challenges shaping Japan during this period particularly the rise of nationalism the complex interaction between traditional and modern forces and the encroachment of Western ideas and writing The second half conveys the changes that have transformed Japan since the end of the Pacific War such as the heady transition from poverty to prosperity the friction between conflicting ideologies and political beliefs and the growing influence of popular culture on the country s artistic and intellectual traditions Featuring sensitive translations of works by Nagai Kafu Natsume Soseki Oe Kenzaburo Kawabata Yasunari Mishima Yukio and many others this anthology relates an essential portrait of Japan s dynamic modernization

The Atlantic Monthly , 1926 **Blake's Agitation** Steven Goldsmith, 2013-03-15 Since the Romantic period the critical thinker s enthusiasm has served to substantiate his or her agency in the world Blake s Agitation is a thorough and engaging reflection on the dynamic forward moving and active nature of critical thought Steven Goldsmith investigates the modern notion that there s a fiery feeling in critical thought a form of emotion that gives authentic criticism the potential to go beyond interpreting the world By arousing this critical excitement in readers and practitioners theoretical writing has the power to alter the course of history even when the only evidence of its impact is the emotion it arouses Goldsmith identifies William Blake as a paradigmatic example of a socially critical writer who is moved by enthusiasm and whose work in turn inspires enthusiasm in his readers He traces the particular feeling of engaged dynamic urgency that characterizes criticism as a mode of action in Blake s own work in Blake scholarship and in recent theoretical writings that identify the heightened affect of critical thought with the potential for genuine historical change Within each of these horizons the critical thinker s enthusiasm serves to substantiate his or her

agency in the world supplying immediate embodied evidence that criticism is not one thought form among many but an action of consequence accessing or even enabling the conditions of new possibility necessary for historical transformation to occur The resulting picture of the emotional agency of criticism opens up a new angle on Blake s literary and visual legacy and offers a vivid interrogation of the practical potential of theoretical discourse

British Romanticism in Asia Alex Watson, Laurence Williams, 2019-02-15 This book examines the reception of British Romanticism in India and East Asia including China Japan Korea and Taiwan Building on recent scholarship on Global Romanticism it develops a reciprocal cross cultural model of scholarship in which Asian Romanticism is recognized as itself an important part of the Romantic literary tradition It explores the connections between canonical British Romantic authors including Austen Blake Byron Shelley and Wordsworth and prominent Asian writers including Natsume S seki Rabindranath Tagore and Xu Zhimo The essays also challenge Eurocentric assumptions about reception and periodization exploring how since the early nineteenth century British Romanticism has been creatively adapted and transformed by Asian writers

Faulkner Studies in Japan Thomas L. McHaney, Kenzaburo Ohashi, Kiyoyuki Ono, 2008-11-01 The universality of William Faulkner's vision was perhaps most formally recognized in 1950 when he was awarded the Nobel Prize for Literature But even beyond the basic human truths embodied in the people and terrain of Yoknapatawpha County there is a special kinship between Faulkner's novels and stories of the defeated South and the culture of postwar Japan itself reeling from the shock of surrender and reconstruction at the hands of a foreign army Reflecting this kinship Faulkner Studies in Japan brings together some of the finest critical essays on Faulkner published in Japan in recent years along with discussions by several of Japan's leading novelists of Faulkner's influence on their work The collection includes essay on broad aspects of Faulkner's writing the influence of T S Eliot on the fiction the pervasive use of motion imagery and on such individual works as *Light in August* and the story of *Was from Go Down Moses* The book also presents an overview of Faulkner scholarship in Japan by Kiyoyuki Ono and an Afterword by Carvel Collins that recalls Faulkner's visit to Japan in 1955 At the time of Faulkner's visit Japanese scholarly interest in his works was already firmly established and in the succeeding years the fascination has if anything increased Commemorating the thirtieth anniversary of Faulkner's four week tour Faulkner Studies in Japan explore the natural literary sympathy that the novelist himself recognized when he stated I believe that something very like what happened in the American South will happen here in Japan in the next few years that out of your despair and disaster will come a group of Japanese writers whom all the world will want to listen to who will speak not a Japanese truth but a universal truth
