Along Route 66 Quinta Scott, 2001-11-15 It was the way out Invented on the cusp of the depression Route 66 was the road out of the mines off the farm away from troubled Main Street It was the road to opportunity Between 1926 and 1956 many people from the southern and plains states trekked west to California on Route 66 the Mother Road Some never reached California Instead

they settled along the road building restaurants tourist attractions gas stations and motels The architecture of each structure reflected regional building traditions and the difficulties of the times The designs of buildings and signs served as invitations for passing travelers to stop fill their tanks have a bite and stay the night Along Route 66 describes the architectural styles found along the highway from Chicago Illinois to Santa Monica California and pairs photos with stories of the buildings and of the people who built them lived in them and made a living from them With striking black and white images and unforgettable oral histories of this rapidly disappearing architecture Quinta Scott has documented the culture of America s most famous road

[Conflicted American Landscapes](#) David E. Nye, 2021-04-27 How conflicting ideas of nature threaten to fracture America s identity Amber waves of grain purple mountain majesties American invest much of their national identity in sites of natural beauty And yet

American lands today are torn by conflicts over science religion identity and politics Creationists believe that the Biblical flood carved landscapes less than 10 000 years ago environmentalists protest pipelines Western states argue that the federal government s land policies throttle free enterprise Native Americans demand protection for sacred sites In this book David Nye looks at Americans irreconcilably conflicting ideas about nature A landscape is conflicted when different groups have different uses for the same location for example when some want to open mining sites that others want to preserve or when suburban development impinges on agriculture Some landscapes are so degraded from careless use that they become toxic anti landscapes Nye traces these conflicts to clashing conceptions of nature ranging from pastoral to Native American to military industrial that cannot be averaged into a compromise Nye argues that today s environmental crisis is rooted in these conflicting ideas about land Depending on your politics global warming is either an inconvenient truth or fake news America s contradictory conceptions of nature are at the heart of a broken national consensus
