**The Blood Poets: Millennial blues : from Apocalypse now to The matrix** Jake Horsley,1999 This thought provoking and insightful study of 40 years of American violent cinema ties together the multiple disciplines of psychology criminology censorship and anthropology The study is divided into two volumes Volume 1 American Chaos From Touch of Evil to The Terminator and Volume 2 Millennial Blues From Apocalypse Now to The Matrix Horsley raises a new dialogue between scholars and movie buffs as readers struggle to find their own answers to the connection between the need to portray and the need to watch violent films **Luso-American Literature** Robert Henry Moser, Antonio Luciano de Andrade Tosta,2011 Portuguese and Cape Verdean immigrants have had a significant presence in North America since the nineteenth century Recently Brazilians have also established vibrant communities in the U S This anthology brings together for the first time in English the writings of these diverse Portuguese speaking or Luso American voices Historically linked by language colonial experience and cultural influence yet ethnically distinct Luso Americans have often been labeled an invisible minority This collection seeks to address this lacuna with a broad mosaic of prose poetry essays memoir and other writings by more than fifty prominent literary figures immigrants and their descendants as well as exiles and sojourners It is an unprecedented gathering of published unpublished forgotten and translated writings by a transnational community that both defies the stereotypes of ethnic literature and embodies the drama of the immigrant experience **Lost Hearts in Italy** Andrea Lee,2007-05-22 The Italian phrase Mai due senza tre never two without three forms the basis of Andrea Lee s spellbinding novel of betrayal Sophisticated and richly told Lost Hearts in Italy reveals a trio caught in the grip of desire deception and remorse When Mira Ward an American relocates to Rome with her husband Nick she looks forward to a time of exploration and awakening Young beautiful and in love Mira is on the verge of a writing career and giddy with the prospect of living abroad On the trip over Mira meets Zenin an older Italian billionaire who intrigues Mira with his coolness and worldly mystique A few weeks later feeling idle and adrift in her new life Mira agrees to a seemingly innocent lunch with Zenin and is soon catapulted into an intense affair which moves beyond her control more quickly than she intends Her job as a travel writer allows clandestine trysts and opulent getaways with Zenin to Paris Monte Carlo London and Venice and over the next few years now the mother of a baby daughter she struggles between resisting and relenting to this man who has such a hold

on her As her marriage erodes so too does Mira's sense of self until she no longer resembles the free spirit she was on her arrival in the Eternal City Years later Mira and Nick now divorced and remarried to others look back in an attempt to understand their history while a detached Zenin assesses his own life and his role in the unlikely love triangle Each recounts the past aided by those witness to their failure and fallout An elegant raw and emotionally charged read *Lost Hearts in Italy* is a classic coming of age story in which cultures collide innocence dissolves and those we know most intimately remain foreign to us *Pray For Them* Trisha Fenimore, 2023-05-23 Absolutely brilliant excruciatingly honest Indies Today 2023 EDITOR'S PICK 2022 BOOK OF THE YEAR SEMI FINALIST FIVE STAR RECIPIENT Indies Today GOLD BADGE RECIPIENT The International Review of Books Trisha Fenimore had a long list of things she never wanted to become By her early twenties she had become most of them Racist Hate filled Addicted Poor And finally Christian More than anything else Trisha vowed she would never become a Christian One day she realized the very thing she was running from might actually be her escape route away all the rest In 2014 while riding the New York City subway to a dead end job it dawned on the young woman that despite all her best efforts she had nevertheless become racist herself Following this profound realization Trisha sought guidance from an older Christian mentor and received advice which was simple though far from easy After over a year of prayer practice and failures too numerous to count she felt God call her to the most unlikely place of all a predominantly black seminary school in Harlem New York Trisha's time as the only white student in her class proved revelatory But she soon learned that when you've danced with the devil for so long you don't get to choose when the music stops From becoming an atheist at age eleven in the rural Midwest to attending a historically black seminary in Harlem to bringing the gospel to convicts in America's most notorious prison *Pray For Them* is a gritty searingly honest coming of age memoir about a young American woman's struggle through the good and evil which reside in all of us as well as her desperate search to find God and herself **The Adventures of Pinocchio** Carlo Collodi, 2021-09-14 revelatory new edition of the most widely translated Italian book in the world soon to be a Netflix animated feature film co directed and co written by Guillermo del Toro and voiced by Ewan McGregor Cate Blanchett Christoph Waltz John Turturro and Tilda Swinton A Penguin Classic Carved from a piece of wood by the old carpenter Geppetto the puppet Pinocchio comes to life and wants nothing more than to be a real boy But while this beloved character has achieved literary immortality he is ultimately misunderstood He has a penchant for lying to be sure but it's when he avoids going to school that he repeatedly gets into trouble making *The Adventures of Pinocchio* an unusually timely novel about the importance of education in our increasingly authoritarian times to prevent our strings being pulled This effervescent new translation captures the antic spirit that makes the mischievous egotistical and easily distracted Pinocchio a late nineteenth century prototype for the likes of Bart Simpson Featuring copious annotations informed by the translators deep knowledge of Italy it reveals the novel to be not only a subversively entertaining children's book but also a sophisticated satire reflecting the author's concern for the social

inequality of his time and his belief that duty to others is at the core of our humanity      A Desert Rose Tarella Quin,1913

*Pinocchio* Carlo Collodi,2008-11-18 Though one of the best known books in the world *Pinocchio* at the same time remains unknown linked in many minds to the Walt Disney movie that bears little relation to Carlo Collodi's splendid original That story is of course about a puppet who after many trials succeeds in becoming a real boy Yet it is hardly a sentimental or morally improving tale To the contrary *Pinocchio* is one of the great subversives of the written page a madcap genius hurtled along at the pleasure and mercy of his desires a renegade who in many ways resembles his near contemporary Huck Finn *Pinocchio* the novel no less than *Pinocchio* the character is one of the great inventions of modern literature A sublime anomaly the book merges the traditions of the picaresque of street theater and of folk and fairy tales into a work that is at once adventure satire and a powerful enchantment that anticipates surrealism and magical realism Thronged with memorable characters and composed with the fluid but inevitable logic of a dream *Pinocchio* is an endlessly fascinating work that is essential equipment for life      *Village of Sycamore* Maria Rihte,2010-02-24 When thirty two year old woodworker and designer Jacqueline Callaghan arrives in the small village of Sycamore on a windswept island she has just sold her apartment in the city lost her job left her boyfriend and buried her grandmother Shes ready to begin a new life in her grandmothers old cottage in this picturesque village of lush gardens and wild waterfront Jackie opens her own studio and gallery and finds that life is perfect except for the bills In a desperate attempt to save the life she now loves Jackie organizes a studio tour rallying together the islands many artists and crafts people in hopes of bringing more visitors to the island The idea is popular but Jackie is almost defeated How to persuade these fiercely independent artists to work together without disrupting the delicate balance of their daily lives The whole village falls into chaos as artistic personalities clash and long hidden skeletons come out of the closet Secret trysts nude portraits love and inconsolable broken hearts mistaken death and resurrection slowly unravel Jackies carefully crafted tour plans      **Crossroads: The Winds Of Grace** Jim Shroyer,      *The Four Georges ; The English Humorists of the Eighteenth Century ; Sketches and Travels in London* William Makepeace Thackeray,1884
