The Royal Arch, Its Hidden Meaning George H. Steinmetz,1946 **The Royal Arch** George Harold Steinmetz,1946

Speculative Freemasonry and the Enlightenment R. William Weisberger,2017-09-20 Freemasonry began with stonemasons in the Middle Ages experiencing the decline of cathedral building Some guilds invited honorary memberships to boost their numbers These usually highly educated new members practiced symbolic or speculative Freemasonry The new Masonic lodges and learned societies offered their growing numbers of Protestant Catholic and Jewish members an understanding of deism Newtonian science and representative government and of literature and the fine arts This work describes how Masons on both sides of the Atlantic were mostly either enlighteners political reformers or moderate revolutionaries They offered minimal support to radical revolutionary ideas and leaders The Lost Word, Its Hidden Meaning George H. Steinmetz,1953 **Freemasons** *Freemason Rituals, Lost Symbols?* David Ovason,2011-02-28 The secrets the myths and the facts behind Washington D C s design and its Masonic significance In this groundbreaking original work David Ovason reveals the intimate connections between the mysterious zodiacal symbols and the stellar lore of Washington D C and the secret plan for the city There are over fifty complete zodiacs in Washington D C all witness to an extraordinary stellar mystery Why did generations of architects and artists put their lives and energies on the line when designing this City of the Stars What was their shared secret language What or who drove them to create a city overflowing with such esoteric symbolism What is the meaning behind the secret symbolism of Washington D C s layout And what does it mean for America s future *Founding Fathers, Secret Societies* Robert Hieronimus,2005-12-28 An exploration of the influence of secret societies on the formative documents and symbols of the United States Reveals the Founding Fathers spiritual vision for America as encoded in the Great Seal Traces the influence of the Iroquois League of Nations upon the Constitution Exposes the deep connections the Founding Fathers had with the Freemasons and other secret societies All children growing up in America learn who the Founding Fathers were Most however never learn of the founders connections to the Freemasons the Rosicrucians and other esoteric orders In *Founding Fathers Secret Societies* Robert Hieronimus investigates these important connections and how their influence can be traced throughout our most significant national documents and symbols especially the Great Seal He reveals in detail how the reverse of the Great Seal which appears on the back of the one dollar bill is a blueprint that conveys the secret destiny of America By understanding the kabbalistic meaning of the Great Seal s reverse he shows how our current era presents unique opportunities for the fulfillment of our Founding Fathers spiritual vision **Guide to the Royal Arch Chapter** John Sheville,James L. Gould,1996-09 1867 a complete monitor with full instructions in the degrees of Mark Master Past Master Most Excellent Master and Royal Arch Together with the Order of High Priesthood Historical Introduction explanatory notes ceremonies installation Masonry **The Hidden Secret Power of Freemasonry** Robert Kallian, P.M.,2022-08-01 It is entertaining to be antiaEURMasonic and

perpetuate conspiracy theories and stories based on satanic worship rather than join Freemasonry or any other private organization primarily structured with improving the individual in society The Masonic term making good men better is the desire of the craft concerning all people living in a multicultural society to better themselves This is masonry in a nutshell To achieve this betterment takes a great deal of work and selfaEURintrospection which the critics of the craft refuse to endure and fail to examine the important historical esoteric symbols associated with the craft This book is dedicated toward neutralizing such superficial negative ideology pursued by critics who have a personal interest in negating the significant works of the greatest fraternal organization in the world Contained herein are chapters on women in Freemasonry the Catholic Church and Freemasonry which contains an addendum relating to over one hundred cardinals and bishops who under pseudonyms were Freemasons a chapter on the 133rd Psalm providing a lineaEURbyaEURline interpretation of a work which provides the important ideological humanistic basis for both society and Freemasonry with an important chapter analyzing the final endaEURperiod of a man s life as it related to Ecclesiastes Chapter 12 Men join Freemasonry because in their hearts they seek to improve themselves In a reality any can start living as principled individuals exercising the same values without being a Freemason All that is required is desire and work effort with a foundation from the Holy Bible to betterment of himself However the Masonic Craft assists an individual in this journey by providing defined structure support and a roadmap that helps focus the advancement and as such increases the probability of a successful outcome Freemasonry centers on learning how to charge one s self with thought and physical conduct However in order to improve one must read study and understand the true nature of reality in life buttressed by the role of oneself and those with which one socializes This philosophy underlines why the most important virtues of Freemasonry are symbolic and teach us to be better humans Freemasonry gains its structure and foundation through an inherent love of an adherence to the Holy Bible and would not exist without that devotion The foundation of Masonry is predicated on the fact that the craft and the Bible are intricately interconnected just as other holy books around the world are central to their Freemason organizations Much of Masonry s symbolism is taken from biblical sources especially Genesis and the stories surrounding the building of King Solomon s temples Great emphasis is placed on the development of moral and ethical virtues and the building of character with truth being the guiding principle of our lives Thus brotherhood and charity are natural outcomes and further define one of Masonry s major tenets Masonry uses proven methods to enhance the lives and spirits of members in a tangible way In every Masonic lodge upon its altar there is a Holy Bible supporting the square and compasses This old familiar book so beloved by so many generations is our Volume of the Sacred Law and represents the Great Light in Freemasonry The Bible is open when the lodge opens the Bible is closed when the lodge closes No lodge can transact its own business much less initiate candidates into the mysteries of the craft unless the Book of Holy Law lies open upon its altar It is the true responsibility of each individual Mason to seek out and understand the true nature of reality through the teachings of Freemasonry

discovered in the symbols of the craft The individual must learn to recognize and interpret the footprints of the deity and the sublime methods that he uses to reveal his message So mote it be May the mystery begin Guide to the Royal Arch Chapter; a Complete Monitor for Royal Arch Masonry ...
