Royal Scots In The Gulf First Battalion Royal Scots On Operation Granby 1990 1991:

Royal Scots In The Gulf Laurie Milner, 1990-12-31 Insight into the unique atmosphere of a Scottish battalion during combat taking part in the Iraqi ground war facing many unknown and unknowable factors The brevity of the ground war in the Gulf is well known just 100 hours By the end of the war press reports of the massive numbers of Iraqi prisoners taken and equipment destroyed compared to our own losses suggested that it was a walkover In hindsight it would seem so however the experts not to mention the media s estimates of the Iraqi s strength and capabilities and the wild predictions of heavy casualties are decidedly at odds with the outcome This book tries to answer why In telling the story of The Royal Scots Battle Group Laurie Milner reveals the remarkable single mindedness and courage of the soldiers of Britain s present day Army in the face of a numerically superior well equipped and well dug in enemy whose level of resistance could not be accurately assessed While the pundits in Britain were judging our Army s likely performance on the peacetime training expediences of BAOR The Royal Scots Britain s oldest infantry regiment were carefully preparing their vehicles weapons and soldiers for war The extent of their final preparations and potential is chilling It is little wonder that they won for they left nothing to chance

The A to Z of the Persian Gulf War, 1990-1991 Clayton R. Newell, 2007 Contrary to many assessments that immediately followed the end of the 1991 Persian Gulf War that war was neither short nor decisive The 1991 conflict was the dramatic manifestation of long standing antagonisms among the principal participants and its results continue to have a profound effect on the region a fact that can be seen most clearly in the current U S occupation of Iraq It is therefore important to determine on the diplomatic side just how the war got started how it was fought and whether the dramatic ground campaign should have exceeded the mere hundred hours it lasted in order to bring about a more decisive conclusion With the seemingly endless follow up to the war continuing The A to Z of the Persian Gulf War 1990 1991 draws together the results of assessments of the war by a multitude of commentators This is accomplished through an introduction a chronology a list of acronyms and abbreviations a bibliography appendixes and hundreds of cross referenced dictionary entries on many of the significant civilian and military persons crucial diplomatic and political actions as well as the essential military aspects including the strategy and tactics the encounters and battles and the forces and weapons deployed by both sides As the situation in the Middle East continues to deteriorate this reference provides an important historical perspective on an increasingly critical issue

Historical Dictionary of the Persian Gulf War 1990-1991 Clayton R. Newell, 1998-10-22 Presents information in concise and informative entries on many of the significant civilian and military persons crucial diplomatic and political actions as well as the essential military aspects of the Persian Gulf War *Armor*, 1998
