Royal Victorians:

Royal Maladies Alan R. Rushton, 2008 An intensive historical study of the hereditary diseases hemophilia and porphyria in the personal and political lives of the European royal families Part I Nineteenth century medical knowledge of hemophilia as a hereditary bleeding disorder will be considered Hemophilia appeared in a son born to Queen Victoria in 1853 Hemophilia was transmitted through Victoria's unaffected daughters to the ruling houses in Germany Russia and Spain The political consequences of a chronically ill male heir to the throne fostered the demise of the royal families in these countries The royal physicians were well aware of the hereditary nature of hemophilia and failed to advise the British royal family on this matter that had significant political consequences for the modern world Part II The Madness of King George III resulted from variegated porphyria an inherited disorder of heme metabolism The disorder was evident in The immediate family of George III Ancestors from at least the 13th century Descendants into the 20th century The malady was inherited by other ruling houses in continental Europe and affected political life there for over six centuries Genetic analysis will consider how such an anomaly could have been inherited through so many successive generations Preliminary DNA evidence will be considered to document variegated porphyria in living relatives of the British royal family Alternate history if these disorders had not plagued the royal families will be considered in conclusion **Royal Navy List**, 1907 *The Royal Victorians* Christopher Hibbert, 1976 Biography of King Edward VII of England 1841-1910 [Royal supplement to Debrett's peerage, baronetage, knighthood, and companionship](#) Debrett's illustrated peerage of the United Kingdom, 1901 *Dod's Peerage, Baronetage and Knighthood, of Great Britain and Ireland, for ...*, 1901 *Debrett's Peerage and Baronetage* 2019 Susan Morris, 2020-04-20 Debrett's Peerage Baronetage is the only up to date printed reference guide to the United Kingdom's titled families the hereditary peers life peers and peeresses and baronets and their descendants who form the fascinating tapestry of the peerage This is the first ebook edition of Debrett's Peerage Baronetage and it also contains information relating to The Royal Family Coats of Arms Principal British Commonwealth Orders Courtesy titles Forms of address Extinct dormant abeyant and disclaimed titles Special features for this anniversary edition include The Roll of Honour 1920 a list of the 3150 people whose names appeared in the volume who were killed in action or died as a result of injuries sustained during the First World War A number of specially commissioned articles including an account of John Debrett's life and the early history of Debrett's Peerage and Baronetage a history of the royal dukedoms and an in depth feature exploring the implications of modern legislation and mores on the ancient traditions of succession **A History of the Royal College of General Practitioners** John Fry, R.J.F.H. Pinsent, 2012-12-06 John P Horder President 1980-82 The first 30 years of the College have been an exciting experience for those most closely involved Some have already passed on but this account has been written soon enough for many of the actors to be historians Future members of the College will be grateful to them for what they have written as well as for what they did as a remarkably determined and harmonious team Students of twentieth

century medicine in this country will also be grateful for a first hand account of the development of an institution which has been closely associated with and partly responsible for important changes in medical care and education Those who read these pages may wonder how the builders of this young College could have found time to do much general practice They did The three editors of this history which covers 25 years and the general practitioner members of the Steering Committee all ran large practices in which they worked very hard throughout that time Most of their work for the College was done during off duty hours weekends and holidays The College could not have developed as it did had they not been personally concerned with the practical problems and needs of clinical medicine This is also true of many of the contributors It is impossible to mention everyone who deserves credit The editors hope that they may be forgiven for any serious omissions Royal Blue Book ,1904 Victorian Year-book... ,1894 **On Her Majesty's Service** Christopher McCreery,2008-08-18 Royal recognition in Canada is accorded through a variety of honours and awards including the Royal Victorian Order Medal and Chain Vice Regal and Commissioners Commendations and Vice Regal and Commissioners Recognition Badges On Her Majesty s Service examines the history and development of these marks of honour from the Crown in detail and also provides complete lists of Canadian recipients and a section on heraldry The Royal Victorian Order and Medal have been used since 1896 to honour Canadians who have rendered extraordinary or personal services to the Sovereign while the Royal Victorian Chain was instituted in 1902 The Vice Regal and Commissioners Commendations are valuable awards presented by lieutenant governors and territorial commissioners for important services to a viceregal or territorial commissioner lieutenant governors territorial commissioners and their spouses are accorded royal recognition through the Vice Regal and Commissioners Recognition Badges **Dod's Peerage, Baronetage and Knightage of Great Britain and Ireland, Including All the Titled Classes** ,1904 The Official Gazette Barbados,1917 Supplements contain abstracts of House of Assembly and Legislative Council debates Victorian Review ,1860 *Victorian Hansard, Containing the Debates and Proceedings of the Legislative Council and Assembly* Victoria.
