Rubia With Chapters On Ukraine And Belarus:

Russia, Belarus, & Ukraine ,2005 Russia, Belarus and Ukraine ,2003 An Eastern Slavic Brotherhood Nicholas Hendon Starvaggi,2009 Abstract Following the collapse of the Soviet Union fifteen successor states emerged as independent nations that began transitions toward democratic governance and a market economy These efforts have met with various levels of success Three of these countries have since experienced color revolutions which have been characterized by initial public demonstrations against the old order and a subsequent revision of the rules of the political game In 2004 2005 these color revolutions were greeted by many international observers with optimism for these countries progress toward democracy In hindsight however the term itself needs to be assessed for its accuracy as the political developments that followed seemed to regress away from democratic goals In one of these countries Ukraine the Orange Revolution has brought about renewed hope in democracy yet important obstacles remain Belarus Ukraine s northern neighbor shares many structural similarities yet has not experienced a color revolution Anti governmental demonstrations in Minsk in 2006 were met with brutal force that spoiled the opposition s hopes of reenacting a similar political outcome to that which Ukraine s Orange Coalition was able to achieve in 2004 Through a comparative analysis of these two countries it is found that the significant factors that prevented a color revolution in Belarus are a cohesive national identity that aligns with an authoritarian value system a lack of engagement with U S and European institutions and the Belarusian regime s continued economic and political support from Russian leaders **Foreign Policy and National Identity** Stephen R. Burant,2000
Belarus, Ukraine, and Moldova Kelvin Gosnell,1992 Compares and contrasts the three former Soviet republics of Byelarus Ukraine and Moldova linked by geography and economics *The New Slavic States* Susan L. Clark,1993
