Japanese religious leader and scholar Hirata Atsutane whose fear of Russian incursion onto Japan's soil led him to redefine what it means to be Japanese. Atsutane advocated the study of the Way of the Gods commonly known as Shinto to explain what happens to the soul after death and to cultivate a Japanese identity centered on gods, spirits, and the emperor. His teachings would later attract thousands of followers and feed the movements that led to the Meiji Restoration. Drawing on the concept of material religion, Walthall demonstrates how Atsutane and his collaborators sought out knowledge of the unseen world and educated others while seeking to bring themselves closer to the gods and spirits. This work showcases Atsutane and his community's legacy which has had a profound influence on Japanese society, religious belief, and culture far beyond his lifetime.

Nightmare Illustrated: Issue 6 Horrified Press, [A Death in Eden](#) Keith McCafferty, 2019-07-09 Keith McCafferty is a top notch first rate can't miss novelist. C. J. Box, 1 New York Times bestselling author. When scarecrows appear in the cliffs above Montana's famous Smith River and a little girl reports being chased by one in the night, state investigator Harold Little Feather is brought in to find the culprit. Are the menacing effigies related to a copper mining project that threatens the purity of the Smith? That's Harold's initial suspicion, but his investigation takes an ominous turn when a decapitated body is found in the river. As Harold's search leads him back in time through the canyon's history, Sean Stranahan launches his raft upriver. He has been hired to guide a floating party that includes Clint McCaine, the manager of the mine project; Bart Trueblood, the president of Save The Smith, a grassroots organization devoted to stopping the project; and the documentarian filming their arguments. McCaine and Trueblood grew up on the Smith, on neighboring ranches, and as they travel downstream, it's revealed that the two share a past that runs much deeper and darker than their opposing viewpoints. The currents of the seemingly unrelated trips will soon flow together, and Stranahan's long time love, Sheriff Martha Ettinger, will enter the fray as the boats hurtle toward a date with danger at a place called Table Rock.

A Death in Eden is the seventh novel in the acclaimed Sean Stranahan mystery series. **The Night Life of the Gods** Thorne Smith, 1942. We meet this affluent bachelor, the epitome of a mad scientist, as he adventures to delights with his leprechaun girlfriend. After transforming statues into people and vice versa in his home town, he moves to the Greek gods in the Metropolitan Museum. You'll have quite a few laughs mixed in with social commentary. Read it.

The Plot To Kill God Edward F. Mrkvicka, Jr., Kelly H. Mrkvicka, 2015-01-09. As we near the Second Coming, the battle between good and evil intensifies. Sadly, the forces of evil are winning, mainly because too many Christians and the churches they attend are going along to get along. They'll stand for God as long as they can do so in silence. If their faith costs them anything, they want no part of it. The Bible warns us that we must know the enemy, but most of us are clueless. It's so much easier to bury our heads in the sand and act like everything is okay, even though we know it's not. Our Lord and Savior died in this world so we can experience life everlasting. Put another way, God allowed His Son to be treated like we deserve to be treated so we could be treated like His Son. Why? Because He loves us. In John 15:13, it is stated: Greater love has no one than this, than to lay down

one's life for his friends And in return for Christ's sacrifice most of us remain mute We've quietly let Him be kicked out of our places of business our schools our government at all levels our courts and in some cases our churches and homes And then when we need Him we in unmitigated hypocrisy call for a National Day of Prayer for example immediately after 9/11 The spiritual war we're facing is almost at an end What we do or don't do will determine the outcome Jesus said it best in Matthew 12:30 He who is not with Me is against Me That's about as simple and direct as it can get The spiritual war we all face is raging and acting as if we're a neutral nation in WWII is no longer an option The choice is ours We either stand with Christ or we become His enemy "GOD IS " Volume Two C. LaVern Matthews, 2013-05-06 God wants you to know Him He wants you to know Him because He created you for Himself He wants you to know how much He really loves you and He wants you to know that you were created to rule and reign with Him **God's Absence and the Charismatic Presence**

Roy D. Kindelberger, 2017-05-17 The author's theological inquiry is intended to raise questions of interpretation within the camp of openness theology and to direct a discussion on the implications of this movement for the charismatic Pentecostal community Open theism or openness theology affirms that the universe is open the future is not settled God is essentially relational love and the risks of love and the threats against it are real The author digs deep into this area of doctrine in order to question how far openness theology is willing to go Is it only the future that is open to God or are there perhaps unknown aspects to the past and present as well What does God know about sin and when does he know it Is it possible for God to be totally absent from a person's life or even from an entire nation If God can be absent can he also be exceptionally present in the lives of believers What would the divine presence and the charismata spiritual ministries look like in an open universe

Oh, My God! Javier J. Farias, 2016-02-17 This book is a follow up to the author's previous one which revealed the underlying but veiled symbolism in the Wizard of Oz His suggestion regarding the connection between Emerald City and the Catholic Church was not well received Even more objectionable to many was his assertion that the powerless phony wizard that Whiz of a wiz is a direct analogy to the God of the Old Testament These chapters will serve as a guided tour of the spiritual nooks and crannies of Holy Scripture These nooks have been carefully ignored and side stepped by theologians for a very long time Those willing to start from a spiritual blank slate and step forward with an open mind will be shocked to their core by what they discover in the many never discussed nooks While many have claimed to reveal the secrets of the Mother Church you will find here that her biggest secrets have been hidden in plain sight all along Reassessing our most fundamental assumptions about our deepest and longest cherished core beliefs requires real courage and even a willingness to endure ridicule When Dorothy pulled back the green curtain she was changed forever for the better It is the author's sincere belief that everyone who walks the Yellow Brick Road i e the Spiritual Path must eventually summon the courage to look behind the mysterious veil that separates us from our real world wizard Most of what follows is not pleasant or easy reading but all of it comes right out of the pages of Holy Scripture itself

The Living Dead Barry L. Callen, 2023-02-14

People readily form religious beliefs out of their imaginations fears fantasies and bloated egos The paranormal is now nearly the norm in the world of popular entertainment threatening traditional systems of belief Are today's walking dead real zombies Are the aliens actually here What's keeping you awake at night Are masses of overscheduled and frustrated people spiritually deceased even though still breathing Who's lurking in the shadows demons of destruction a loving God seeking our highest well being or nothing but our twisted imaginations How we fragile humans long for safety ecstasy community meaning and salvation We must beware however Numerous charlatans have it all for sale By contrast there still is the man Jesus who has paid the highest of prices and is offering all we need as a free gift In him insists the Christian faith death has died and we've been set free to be possessed by the Spirit of Jesus thus becoming the living dead Receiving this gift takes faith of course but faith not contrary to reason In fact it may be the most reasonable and satisfying thing we could ever do

Attributes of God A.W Pink, Rev Terry Kulakowski, Editor, 2015-11-27 A Transforming Knowledge of the Living God The timeless appeal of this classic book written by a preacher with a worldwide ministry during the first half of the twentieth century demonstrates the deep hunger for a saving knowledge of God present in each generation Arthur Pink sought to give readers not just a theoretical knowledge of God but pointed them toward a personal relationship of yielding to him and living according to his biblical precepts Pink's book explores attributes such as God's decrees foreknowledge sovereignty holiness grace and mercy among many others all packaged in a style especially useful for pastors teachers and Bible students Our God who is above all names cannot be found through human searching alone Pink teaches but can be known only as he is
