Semi Presidentialism In Europe

Emiliano Grossman, Nicolas Sauger

Semi Presidentialism In Europe:

Semi-Presidentialism in Europe Robert Elgie, 1999-09-02 Semi Presidentialism is the term used to describe the constitutional arrangement where there is a directly elected president and a prime minister who is responsible to parliament. Examples of semi presidential regimes include Finland France Portugal Poland Russia and Ukraine. These countries share certain constitutional features but the exercise of presidential and prime ministerial power varies greatly from one to another. Semi Presidentialism in Europe examines the politics of semi presidentialism and explores why it is that seemingly similar political systems operate in such different ways. Furthermore the book examines the constitutional powers of political leaders the role of political parties and the importance of past precedent.

Semi-Presidentialism Outside Europe Robert Elgie, Sophie Moestrup, 2007-06-11 This is the first academic study of the impact of semi presidentialism in emerging democracies outside of Europe. Semi presidentialism is where there is both a directly elected fixed term president and a prime minister who is responsible to the legislature. For the most part semi presidentialism is seen as being a risky choice for new democracies because it can create potentially destabilizing competition between the president and prime minister. And yet there are now more than fifty semi presidential countries in the world. Moreover many of these countries are in Africa the former Soviet Union and Asia often in places where democracy has yet to establish a firm foundation. This study begins with a chapter that discusses the advantages and disadvantages of semi presidentialism and provides the theoretical framework for a wide ranging series of country chapters presented in the second part of the book. Written by country area specialists the case studies highlight the political processes at work in young semi presidential democracies. Semi Presidentialism Outside Europe will appeal to those researching and studying in the fields of comparative politics development and democracy.

Semi-Presidentialism in Central and Eastern Europe Robert Elgie, Sophie Moestrup, 2008-12-15 Contributed articles on executive power. *Semi-presidentialism, Parliamentarism and Presidents* Miloš Brunclík, Michal Kubát, 2018-07-11 The book analyzes the presidencies of three neighboring Central European countries Poland the Czech Republic and Slovakia in the context of their interactions with cabinets and prime ministers parliaments and the constitutional courts all which have proved crucial actors in the region's political and constitutional battles. Using both institutional and behavioral perspectives along with an innovative definition of semi presidentialism the book argues that presidential powers rather than the mode of the election of the president are crucial to the functioning of the regimes and their classification into distinctive regime types. Focusing on intra executive conflicts and the interaction of the president with other constitutional players it argues that regardless of the mode of the election of the president regimes have traditionally been very similar not only in their institutional settings but also in the way they function. Finally it shows that Poland the Czech Republic and Slovakia should be classified as parliamentary regimes. This text will be of key interest to scholars and students of Central and East Europe studies politics post Communist studies presidential studies and more broadly to political elites and institutions comparative

politics and legislative studies **Semi-Presidential Policy-Making in Europe** Tapio Raunio, Thomas Sedelius, 2019-05-17

This book explores how power sharing between the president and the prime minister works in semi presidential regimes In contrast to much of the existing comparative work on semi presidentialism the book emphasizes the role of institutional coordination at the most concrete level of executive policy making and asks how institutional coordination between the president and prime minister influences presidential activism and the balance of power within the executive The authors develop a tentative framework embedded in institutionalism and based on four strands of research semi presidentialism public administration political leadership and foreign policy analysis which is subsequently applied to the cases of Lithuania Romania and Finland Given the political challenges facing many semi presidential countries the study ultimately seeks to identify institutional solutions that facilitate power sharing and successful policy making *Foundations of Comparative Politics* Ken Newton, Jan W. Van Deth, 2005-09-01 This authoritative new introductory text covers the key concepts theories and issues involved in the study of comparative politics Focusing on democratic government it covers all important topics in the field from constitutional design and institutions through mass and elite politics groups parties the media and governments to policy making and implementation The final chapter considers the future of the state and democracy in a globalising world The authors draw on experiences and examples from around the world and the book includes extensive supporting apparatus for students and teachers including briefings fact files key terms guides to further reading and related websites Each chapter ends with a section dealing with the major theoretical approaches to the subject The aim is to give students a clear and comprehensive account of democratic politics and government at the start of the twenty first century

European Politics Paul Kubicek, 2020-12-20 European Politics expertly and accessibly surveys the history institutions and issues that are essential for understanding contemporary European politics Exploring a central question what is Europe this text s thematic approach helps students compare politics in individual countries and see the political big picture in the region European Politics examines not only countries which are or were in the European Union but also those eligible to join to give students the most comprehensive picture of Europe s evolution in a globalized world Key changes for the new edition include coverage of hot topics such as Brexit Covid 19 rise of nationalist populists authoritarian developments in Hungary Poland and Turkey separatism in Catalonia refugees migrants environmentalism Ukraine Russia US European relations recent elections and security threats emanating within Europe and beyond a consolidated presentation on the European Union fully updated data and examples and a new concluding chapter recapping the main ideas and suggesting scenarios for the European project moving forward This timely in depth text will be essential reading for anyone interested in European politics

Authoritarianism and Democracy in Europe, 1919-39 D. Berg-Schlosser, J. Mitchell, 2002-10-31 Authoritarianism and Democracy in Europe 1919 39 offers a comprehensive analysis of the survival or breakdown of democracy in interwar Europe The contributors explore factors such as the historical social structural and political cultural backgrounds of the policies that

European countries attempted to implement to counter the world economic crisis of 1929 The analysis serves as an important backdrop for the assessment of current democratic developments in former communist Europe and highlights some of the problems and risks involved in the transition process

Presidential Activism and Veto Power in Central and Eastern Europe Philipp Köker, 2017-06-20 This book examines the use of presidential powers in Central and East Europe between 1990 and 2010 Focussing on presidential vetoes and the formation of governments it maps patterns of presidential activism and its determinants across nine democracies Thereby it combines the analysis of original quantitative data on the use of presidential powers with in depth case studies in an innovative mixed methods framework Based on regression analyses and unique insights from numerous elite interviews the study shows strong support for the hitherto insufficiently tested assumption that popularly elected presidents are more active than their indirectly elected counterparts As one of the first comprehensive comparative studies of presidential activism and veto power in Europe this book will be a key resource not only for area specialists but also for scholars of presidential studies comparative government and executives

Approaching the EUropean Federation? Søren Zibrandt von Dosenrode-Lynge, 2007 The European project has within only 52 years achieved a surprising momentum and the European Union is now approaching full statehood This book presents a timely examination of what appears to be the emerging European State

The Oxford Handbook of Comparative Administrative Law Peter Cane, Herwig Hofmann, Eric C. Ip, Eric Chi Yeung Ip, Peter L. Lindseth, 2021 In this Handbook distinguished experts in the field of administrative law discuss a wide range of issues from a comparative perspective The book covers the historical beginnings of comparative administrative law scholarship and discusses important methodological issues and basic concepts such as administrative power and accountability

Approaching the EUropean Federation? Søren Dosenrode, 2016-04-08 The European project has within only 52 years achieved a surprising momentum and the European Union is now approaching full statehood The Convention on the Future of Europe has finished its work and handed over a proposal for a constitutional treaty to the Heads of State and Government of the EU It is therefore the ideal time to present an integrated analysis of what appears to be the emerging European State This key volume therefore discusses the central questions and concepts within the field of European studies which include federalism the relationship between statehood and constitution integration and constitution the regions in the new Europe and the EU as an international actor These discussions are then developed and analyzed in relation to the draft constitution Timely and insightful the volume is suitable for courses on European integration federalism and international politics

France's Political Institutions at 50

Emiliano Grossman, Nicolas Sauger, 2013-10-18 Fifty years after the creation of the Fifth Republic French politics is undergoing profound changes The election of Nicolas Sarkozy has announced a general review of the French political system A special committee the comit constitutionnel is currently drafting a catalogue of potential reforms Debates focus on issues like presidentialization parliamentary scrutiny of the executive or the creation of a popular initiative to trigger constitutional

review of given legislative texts These discussions reflect long standing trends in the Fifth Republic This volume aims at analysing those trends and at outlining the major perspectives for future development In particular it puts the French political system in comparative perspectives and provides in depth analysis of the evolution of the major political institutions and their relations The volume argues that substantial reforms have helped to partially reshape French politics Yet it also shows that the fundamental characteristics of semi presidential government have stood firm The question is whether current debates and subsequent reforms are likely to alter the current pattern This book was published as a special issue of West European Politics

Comparative Constitutional Law in Asia Rosalind Dixon,Tim Ginsburg,2014-02-28 Comparative constitutional law is a field of increasing importance around the world but much of the literature is focused on Europe North America and English speaking jurisdictions The importance of Asia for the broader field is demonstrated here i

Contemporary European Politics José M. Magone,2019-05-16 Revised throughout the second edition of this comprehensive and highly respected textbook continues to provide a thorough introduction to European and European Union politics Pairing a genuinely comparative approach with in depth analysis of the national supranational local and regional political systems of large and small countries across Europe including Central and Eastern Europe and the Balkans this accessible book covers history theory institutions parties and party systems and interest groups among others Key topics and features of this book Examines the European Union multilevel governance system and uses a regional cluster approach to highlight differences across Europe Contextualises European politics in a theoretical framework explaining the major political social and economic transformations taking place in the information age A new chapter on the comparative political systems and cultures of wider Europe particularly Russia Ukraine Moldova Georgia Belarus and Turkey Engages with the latest challenges and crises facing Europe including new streamlined chapters on parties elections politics and policy making of the European Union Extended coverage of hot topics such as finance and the Eurocrisis immigration populism and xenophobia Uses a wide range of pedagogical features including further readings and revision questions Includes a fully updated companion website containing rich reference data chapter summaries and weblinks Richly illustrated throughout this work is an indispensable resource for all students and scholars of European politics

The Routledge Handbook of East European Politics Adam Fagan,Petr Kopecký,2017-08-15 The Routledge Handbook of East European Politics is an authoritative overview that will help a wide readership develop an understanding of the region in all its political economic and social complexity Including Central Europe the Baltic republics South Eastern Europe and the Western Balkans as well as all the countries of the former Soviet Union it is unrivalled in breadth and depth affording a comprehensive overview of Eastern European politics provided by leading experts in the fields of comparative politics international relations and public administration Through a series of cutting edge articles it seeks to explain and understand patterns of Eastern European politics today The Routledge Handbook of East European Politics will be a key reference point both for advanced level

students developing knowledge about the subject researchers producing new material in the area and those interested and working in the fields of East European Politics Russian Politics EU Politics and more broadly in European Politics

Comparative Politics Democratization Studies and International Relations **The Informal Powers of Western European Presidents** Selena Grimaldi, 2023-08-14 The book explores how weak presidents directly or indirectly elected can still play a crucial role in the political arena Weak presidents have been distinguished from strong ones by relying on the evaluation of the powers they display according to the constitution Six Western European countries are analysed Germany and Italy which present a consistent constitutional design as weak presidents are elected indirectly and Austria Ireland Finland and Portugal that present inconsistent constitutional design as weak presidents are elected directly In contrast to much of the existing comparative works on presidential powers and activism the book emphasises the role and the use of informal powers beyond that of formal ones In particular a definition and a typology of informal powers are provided as well as an empirical investigation on informal presidential activism The positive outcome of presidential informal interventions are studied by relying on an interactionist approach which combines presidency centred as well as president centred explanations The book argues that when dealing with informal presidential activism the opportunity structure matters but presidential public support matters even more **The Oxford Handbook of Portuguese Politics** Jorge M. Fernandes, Pedro C.

Magalhães, António Costa Pinto, 2022-10-06 The Oxford Handbook of Portuguese Politics brings together the best scholars in the field offering an unrivalled coverage of the politics broadly defined of the country over the past 50 years The Handbook includes eight sections First it looks at the past and present by making an overview of Portuguese political developments since democratization in the 1970s Second it looks at political institutions as the building blocks of Portuguese democracy The third section examines mass politics and voters that is a thorough analysis of the demand side of mass politics The fourth section turns to the supply side of mass politics by looking at parties and the party system The fifth section looks at the Portuguese society by unpacking a plethora of societal aspects with direct implications for politics The sixth section examines governance and public policies with a view to understanding how a constellation of public policies has an impact on the quality of governance and in fostering well being The seventh section looks at Portugal and the European Union The eighth and final section unpacks Portuguese foreign policy and defence Presidents, Assemblies and Policy-making in Asia Y.

Kasuya, 2013-04-08 The authors assess the constitutional and partisan powers of Asian presidents and analyse how they are used in actual policy making processes Country case studies on Afghanistan Indonesia the Philippines South Korea Sri Lanka and Taiwan analyze how their constitutional and partisan powers are used in actual policy making processes *Routledge Handbook of European Politics* José M. Magone, 2014-12-17 Since the Treaty of the European Union was ratified in 1993 the European Union has become an important factor in an ever increasing number of regimes of pooled sovereignty This Handbook seeks to present a valuable guide to this new and unique system in the twenty first century allowing readers to

obtain a better understanding of the emerging multilevel European governance system that links national politics to Europe and the global community Adopting a pan European approach this Handbook brings together the work of leading international academics to cover a wide range of topics such as the historical and theoretical background the political systems and institutions of both the EU and its individual member nations political parties and party systems political elites civil society and social movements in European politics the political economy of Europe public administration and policy making external policies of the EU This is an invaluable and comprehensive resource for students scholars researchers and practitioners of the European Union European politics and comparative politics

Embracing the Track of Term: An Mental Symphony within **Semi Presidentialism In Europe**

In a world taken by monitors and the ceaseless chatter of instantaneous connection, the melodic beauty and mental symphony produced by the written term usually diminish into the back ground, eclipsed by the persistent noise and disturbances that permeate our lives. But, nestled within the pages of **Semi Presidentialism In Europe** a stunning literary prize overflowing with raw emotions, lies an immersive symphony waiting to be embraced. Constructed by an elegant musician of language, this fascinating masterpiece conducts readers on an emotional trip, well unraveling the hidden melodies and profound impact resonating within each carefully crafted phrase. Within the depths of this poignant assessment, we can investigate the book is key harmonies, analyze its enthralling writing fashion, and submit ourselves to the profound resonance that echoes in the depths of readers souls.

Semi Presidentialism In Europe Introduction

In the digital age, access to information has become easier than ever before. The ability to download Semi Presidentialism In Europe has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Semi Presidentialism In Europe has opened up a world of possibilities. Downloading Semi Presidentialism In Europe provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Semi Presidentialism In Europe has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Semi Presidentialism In Europe. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Semi Presidentialism In Europe. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Semi Presidentialism In Europe, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal

information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Semi Presidentialism In Europe has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Semi Presidentialism In Europe Books

What is a Semi Presidentialism In Europe PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Semi Presidentialism In Europe PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Semi Presidentialism In Europe PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Semi Presidentialism In Europe PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Semi Presidentialism In Europe PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields

and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
