**Sen SEC Int Eng 3 Tb Malawi** Chimombo Kholowa,2003-01      WHO operational handbook on tuberculosis. Module 1  
World Health Organization,2024-09-02 This handbook provides practical advice on how to implement the WHO  
recommendations on TPT at the scale needed to achieve national and global impact and complements the second edition of  
the WHO guidelines on TPT being released concomitantly It covers critical steps in the programmatic management of TPT  
following the cascade of preventive care identifying individuals at highest risk screening and ruling out TB disease testing for  
infection choosing the best suited treatment regimen managing adverse events supporting adherence and monitoring  
programmatic performance The dosage schedules for TPT regimens have been completely redone since the first edition of  
the handbook and examples from country and partner interventions have been included The annexes include useful resources  
for advocacy and implementation such as returns on investment from screening and preventive treatment sample text for  
messaging considerations for coordination and budgeting for national strategic planning and resource mobilization and  
monitoring tools Although its focus is on high TB and HIV burden settings the advice in the handbook is also relevant for  
other contexts This book is intended to guide policy makers within ministries of health and other institutions and  
stakeholders involved in health care including HIV and TB programme managers at national subnational and district levels
