Spirit of the Times and the New York Sportsman, 1864 *Wicket Season* Gabrielle Prendergast, 2012-03-14 In Winnipeg Harry was a cricket star. With few West Indians in the community and few people who played the sport, he always stood out from the crowd. But when he moves to Toronto's Little Jamaica to stay with his grandfather, Harry is suddenly just another West Indian kid who loves cricket. There are even girls who are more talented than him. Harry is determined to make the cricket team at his new school, but he'll really have to step up his game. To prove his commitment to the sport, he volunteers to coach Kanga cricket for beginners, akin to little league baseball. At first, all he wants to do is impress the coach. But soon Harry realizes that being a part of a bigger community can be more rewarding than standing out on your own.

Bodyline Autopsy David Frith, 2013-06-24 In 1932, England's cricket team, led by the haughty Douglas Jardine, had the fastest bowler in the world. Harold Larwood, Australia's most prolific batsman, the game had ever seen, the young Don Bradman. He had to be stopped. The leg-side bouncer onslaught inflicted by Larwood and Bill Voce, with a ring of fieldsmen waiting for catches, caused an outrage that reverberated to the back of the stands and into the highest levels of government. Bodyline, as this infamous technique came to be known, was repugnant to the majority of cricket lovers. It was also potentially lethal, one bowl fracturing the skull of Australian wicketkeeper Bert Oldfield, and the technique was outlawed in 1934. After the death of Don Bradman in 2001, one of the most controversial events in cricketing history, the Bodyline technique finally slid out of living

memory Over seventy years on the 1932-33 Ashes series remains the most notorious in the history of Test cricket between Australia and England David Frith's gripping narrative has been acclaimed as the definitive book on the whole saga superbly researched and replete with anecdotes *Bodyline Autopsy* is a masterly anatomy of one of the most remarkable sporting scandals

Cricket in the Second World War John Broom, 2021-07-07 As the civilised world fought for its very survival Sir Home Gordon writing in *The Cricketer* in September 1939 stated that England has now started the grim Test Match with Germany the objective of which was to win the Ashes of civilisation Despite the interruption of first class and Test cricket in England the game continued to be played and watched by hundreds of thousands of people engaged in military and civilian service In workplaces cricket clubs and military establishments as well as on the famous grounds of the country players of all abilities kept the sporting flag flying to sustain morale Matches raised vast sums for war charities whilst in the north and midlands competitive League cricket continued with many Test and county players being employed as weekend professionals by the clubs Further afield the game continued in all the Test playing nations and in further flung outposts around the world Troops stationed in Europe Africa and the Far East seized on any opportunity to play cricket often in the most unusual of circumstances Luxurious sporting clubs in Egypt hosted matches that pitted English service teams against their Commonwealth counterparts Luminaries such as Wally Hammond and Lindsay Hassett were cheered on by their uniformed countrymen Inevitably there was a sombre side to cricket's wartime account From renowned Test stars such as Hedley Verity to the keen but modest club player many cricketers paid the ultimate price for Allied victory The Victory Tests of 1945 were played against a backdrop of relief and sorrow Nevertheless cricket would emerge intact into the post war world in broadly the same format as 1939 The game had sustained its soul and played its part in the sad but necessary victory of the Grim Test
