**Psychoanalytic Conversations with States of Spirit Possession** Shalini Masih, 2023-10-16 Shalini Masih grew up in a stimulating environment of priests and healers witnessing firsthand states of spirit possession and exorcism In adulthood she revisited these experiences motivating her to extend psychoanalysis outside the clinic's realms into spaces of traditional healing The outcome of her detailed exploration acknowledges the hugely productive interface between cultural

manifestations and concerns of psychoanalysis without reducing the phenomenon of spirit possession to something formulaic. Instead, *Psychoanalytic Conversations with States of Spirit Possession: Beauty in Brokenness* highlights the intrinsic beauty of this complex experience, illustrating relevant themes through culturally sensitive psychoanalytic conversations with participants who felt haunted and possessed by ghosts. The author's journey reveals the ghosts of her own inner world. She draws upon her reveries, dreams, and nightmares to make sense of the unconscious processes in her informant's testimonies, journeys that are so often undertaken from one grotesque ghost to another until these ghostly beings reappear as broken part-selves in search of the glue of spiritual meaning.

Chapters include inquiries into the nature of self and consciousness, questions regarding the status and limits of mysticism, and approaches to these topics from multiple depth psychological traditions.
