Sennacherib's Palace Without Rival At Nineveh:

Sennacherib's "Palace Without Rival" at Nineveh John Malcolm Russell, 1991 Best known today from biblical accounts of his exploits and ignominious end the Assyrian king Sennacherib 704 681 B C was once the ruler of all western Asia In his capital at Nineveh in what is now northern Iraq he built what he called the Palace without Rival Though only scattered traces of this magnificent structure are visible today contemporary written descriptions and surviving wall reliefs permit a remarkably detailed reconstruction of the appearance and significance of the palace An art historian trained in ancient Near East philology archaeology and history John Malcolm Russell marshals these resources to investigate the meaning and political function of the palace of Sennacherib He contends that the meaning of the monument cannot be found in images or texts alone nor can these be divorced from architectural context Thus his study combines discussions of the context of inscriptions in Sennacherib's palace with reconstructions of its physical appearance and analyses of the principles by which the subjects of Sennacherib's reliefs were organized to express meaning Many of the illustrations are published here for the first time notably drawings of palace reliefs made by nineteenth century excavators and photographs taken in the course of the author's own excavations at Nineveh

Palace and Temple Clifford Mark McCormick, 2012-10-24 This book is a critical study of the role played by architecture and texts in promoting political and religious ideologies in the ancient world It explains a palace as an element in royal propaganda seeking to influence social concepts about kingship and a text about a temple as influencing social concepts about the relationship between God and human beings Applying the methods of analysis developed in built environment studies the author interprets the palace and temple building programs of Sennacherib King of Assyria and Solomon King of Israel The physical evidence for the palace and the verbal evidence for the temple are explained as presenting communicative icons intended to influence contemporary political and religious concepts The volume concludes with innovative interpretations of the contributions of architectural and verbal icons to religious and political reform

Bauer, Cornelius Holtorf, Margarita Díaz-Andreu García, Emma Waterton, 2012 *Nahum* Daniel C. Timmer, 2020-08-04 Designed for the pastor and Bible teacher the Zondervan Exegetical Commentary on the Old Testament features today's top Old Testament scholars and brings together commentary features rarely gathered together in one volume With careful discourse analysis and interpretation of the Hebrew text the authors trace the flow of argument in each Old Testament book showing that how a biblical author says something is just as important as what they say Commentary on each passage follows a clear structure to help readers grasp the flow and meaning of the text The Main Idea of the Passage A one or two sentence summary of the key ideas the biblical author seeks to communicate Literary Context A brief discussion of the relationship of the specific text to the book as a whole and to its place within the broader argument Translation and Exegetical Outline Commentators provide their own translations of each text formatted to highlight its discourse structure and accompanied by a coherent outline that reflects the flow and argument of the text Structure and Literary Form An overview of the literary structure and rhetorical style adopted by the biblical author highlighting how these features contribute to the communication of the main idea of the passage Explanation of the Text A detailed commentary on the passage paying particular attention to how the biblical authors select and arrange their materials and how they work with words phrases and syntax to communicate their messages Canonical and Practical Significance The commentary on each unit will conclude by building bridges between the world of the biblical author and other biblical authors and with reflections on the contribution made by this unit to the development of broader issues in biblical theology particularly on how later Old Testament and New Testament authors have adapted and reused the motifs in question The discussion also includes

brief reflections on the significance of the message of the passage for readers today The Zondervan Exegetical Commentary on the Old Testament series is the go to resource for pastors and Bible teachers looking for deep but accessible study that equips them to connect the needs of Christians today with the biblical text *Like a Bird in a Cage* Lester L.

Grabbe, 2003-06-01 What makes one crime more serious than another and why This book investigates the problem of seriousness of offence in English law from the comparative perspective of biblical law Burnside takes a semiotic approach to show how biblical conceptions of seriousness are synthesised and communicated through various descriptive and performative registers Seven case studies show that biblical law discriminates between the seriousness of different offences and between the relative seriousness of the same offence when committed by different people or when performed in different ways Recurring elements include location and the offender's social status The closing chapter considers some of the implications for the current debate about crime and punishment
