Simpson,Kathy Merlock

Jackson,2025-08-22 If any film has gone the distance it s Rocky 1976 which spawned one of the longest running franchises in film history Released in America s bicentennial year Rocky based on an original screenplay by then unknown writer and actor Sylvester Stallone surprised everyone Shot on a shoestring budget by director John Avildsen the film became a blockbuster and Academy Award winning best picture In addition to spawning a lucrative franchise and spin offs Rocky propelled the careers of Stallone and Talia Shire raised interest in boxing and sports movies and placed Philadelphia and its architecture in the popular consciousness Rocky has always been a contested text raising questions about race gender and class in America as well as debate about genre storytelling and film art questions which are addressed at length in this rich collection of essays As the contributing scholars show Rocky and its sequels retain their power to rouse audiences well into the twenty first century and continue to inspire audiences athletes and filmmakers *Where Are The Children?* Mary Higgins

Clark,2008-09-04 Nancy Harmon has a new home a loving husband and two beautiful children The thing is she s had all this before Seven years ago she escaped from a volatile marriage and the devastating deaths of her first two children Now she s trying to start afresh The accusations The newspaper stories The blame That s all behind her Or so she thinks For someone has not forgotten Somebody who is determined to bring the terror and the pain hurtling back One cold morning Nancy leaves her children to play outside but when she returns they have disappeared With growing terror she realises it has begun again

*Film as Embodied Art* Maarten Coëgnarts,2019-12-17 How do the films of Kubrick communicate mental events of characters in a purely visual manner And how does the music in his films express meaning when music in essence is an

abstract and non representational art form Drawing on state of the art discoveries within embodied cognitive science this book sets out to address these and other questions by revealing Kubrick as a genuine artist of embodied meaning making a filmmaker who perhaps more than any other director uses all the resources of filmmaking in such a controlled and dense manner as to elicit the embodied tools necessary to achieve a level of conceptual clarity
