## **Sensuous Wheeler Sexual Adjustment For The Spinal Cord Injured:**

The Sensuous Wheeler Barry J. Rabin, 1980      **Sexual and Reproductive Neurorehabilitation** Mindy L.

Aisen, 2013-03-09 This well written text thoroughly addresses two quality of life issues in patients with a variety of neurological disorders sexual and reproductive function The de vasta stating effects of a variety of neurological diseases are well known to both the lay and medical communities and are treated in numerous texts However as we continue to experience therapeutic breakthroughs in the fields of neurology and rehabilitation medicine physicians and patients must become more aware of the issues discussed in this text It is particularly important as emphasized throughout the chapters that the physician or therapist initiate conversations with the patients concerning both the possibility of parenting a child as well as the ability of the patient to enhance his her sexual functioning Commonly in the patient who is otherwise perfectly normal there is a reluctance to discuss these topics and couples often feel embarrassed to initiate a conversation with their physicians This reluctance to initiate a discussion is even more apparent in patients with a variety of neurological disorders in which there are overriding fears concerning both function and survival as well as deep concerns about their own attractiveness and their sexual and reproductive ability      *The Sex Atlas* Erwin J. Haeberle, 2020-05-18 No detailed

description available for *The Sex Atlas*      **Sexuality and Disabilities** Deborah P Valentine, Romel W Mackelprang, 2013-02-01 Individuals with disabilities are often desexualized in our society yet they have the same need for intimacy self worth and social belonging as people without disabilities *Sexuality and Disabilities* addresses persons with physical sensory intellectual and cognitive disabilities and their concerns in the areas of intimacy family issues sexuality and sexual functioning It offers suggestions for professionals who work with persons with these disabilities to help them work more competently with disabled persons in the sexuality arena These concrete ideas are excellent for staff training and education and for enhancing professional development for those working with persons with physical disabilities The contributing authors create an awareness that all people need individualized consideration and that the special needs of all individuals are important especially for those who may have previously been left to discover things on their own usually unsuccessfully *Sexuality and Disabilities* focuses on a wide range of disabilities including physical developmental and learning disabilities mental retardation and conditions that may have an impact on people later in life such as strokes heart disease or other chronic illness Chapters discuss education and support issues for both practitioners and clients Some of the topics examined include components of a staff training program on sexuality and disability specific recommendations for sexuality education and counseling with people with spinal cord injuries and other acquired severe neurological disabilities a program model serving parents with mental retardation and their children specific ways educational programming social work intervention and policy efforts can address the special learning needs of people with cognitive impairments sources of support and stress for families caring for developmentally disabled children an analysis of special vulnerabilities and

challenges relating to sexual victimization that confront people with disabilities An extremely helpful tool for human service practitioners *Sexuality and Disabilities* is also a valuable resource for graduate and undergraduate students who have an interest in working with people with physical cognitive or mental disabilities and helping them explore this basic facet of their lives
