Loretto Dennis Szucs, Sandra Hargreaves Luebking, 2006 Genealogists and other historical researchers have valued the first two editions of this work often referred to as the genealogist's bible. The new edition continues that tradition. Intended as a handbook and a guide to selecting, locating, and using appropriate primary and secondary resources, *The Source* also functions as an instructional tool for novice genealogists and a refresher course for experienced researchers. More than 30 experts in this field—genealogists, historians, librarians, and archivists—prepared the 20 signed chapters, which are well written, easy to read, and include many helpful hints for getting the most out of whatever information is acquired. Each chapter ends with an extensive bibliography and is further enriched by tables, black and white illustrations, and examples of documents. Eight appendixes include the expected contact information for groups and institutions that persons studying genealogy and history need to find. **Book of Jewish and Crypto-Jewish Surnames** Judith K. Jarvis, Susan L. Levin, Donald N.

Yates, 2018-05-10 From unlikely places like Scotland and the Appalachian Mountains to the Bible and archives of the Spanish Inquisition, this valuable resource published in 2018 is the first to cover the naming practices of Conversos, Marranos, and secret Jews, along with more familiar Central and Eastern European Jewries. It includes Joseph Jacobs' classic work on Jewish Names, a chapter on Scottish clans and septs, thousands of Sephardic and Ashkenazic surnames from early colonial records, and Rabbi Malcolm Stern's 445 Early American Jewish Families. Appendix A contains 400 surnames from the Greater London cemetery Adath Yisroel. Appendix B provides a combined name index to the indispensable *When Scotland Was Jewish: Jews and Muslims in British Colonial America* and *The Early Jews and Muslims of England and Wales*, all by Elizabeth Caldwell Hirschman and Donald N. Yates. It contains 276 pages and has an extensive index and bibliography. Up to date and valuable research tool for genealogists and those interested in Jewish origins. Eran Elhaik, Assistant Professor, The University of Sheffield. **The Malka Family** Jeffrey Malka, 2015 Family history of the Malka family from 1280 in northern Spain to the 20th century. Family history of the Goldenberg family of Romania, Egypt, and Sudan. *Jewish-Muslim Relations in Past and Present* Josef Meri, 2017-06-01 This volume assembles multidisciplinary research on the Judaeo-Islamic tradition in medieval and modern contexts. The introduction discusses the nature of this tradition and proposes the more fluid and inclusive designation of Jewish-Muslim Relations. Contributions highlight diverse aspects of Jewish-Muslim relations in medieval and modern contexts, including the academic study of Jewish history, the Quranic notion of the upright community referring to the People of the Book, Jews in medieval fatwas, use of Arabic and Hebrew script, Jewish prayer in Christian Europe and the Islamic world, the permissibility of Arabic music in modern Jewish thought, Jewish and Muslim feminist exegesis, modern Sephardic and Morisco identity, popular Tunisian song, Jewish-Muslim relations in cinema, and A. S. Yehuda's study of an 11th century Jewish mystic. **Guidebook for Sephardic and Oriental Genealogical Sources in Israel** Mathilde A.

Tagger, Yitzchak Kerem, 2006 This book reveals the wealth of resources on Sephardic Jewish history and genealogy in Israel.

Melungeons Elizabeth Caldwell Hirschman,2005 Most of us probably think of America as being settled by British Protestant colonists who fought the Indians tamed the wilderness and brought democracy or at least a representative republic to North America To the contrary Elizabeth Caldwell Hirschman s research indicates the earliest settlers were of Mediterranean extraction and of a Jewish or Muslim religious persuasion Sometimes called Melungeons these early settlers were among the earliest nonnative Americans to live in the Carolinas Tennessee Kentucky Virginia and West Virginia For fear of discrimination since Muslims Jews Indians and other persons of color were often disenfranchised and abused the Melungeons were reticent regarding their heritage In fact over time many of the Melungeons themselves forgot where they came from Hence today the Melungeons remain the last lost tribe in America even to themselves Yet Hirschman supported by DNA testing genealogies and a variety of historical documents suggests that the Melungeons included such notable early Americans as Daniel Boone John Sevier Abraham Lincoln Jefferson Davis and Andrew Jackson Once lost but now forgotten no more
