Robert Elsie, 2004 Kosova or Kosovo is a dependent region of Serbia part of the former country of Yugoslavia It was part of the province of Dalmatia in the Austro Hungarian Empire before 1919 **Pan-Slavism and Slavophilia in Contemporary Central and Eastern Europe** Mikhail Suslov, Marek Čejka, Vladimir Đorđević, 2023-02-13 This book explores origins

manifestations and functions of Pan Slavism in contemporary Central and Eastern Europe arguing that despite the extinction of Pan Slavism as an articulated Romantic era geopolitical ideology a number of related discourses metaphors and emotions have spilled over into the mainstream debates and popular imagination Using the term Slavophilia to capture the range of representations the volume analyses how geopolitical discourses shape the identity and policies of a community providing a comparative analysis that covers a range of Slavic countries in order to understand how Pan Slavism works and resonates across geographic and political contexts **Reinventing Eastern Europe: Imaginaries, Identities and Transformations** Evinç Doğan, 2019-01-22 This edited collection brings together a wide range of topics that shed light on the social cultural economic political and spatio temporal changes influencing post socialist cities of Eastern Europe Different case studies are presented through papers that were presented at the Euroacademia International Conference series Imaginaries identities and transformations represent three blocks for understanding the ways in which visual narratives memory and identity and processes of alterity shape the symbolic meanings articulated and inscribed upon post socialist cities As such this book stimulates a debate in order to provide alternative views on the dynamics persistence and change broadly shaping mental mappings of Eastern Europe The volume offers an opportunity for scholars activists and practitioners to identify discuss and debate the multiple dimensions in which specific narratives of alterity making towards Eastern Europe preserve their salience today in re furbished and re fashioned manners **Yugoslavia as History** John R. can be placed squarely on Austria Hungary's expansionist plans and internal political tensions Serbian nationalism South Slav aspirations the unresolved Eastern Question and a political assassination sponsored by renegade elements within Serbia's security services In doing so he portrays the background and events of the Sarajevo Assassination and the subsequent military campaigns and diplomacy on the Balkan Front during 1914 The book details the first battle of the First World War the first Allied victory and the massive military humiliations Austria Hungary suffered at the hands of tiny Serbia while discussing the oversized strategic role Serbia played for the Allies during 1914 Lyon challenges existing historiography that contends the Habsburg Army was ill prepared for war and shows that the Dual Monarchy was in fact superior in manpower and technology to the Serbian Army thus laying blame on Austria Hungary's military leadership rather than on its state of readiness Based on archival sources from Belgrade Sarajevo and Vienna and using never before seen material to discuss secret negotiations between Turkey and Belgrade to carve up Albania Serbia's desertion epidemic its near surrender to Austria Hungary in November 1914 and how Serbia became the first belligerent to openly proclaim its war aims Serbia and the Balkan Front 1914 enriches our understanding of the outbreak of the war and Serbia's role in modern Europe It is of great importance to students and scholars of the history of the First World War as well as military diplomatic and modern European history

Kosovo, A Documentary History Robert Elsie, Bejtullah D. Destani, 2018-01-30 The question of Kosovan sovereignty and independence has a history which stretches far back beyond the outbreak of war in 1998 This volume is a compilation of key documents on Kosovo from the first half of the twentieth century These texts including numerous diplomatic despatches from the British Foreign Office deal initially with the Albanian uprising against Ottoman rule in the spring of 1912 and in particular with the period of the Serbian invasion of Kosovo in late 1912 and the repercussions of the conquest for the Albanian population The documents from 1918 to the early 1920s focus mainly on endeavours by Albanian leaders including those of the so called Kosovo Committee in exile to bring the plight of their people to the attention of the outside world endeavours which largely failed Further documents reflect the situation in Kosovo up to the outbreak of World War II This collection provides new

perspectives on the Kosovo question and includes many documents which have been largely unavailable up to now It sheds new light on many of the major and minor episodes that channelled and determined subsequent events including the Kosovo War of 1998 1999 and the declaration of independence in February 2008

Civil Society in Central and Eastern Europe Sabine,2014-04-15 As well as promoting debates about liberal democracy the dramatic events of 1989 also bought forth a powerful revival in the interest of the notion of civil society This revival was reflected mainly in two broad tracts of literature The first was primarily focused on the events surrounding the Solidarity movement in Poland and the tumultuous events of 1980 81 The second was concerned with the Velvet Revolutions more broadly Following the events of 1989 there appeared a number of works sharing the common central argument that civil society played a key role in the overthrow of these Communist regimes in 1989 Challenging the centrally accepted wisdom that dissent in totalitarian regimes was representative of civil society Civil Society and Communism posits the argument that the totalitarian public sphere a new theoretical typology presents a more robust and rigorous way by which to understand dissent and opposition in totalitarian Czechoslovakia Poland and the GDR
