Serenity Runes Ralph H. Blum, Susan Loughan, Bronwyn Jones, 2005-07-15 God grant me the Serenity to Accept the things I cannot change the Courage to change the things I can and the Wisdom to know the difference The Serenity Prayer These simple words form one of the most important and revered messages of our age For so many people in desperate situations seeking wisdom peace and the strength to overcome overwhelming problems the prayer has offered a beacon of hope and helped them through their darkest hours The prayer is attributed to American theologian Pastor Reinhold Niebuhr and is thought to have been written during the 1940s Now Ralph Blum has blessed the words with five beautifully crafted rune stones and enhanced their meaning with fresh runic commentaries to make the prayer even more powerful and accessible So whatever your situation and however impossible the odds you too can use the Serenity Prayer to help you face your challenges and to take the first step on your own road to recovery In the accompanying book Blum and co authors Susan Loughan and Bronwyn Jones provide full instructions for using the runes with the prayer They present the commentaries and the counsel of each rune stone and suggest meditations and other techniques to use The pack is completed by a cloth bag to keep the Serenity Runes safe and a portable credit card sized card on which is printed the Serenity Prayer Runes Ralph H. Blum, Susan Loughan, 1995-09-15 Blum and Loughan have set out to fill a gigantic void in the healing field and they have created healing interpretations for all the Runes By using the classic Rune symbols and following the age old Rune reading methods they created a tool with 25 aspects for the emotional psychological and physical healing of people in times of crisis The Serenity Runes Ralph Blum, Susan Loughan, Bronwyn E. The tradition from which this story emerges is a familial oral history preserved and transmitted across generations Of particular note is the survival of this tradition through the tumultuous events of the twentieth century including the Second World War The remaining Vlvas took refuge by remaining unseen in Germany's forest and mainstream settlements or cities Talks with our Creator Sherry Schultz, 2011-04-30
