H. M. Gellar-Goad,2020-02-14 Laughing Atoms Laughing Matter Lucretius De Rerum Natura and Satire offers the first comprehensive examination of Roman epic poet Lucretius engagement with satire Author T H M Gellar Goad argues that what has often been understood as an artfully persuasive exposition of Epicurean philosophy designed to convert the uninitiated is actually a mimesis of the narrator s attempt to effect such a conversion on his internal narrative audience a performance for the true audience of the poem whose members take pleasure from uncovering the literary games and the intertextual engagement that the performance entails Gellar Goad aims to track De Rerum Natura along two paths of satire first the broad boulevard of satiric literature from the beginnings of Greek poetry to the plays essays and broadcast media of the modern world and second the narrower lane of Roman verse satire satira beginning with early authors Ennius and Lucilius and closing with Flavian poet Juvenal Lucilius is revealed as a major yet overlooked influence on Lucretius By examining how Lucretius poem employs the tools of satire we gain a richer understanding of how it interacts with its purported philosophical program      No Laughing Matter Tijani Lamin,2014-04-09 The Book is about Nigerias socio economic and political problems from whence Nigeria attained independence to date I use parody to get my point across to make the message sink in very well especially lampooning the Nigerian elite who are solely responsible for the socio economic and political mess that Nigeria is currently undergoing It is a radical departure from the way most Nigerians writers write about Nigeria or on Nigeria in that there is no holding back in putting blame where blame should be placed
