Let the Reader Understand Edwin K. Broadhead, 2018-03-22 This book honors the extraordinary contribution of Elizabeth Struthers Malbon to biblical studies In the opening chapter Werner Kelber places Malbon s work within the larger context of critical reflection from antiquity to the modern era on the role and function of discourse Kelber locates Malbon s approach squarely within the framework of modernity and concludes that her supremely creative achievement has been the employment of modern narrative critical tools with a view toward uncovering the fecundity of the gospel of Mark Drawing

from and conversing with Professor Malbon's extensive publications each of the five sections engages a theme from her works focusing particularly on the Gospel of Mark This tribute includes meaning as narrative issues in methodology studies in characterization narrative readings of specific texts and aesthetic and political readings Contributors include Werner H Kelber R Alan Culpepper Kelly R Iverson Mikeal C Parsons David Barr David J A Clines Robert C Tannehill J Cheryl Exum Heidi Hornik and Richard Walsh **Philip Melanchthon** Irene Dingel, Timothy J. Wengert, Robert Kolb, Nicole Kuroпка, 2012-10-24 These twelve essays by international scholars investigate Melanchthon's theological activities as teacher confessor of the faith and defender of his doctrine and ecclesiastical policies as they developed within the context of his service of society and church In the past quarter century Melanchthon researchers have scrutinized older mostly negative interpretations of the Preceptor Germaniae The editors present in this volume precisely focused appraisals of Master Philip in his role as theologian at the university and in the service of his own prince and others By carefully placing his use of Aristotle his understanding of the nature of training for pastoral ministry his biblical exegesis in context by analyzing four of his attempts to formulate Wittenberg teaching in public confession by assessing how his own writings took on normative character for the church and by tracing his thinking on the free will and the Lord's Supper in the midst of controversy these authors offer carefully etched portraits of Melanchthon as Preceptor ecclesiae This volume contributes to the expansion of our understanding of Melanchthon as key figure in the Wittenberg Reformation and the currents of controversy that have long surrounded the interpretation of his contributions **NLT Parallel Study Bible** Tyndale, 2011-08-31 Discovery and Application on the Same Page for the First Time Now you don't have to choose between context and application Expository study notes help you understand the Bible like a 1st century believer Number one selling Life Application notes help you apply its truths in a 21st century world This Bible recognizes that Bible application is best done with a thorough knowledge of historical and literary context The NLT Study Bible is excellent at establishing this base The Life Application Study Bible content can then guide the reader in concrete steps toward application The New Living Translation is an authoritative Bible translation rendered faithfully into today's English from the ancient texts by 90 leading Bible scholars The NLT's scholarship and clarity breathe life into even the most difficult to understand Bible passages That's why we call it The Truth Made Clear **The Bookseller**, 1892 **Wiersbe Bible Commentary 2 Vol Set** Warren W. Wiersbe, 2023-06-09 The Wiersbe Bible Commentary is a must have for believers wanting a deeper and practical resource for studying God's Word and includes The complete Old and New Testament Genesis to Revelation Section by section commentary Biblical charts Book introductions Extended notes References Dr Warren Wiersbe is one of the most beloved Bible teachers with over 40 years of pastoral experience His bestselling Bible Commentaries are one of the most trustworthy resources used by pastors Bible teachers and persons interested in knowing more about God's Word His easy to read and insightful explanations provide a comprehensive understanding of the Bible **The "Man Christ Jesus"** Stephen Oliver Stout, 2011-06-17 Does the Apostle Paul have any

use for the person of Jesus presented in the Gospels Critical scholarship thinks not but this book argues that Paul not only mentions more than seventy specific details of the historical Jesus but he also commends the character of Jesus and echoes His teachings repeatedly in his letters and sermons in full agreement with the Gospel accounts Stout examines Paul's intriguing description of the Man Christ Jesus 1 Tim 2:5 and suggests that this title fulfills the OT expectation of God appearing in human history as a man In his incarnated humanity the Man Christ Jesus accomplished salvation in the historical events of his life and death and in his resurrected humanity he appeared to Paul on the Damascus Road rooting Paul's Christology deeply in human experience Furthermore Stout shows how Paul rests his concept of salvation on a neglected aspect of his doctrine that the entire church is associated with the historical events of the life death and resurrection of Jesus an association which also unites his church with one another in fellowship and service This book then demonstrates that Paul's gospel rests upon Jesus as a man of history who brings salvation into human history in his life death and exaltation as the Man Christ Jesus
