Yeary, 2020-01-20 Jesus call to profound discipleship in the Sermon on the Mount is too often dismissed as special instructions for only the holiest and most exceptional Christians In *The Sermon on the Mount* Clifford Yeary challenges us to hear the sermon once again as Christ intended it as our call to follow him whose life illustrated its every ideal Yeary helps us to hear the Sermon on the Mount as a message for each of us a challenge that is our constant call to renewal Commentary study and reflection questions prayer and access to online lectures are included 4 lessons [The Sermon on the Mount](#) Gladys Hunt, 2010-12-22 In these Bible studies Gladys Hunt looks at the Sermon on the Mount showing how Jesus message encapsulates all of New Testament teaching on how to live the Christian life *Path of the Purified Heart* Laura Dunham, 2012-02-01 *Path of the Purified Heart* traces the classic Christian spiritual journey toward transformation into the likeness of Christ in a unique fascinating way Drawing on the voices of wise elders from the past and present Dunham

**Preaching the Beatitudes for the Glory of God** Landis Brown, 2025-01-21 For far too long the Beatitudes have been misunderstood as a daunting checklist of requirements for believers to meet to gain the promises at the end of each statement Preaching the Beatitudes with this interpretation places unnecessary pressure upon believers to meet such high standards Help believers break free from the burden of trying to make their lives match the Beatitudes by showing them that in Christ they already fulfill them This book aims to help preachers preach the Beatitudes as a vibrant profile of believers already in Christ Each Beatitude is not a duty to fulfill but a promise to claim promises that allow the believer to live in a state of flourishing in the present not waiting till they reach heaven In these perilous times believers need reminding of their identity in Christ and the promises that come with it Through an in depth exploration of the Greek word *makarios* this book illuminates Christ's intent when giving the Beatitudes to his disciples showing how every believer can live in flourishing state due to the present and future promises Christ gives in each statement May readers rediscover the promises and assurance Jesus gives to all believers at the beginning of the greatest sermon ever preached the Sermon on the Mount

**The Undivided Heart** Zachary Alan Starr,2025-07-31 The Undivided Heart presents a history of legal and moral thought in Jewish civilization from the earliest times until 200 CE It discusses Israelite wisdom literature biblical law collections the prophets works of the Hellenic Jewish Diaspora the apocrypha apocalypses the Dead Sea Scrolls and the Mishnah and it compares the moral teaching of the Pharisees tannaim the Essenes and Jesus of Nazareth Among the book's important insights is that ancient Israel experienced a fundamental moral change from people esteeming qualities and conduct having competitive value to people esteeming qualities and conduct having cooperative value These newly esteemed qualities and conduct were moreover not originally justified as being commanded by God but as promoting the nation's well being Another important insight concerns Jeremiah's belief that human beings would not be righteous until given a single heart Although Jeremiah is typically understood as envisioning the end of free will this book argues that Jeremiah was actually envisioning the integration of human desires and emotions and that a single heart is better translated an undivided heart The notion of an undivided and a divided heart was used throughout the Second Temple period to explain respectively moral rectitude and moral failure *Christian Advocate* ,1919 International Journal of Religious Education ,1927 **Finding God** John M. Mulder,Hugh Thomson Kerr,2012-08-13 The search for God is a staple of human history Finding God records sixty first

person accounts of Christians who found God in different ways and the impact this discovery made on their lives and on the world in which they lived Ranging from the first century to the present Finding God is a fascinating digest of conversion stories from a wide variety of people from the apostle Paul to the rock musician Bono These narratives together demonstrate the remarkable diversity of spiritual journeys and the dramatic changes that can result from encounters with God Both instructive and inspirational Finding God will expand horizons and deepen the faith of those who seek insight into the age old spiritual quest to find God     The Christian Advocate ,1928
