Lawrence, 2017-03-24 The Sermon on the Mount contains many comparisons In this book the functions of these comparisons are studied by the methodology called comparative characterization Characterization is the way a character is characterized in a narrative Comparative characterization is the characterization of a character using comparisons In comparative characterization another character is used as a foil to bring out a characteristic trait of a concerned character Jesus characterized the ideal disciple in the Sermon on the Mount with many descriptions and imperatives To characterize the ideal disciple Jesus used many comparisons and highlighted the characteristic features that embody the ideal disciple The many comparisons used in the Sermon on the Mount are identified in this study through comparative characterization In addition the teleological purpose of the comparisons which is to play as foil to the characterization of the ideal disciple is identified and highlighted Thus this study identifies Jesus characterization of the ideal disciple and his complex portrayal of the ideal disciple with the many uses of comparisons in the descriptions and imperatives of Jesus in the Sermon on the Mount

Sermon on the Mount Brad Price, 2019-11-20 The Sermon on the Mount helps show what it means to become a new creature in Christ 2 Cor 5 17 A secular illustration for this new life which is included in this book is found in an African story entitled The Dirty Basket According to this tale a young man became a Christian but soon learned he was still subject to strong temptations One day this recent convert went to his grandfather to discuss his many failings The grandfather suggested his grandson take a basket to the river and get some drinking water The grandson looked at the basket and said it was dirty The holes in this basket would prevent him from bringing back much water The grandfather insisted his relative do as he had asked The young man made six attempts to bring back water in this filthy basket and each time he failed After returning to his grandpa and complaining about the basket the grandfather pointed out how clean the basket had become Also the reeds from which the basket was made had swelled from all the water The Sermon on the Mount helps dirty and

unholy people keep putting water in the basket to conform more and more to the image of Christ **Sermon on the Mount**

Kingdom Conspiracy Scot McKnight, 2014-10-14 An Award Winning Challenge to Popular Ideas of the Kingdom According to Scot McKnight kingdom is the biblical term most misused by Christians today It has taken on meanings that are completely at odds with what the Bible says and has become a buzzword for both social justice and redemption In Kingdom Conspiracy McKnight offers a sizzling biblical corrective and a fiercely radical vision for the role of the local church in the kingdom of God Now in paper Praise for Kingdom Conspiracy 2015 Outreach Resources of the Year Award Winner One of Leadership Journal's Best Books for Church Leaders in 2014 This is a must read for church leaders today Publishers Weekly A timely resource for the missional church to reexamine some basic assumptions that impact church practice in the everyday Outreach

Not Born Gay and the Zebra Effect Illusion Iker Tracy Green, 2017-01-26 Are people born gay I think you need to read what we have discovered in this book What is the zebra effect What have the experts and authorities told us about what we are to believe and how to think There are many people leading a gay lifestyle who know that they are not born gay but were conditioned to it by nongenetic factors Why do some people want to think so simplistically about LGBT orientations and behaviors Yes many feel that they were born gay but were they really What do the teachings of Jesus say about same sex marriage and sexual relationships To Bible believing Christians and pastors here are some ways to be more empathetic more understanding and more helpful to the LGBT community while never compromising the teachings of our Lord Jesus To the general public what do you believe about the gay rights issues and why does it matter Do you realize that the Bible points to the truth and that news and media sources sometimes misrepresent the truth What does it really mean to love others in the best way To the atheist the agnostic the gay activist and others here is a chance to try to understand the

beliefs of millions of Bible believing Christians in this country Please realize that for the great majority of your Christian neighbors their beliefs are not going to change even under pressure Please keep an open mind **I Wish Jesus Hadn't Said That** Steve Timmis,2014-01-28 Jesus never said that following him would be easy We've read the words countless times Love your enemies You cannot serve both God and money Take up your cross and follow me Theoretically we believe them But do we engage what Jesus says in a way that prompts action The truth we avoid talking about is that being a follower of Jesus is terribly inconvenient a pain in the neck at times because it cuts across so many of our natural desires But there is an even greater danger in avoiding what Jesus says If we harden our hearts to the teachings of Jesus we will never find true happiness In this powerful new book author Steve Timmis calls all believers to consider ten sayings of Jesus that reveal where our affections lie He reminds us that Christians are called to abandon not cherish the ways of the world and reject not pursue the things that afford us status prestige and pleasure As followers of Jesus we must grapple with what it means to follow him and accept his verdict on what constitutes the good life no matter how counter cultural it may seem Doing so will powerfully reorient our hearts K'oria Misyõn P'ildũ ,1925
