The Spirit of the Cure of Ars L'Abbe Monnin,John Edward Bowden,Brother Hermenegild TOSF,Brother Hermenegild,2013-10 If we have ever thought in reading of the apostolic labours of saints who lived in times gone by that the uncompromising severity of their teaching would have been modified by the altered circumstances of our own age the life of the Cure of Ars shows us that we were mistaken We see him in the midst of a neighbouring people the trusted guide of every class of Christians Every doubt that could arise from the exigencies of the nineteenth century concerning theology politics or even fiction was submitted to his decision and he answered one and all in words which might have fallen from St Vincent Ferrer or the B Leonard of Port Maurice Thus when we hear of the numbers of all ranks and conditions who crowded from town and country into the secluded village church to hear his simple exhortations our thoughts

go back to the time when Pharisees and Sadducees soldiers and publicans thronged the desert banks of the Jordan to hear the preaching of st John Baptist and to be told that they must do penance because the kingdom of heaven was at hand In peruing the instructions of the Cure of Ars we may miss the sweetness of his voice or the bright look and affectionate manner with which they were wont to be accompanied but our hearts burn within us as we read for they come from a saint on fire with the love of God who was raised up in an unbelieving generation to carry on the old tradition and to sanctify the world by the simple preaching of the Cross **The Cure of Ars and the Holy Eucharist** Saint Jean-Baptiste-Marie Vianney, Sister Mary Benvenuta, 2000-01-01 This inspiring book is a collection from biographies sermons local traditions and unpublished documents that reflect the Saint s doctrine on the great Sacramenta rich treasure which is increased by sacred and touching details concerning the faith of this servant of God his love and his sacerdotal attitude towards the Master invisible but really present here on earth It will be clearly seen in the course of reading this book that the Cure of Ars had a passion for the Eucharist We are quite sure that the contents will be the delight of a multitude of souls It might be said that nothing is more easily forgotten than what we think we know and that there are times when the familiar Gospel becomes a novelty again But in these Meditations from the substance of the instructions sermons and homilies of St John Vianney traditional teaching acquires in the mouth of a saint a more luminous evidence and an undeniable fruitfulness This book is a treasure from the heart of the holiest priest of modern times Hardcover Smyth sewn 60 lb cream paper 200 pages
