... brought down from the year 1633 ... to the present time by J. Strype. To which is prefixed the life of the author by the editor, etc John STOW (Historian and Antiquary.),1753 *Historical Register of the University of Cambridge ... to the Year 1910* University of Cambridge,1917 **The Sermon Sucking Black Hole** David R. Mains,2015-05-12 Very little communication takes place between most pastors priests and their congregants regarding the weekly sermon homily This lack of constructive dialogue has resulted in Sunday messages that are not only out of touch with where parishioners are living but for the most part what s said isn t remembered much beyond the church parking lot Dr Mains contends that people in the pew can best judge when a sermon is helpful to them and when it isn t So why not include them in the process of both preparing and evaluating sermons Not preaching the sermons but again preparing and evaluating them He makes these changes sound so simple and practical that you can t help but wonder Why weren t these ideas implemented years ago Most people in the pew don t realize how integral they are to finding a solution to this problem But the pulpit pew combination can be an incredibly powerful team so let s begin to work together to help solve this mystery of what s happening to sermons This is not a negative book or one that only points out problems Instead it s a positive practical and encouraging read that should fill you with hope for not only your local congregation but churches everywhere [Church Forsaken](#) Jonathan Brooks,2018-11-06 Raised on the south side of Chicago Jonathan Brooks moved as far away as possible as soon as he could But through unforeseen events he found himself not only back in Englewood but also serving as a pastor and community leader In this book he challenges Christians to be fully present in their communities helping local churches rediscover that loving our neighbors means loving our neighborhoods [The Heart of Black Preaching](#) Cleophus James LaRue,2000-01-01 LaRue provides important insights on why black preaching is strong and active and connects with the real life experiences of listeners Christian **The Christian Century** ,1924 **No Longer Bound** James Henry Harris,2013-05-14 No Longer Bound is about the intersection of reading comprehension and interpretation that leads to the development of a powerful and transformative sermon Reading facilitates the interpretive process which is the essence of any sermon The sermon is an interpretation of an interpretation and as such presents itself as a new gospel message The ability to write and preach a sermon is an exercise in freedom The book is grounded in a narrative theological form that begins with the author s experience and filters that experience through the lens of hermeneutic philosophy and theology Reading and preaching constitute the thread that runs throughout the book The book suggests that the sermon is the philosophic theology of Black practical religion inasmuch as the Black church is central to religion and culture This is a fresh and new understanding of homiletics philosophical theology and interpretation theory that is intended to produce better preachers and more powerful and life changing sermons by all who endeavor to preach *The Churchman* ,1882 *Athenaeum and Literary Chronicle* ,1908
